

# Voting as Christ Wills

"Thus, saith Yahweh,—Execute ye justice, and righteousness, And deliver the robbed, out of the hand of the oppressor,—But, the sojourner, the fatherless, and the widow, do not oppress, neither commit violence, And, the blood of the innocent, do not ye shed, in this place" (Jer. 22:3). In the United States of America, we, as Christians are bound to vote for individuals who will do their very best to obey this commandment of Yahweh. As a whole, members of the Democratic party stand against this commandment, as do some Republicans. The Democrat platform is comprised of partial-birth abortion, promoting sodomy (homosexual lifestyle) and the confiscation of property from the wealthy (higher tax bracket and estate tax).

1.) Partial-birth abortions: *And, the blood of the innocent, do not ye shed, in this place; "Thou shalt not commit murder" (Ex. 20:13).*

2.) Sodomy: *Execute ye justice, and righteousness; "And, any man who lieth with mankind as with womankind, an abomination, have both of them wrought,—they shall, surely be put to death,—their blood, shall be upon themselves" (Lev. 20:13).*

3.) Confiscation of property: *And deliver the robbed, out of the hand of the oppressor.* Yahweh gave one rate of tax for mankind, which was 10% (tithe) for the poor as well as for the rich (Ex. 30:15, Deu. 14:22). A progressive tax rate and an estate tax on the wealthy (50% upon death) are legal *robbery* by our government. A government does not have money of its own, only what it receives and takes from others. If you vote to have the government give you money or give you some benefit that costs money, which you did not earn then you have instructed your representatives to confiscate another persons property for your own benefit, which is stealing; *"Thou shalt not covet, thy neighbor's house...nor anything which belongs unto thy neighbor" (Ex. 20:17);* If you do not want to pay these rates of taxation, then neither should your neighbor; *Love your neighbor as yourself (Lev. 19:18).*

Approximately, only 25% of Christians vote each election, which has resulted in sodomy being promoted in our military, schools and in our States; homosexual men adopting boys (pederasty);<sup>1</sup> partial-birth abortions and all the wickedness that comes from the above evils. By Christians' not voting they have voted, and are being held accountable by Yahweh and Christ for allowing His commandments to be broken by the lawless. Not acting is acting! <sup>1</sup> Pederasty or Paederasty is a (usually erotic) relationship between an older man and an adolescent boy outside his immediate family. The word pederasty derives from Greek (paiderastia) "love of boys", a compound derived from παῖς (pais) "child, boy" and ἐραστής (erastēs) "lover". Historically, pederasty has existed as a variety of customs and practices within different cultures. The status of pederasty has changed over the course of history, at times considered an ideal and at other times a crime. In the history of Europe, its most structured cultural manifestation was Athenian pederasty, and became most prominent in the 6th century BC.
