# WORLD-WIDE REVIVAL CRUSADE

*Below is an outline of the project in action for WORLD EVANGELIZATION! Jesus will not return until the gospel is preached to all nations! You can participate in this program to reach the world for Christ!*

PRESENTING CHRIST TO THE WORLD  
HE DIED TO REDEEM  
THROUGH THE MEDIUM OF RADIO!

A NUMBER OF YEARS AGO God made known to us that a great revival was coming to the world, which would exceed anything that had happened in the past. He showed us that He was going to raise up men of great faith, who would bring Apostolic power back to the world. It was to be a visitation that would not come to one particular church, or group, but was to be to all the people.

*We are now in the midst of this world-wide revival!* It has not come because of any one individual. It has come because God has determined that His mercy (salvation) should go forth to the ends of the earth. *The world must be evangelized!* CHRIST cannot come, until the Gospel has been taken to all the nations! Only then shall the Prince of Peace return to the world.

## FIRST STEP—THE GREAT HEALING REVIVALS

It was our privilege a few years ago to organize some of the great union campaigns. We labored with various evangelists. In these meetings, God manifested His power in a unique way. It became clear that this visitation was a revival springing up not from man, although God uses human instrumentality, but it was a revival that came from God! It was not the personalities of the evangelists, but it was the demonstration of the power of God that was the big attraction.

During that time we made a trip abroad to see the results of such a ministry in foreign fields. We always had a great interest in missions and, as a pastor, had availed ourselves of the services of each missionary that came our way. However, some of the missionaries—not all—came with a negative report. They told of the great difficulties they met, and the terrific opposition they faced in foreign fields. Some had returned to the States broken in body and in spirit. *Our brief trip abroad, preaching and demonstrating this ministry of deliverance, resulted in such audiences and miracles, that it proved to us the ministry of deliverance was the God-ordained method of reaching the masses in foreign lands, as well as those in this nation!* The results of other evangelists in these countries, especially the ministry of T. L. Osborn, confirmed our observations.

## Join the World-Wide Revival Crusade

### PLAN TO REACH THE NATION BY MEANS OF RADIO

LINKED with the project of the WORLD-WIDE REVIVAL CRUSADE is the plan to reach the nation by means of radio. Just what is the object of this new program? The answers are given below:

1. It will supplement THE VOICE OF HEALING magazine in publicizing the news of the great revivals which are spreading through the world.

2. It will bring the voices of the world's leading evangelists directly into your home.

3. It will reach the homes of many who live outside the cities and who, therefore, cannot conveniently attend the revival in the cities.

4. It will enable our readers and listeners to have a closer touch with the activities of THE VOICE OF HEALING, so that they can more fully participate in the crusade for WORLD-WIDE REVIVAL.

5. Its message of faith will help you to receive deliverance from your sickness or affliction. ABOVE ALL, IT WILL CARRY THE MESSAGE OF DELIVERANCE FROM SIN THROUGH JESUS CHRIST, OUR SAVIOUR!

### HOW YOU CAN HELP!

1. If there is a Voice of Healing program already on the air in your city, keep us in touch with how it is being received. Perhaps the hour it is released in your area can be improved. It is not always possible to get the best time immediately. We are also anxious to learn the range that the program has at each outlet.

2. Inform your friends of the program, and the hour by a telephone call just before program time.

3. Give to the Radio and Literature Fund!

4. Pray for us—THE VOICE OF HEALING—that we shall accomplish the great task before us. Pray that this Salvation-Healing will spread to every nation of the globe! Your prayers, letters, and gifts, will make it possible to continue these programs on the air! Write to us regularly!

5. Why not sponsor or assist in sponsoring a program in your area? In view of the part THE VOICE OF HEALING has played in the past, in this WORLD-WIDE REVIVAL CRUSADE, you can have confidence that your gifts will bring a return to you in eternity, which is beyond estimate. Why not share with us a part in this WORLD-WIDE REVIVAL CRUSADE? WRITE TO US NOW!

OUR READERS will remember our former Assistant Editor, Miss Anna Jeanne Moore, who was married last June in St. Margaret's Church in London, which is next to Westminster Abbey, where England's Queen Elizabeth's Coronation was held on June 2nd.

Mrs. Anna Jeanne Price and her husband, Evangelist Don Price, are now assisting us in the Radio program of THE VOICE OF HEALING. This will permit Chaplain Hulme to spend more of his time on the field, presenting THE VOICE OF HEALING RADIO CRUSADE to the people in various cities of America and overseas. Some of his time will be spent with Evangelist Raymond T. Richey, in his revival campaigns across the nation and in the Far East.

Those of you, Pastors, business men, and others, interested in learning more about our broadcasting schedules and plans should contact Chaplain Hulme when

Mrs. Anna Jeanne Moore-Price

he is in your area. You can learn where he will be by following his itinerary in the pages of THE VOICE OF HEALING from month to month!

##### SECOND STEP — THE VOICE OF HEALING MAGAZINE

Shortly before this evangelistic endeavor, we had begun publication of THE VOICE OF HEALING magazine, intending to use it as a means of publicity for one of the first men on the field, in this special visitation. Unfortunately, it was only a matter of weeks, after the publication of our first issue, that this brother, because of overwork, was forced to leave the field for many months. Nevertheless, God showed Brother Moore, who nobly assisted us, and me, that He was going to raise up many men of faith. Without planning it that way, THE VOICE OF HEALING came to be recognized as "The Voice of the Present World-Wide Salvation-Healing Revival." Its policy, determined from the beginning, was that it was to be an inter-evangelical publication, one working with all groups. It was to be a magazine publicizing the revival as it spread throughout the whole world.

From time to time THE VOICE OF HEALING magazine has been enlarged until, at the present time, it has 32 pages and is thus able to carry a well-rounded picture of the progress of the world revival! It has been especially used of God in encouraging the ministry of the miraculous in foreign lands, as well as in America. This is God's plan! No one man can accomplish the gigantic task that lies before the Church—it must be the work of many!

##### THE THIRD STEP — UNITY OF THE CHURCH

The next step in the world-wide revival crusade was the encouragement of the vision of the unity of the people of God, regardless of the organization to which

they belonged. Jesus said that, only as His followers became one, could world-wide evangelization be fully effected.

*"That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me."* (John 17:21)

There have, of course, been many attempts in the past to achieve unity of the people of God but, in the main, the plan has been to accomplish this by bringing organizations together, or to strive for perfect doctrinal unity. That plan, however, has never succeeded and, no doubt, can never succeed during this age. The unity must be of the heart rather than of the head. People, agreed in doctrine, can be worlds apart in spirit.

In the large union campaigns, it was speedily proven that there could be a genuine fellowship between various groups, despite minor doctrinal differences, provided they did not make an issue of their differences. The ministry of deliverance, where God moved in the supernatural, proved to be the basis of great union efforts. Ministers and people, who worked together and prayed together, found that a common vision—that of world evangelization—bound them together! Such fellowship has not always been easy to achieve, and patience is required with those who have not fully learned the great advantages that result when God's people work together. Nevertheless, the progress that has been made is gratifying.

##### THE FOURTH STEP — THE PROPAGATION OF GOSPEL LITERATURE

Realizing the importance of sending out free Gospel literature, we asked ourselves how best we could do that. We decided

that using THE VOICE OF HEALING magazine was the most economical method to accomplish this. There is as much material in one 32-page issue as there is in the average 100-page book. Books are expensive, but we could, with the help of our readers, give away thousands of copies of the magazine to missionaries, to the sick, and to those unable to afford it! At one time, we considered sending the magazine out on a free-will offering plan. The post office department, however, would not permit us to use this plan in connection with Second Class mailings, but they do allow us to send out up to ten thousand free copies a month. In addition, however, to the magazine, THE VOICE OF HEALING has published hundreds of thousands of books, in an effort to spread the knowledge of this glorious gospel of deliverance.

##### FIFTH STEP — INAUGURATION OF A MAILING SERVICE

Thousands of letters come to us from people all over the world asking questions about the revival and requesting special prayer for their healing and other needs. We have given much time to the task of answering letters. Through the literature we have published, and by personal correspondence, we have been enabled to reply to most of the letters.

To the many who have written in for special prayer, we have sent out thousands of prayer cloths, according to Acts 19:11-12. From these, many wonderful testimonies have been received.

##### SIXTH STEP — PLAN FOR NATIVE EVANGELISM

The next step, in the project for WORLD WIDE REVIVAL, is the NATIVE EVANGELISM PLAN that has been inaugurated by Brother T. L. Osborn, in which THE VOICE OF HEALING is participating, and which gives it publicity. It is a plan for sending hundreds of native evangelists into the field, thus making the work in foreign lands indigenous! This plan is fully described in the article by Rev. T. L. Osborn elsewhere in this issue. It is a part of the great project of THE VOICE OF HEALING for WORLD WIDE REVIVAL!

##### THE SEVENTH STEP — BUSINESS MEN'S CLUBS

One of the untapped sources of power, in extending this crusade of reaching the world for Christ, is that of the help of businessmen! For several years Brother Demas Shakarian, of Los Angeles, talked with us concerning his plan for Full Gospel business men's clubs. This plan has now reached a stage of action, and a number of these business men's clubs have already been organized. News of this development has been given publicity already, and THE VOICE OF HEALING will have further information on this great new work in an early issue. Business men can play a key part in this WORLD WIDE EVANGELIZATION CRUSADE.

##### THE EIGHTH STEP — NATIONAL RADIO PROGRAM

The time has come to supplement the work of THE VOICE OF HEALING with a national radio program! It is to follow the same policy as that of the magazine; i. e., to present the work of many men on the field, and to encourage the WORLD WIDE REVIVAL CRUSADE. This plan is carried in the box on page two.

## RICHEY REVIVAL GIVES COMFORT TO CITY'S BEREAVED

By Rev. A. C. Lane, Pastor  
Faith Tabernacle, Waco, Texas

**"... A VERY PRESENT HELP  
IN TROUBLE!"**

SEVERAL YEARS AGO disaster struck in Texas with the terrible explosion of a school in New London. Immediately Evang. Raymond T. Richey rushed to the scene of suffering and sorrow and, against advice and amid doubt, began a revival. People thought a revival would be impossible at such a time, but God moved. Hundreds were blessed, comforted, saved, healed, and pointed to our Lord, Who is **THE HELP** in time of sorrow.

A few weeks ago, disaster hit the Lone Star state again, when the terrible tornado struck the city of Waco. Once again *Psalms 46:1* rang clear in the mind of Raymond T. Richey. "*God is our refuge and strength, a very present help in trouble.*" Again he went to the scene of heart-rending sorrow to bring words of comfort and courage and to point those in distress to The Comforter!

Revival services were held in Faith Tabernacle, with all Full Gospel churches co-

Souls were led to a saving knowledge of Jesus Christ. Others were graciously healed. The sorrowing—wives, mothers, and friends—were given the message of comfort and courage. During the revival one precious little girl, whose father was

operating. Comments were heard on every hand of how wonderful it was to see a gospel meeting in progress so soon after such a tragedy. The meeting was surely what was needed at the time. God once again proved Himself faithful through the mercy and love of His Son.

killed in the tragedy, felt God's call to preach. Who can foretell the eternal result of such a revival?

The meeting closed on Sunday afternoon, in the Baylor University Auditorium, with songs of cheer and renewed courage, and with the message of victory coming from the lips of not only Evangelist Richey, but the townspeople of Waco—a testimony ringing forth—they once again had found Him to be their "very present help in time of trouble!"

**THE FOLLOWING** vivid account of the recent disaster in Waco, Texas, comes to us also from Rev. A. C. Lane, who is Pastor of Faith Tabernacle in Waco.—**EDITOR.**

**MAY THE 11TH** started out just as usual in Waco, Texas. Everybody followed his ordinary routine. There was hardly a cloud in the sky. However, the weather bureau did announce that it was alerting Waco and other nearby sections for possible tornadoes. Most people who heard this forecast laughed, while a few took the matter more seriously and prayed.

Practically all quoted an old legend that, because the Indians used to live on the spot where Waco is situated, a tornado would never strike this place. However, almost without notice, angry clouds were forming and, before people were really aware that anything was happening, the dreadful thing was over and some 67 million dollars worth of property was leveled to the ground; and, from under this sudden visitation of destruction, one hundred and fifteen souls had slipped into eternity.

One is certainly reminded of the words of Jesus: "*In such an hour as ye think not,*" and again when He said: "*As in the days of Noah, so shall it be.*"

TVH lists all information available concerning meeting schedules. If we show only one date regarding a campaign, that is the beginning date—most campaigns run at least two weeks, or longer. Further information concerning date and location should be secured by writing local pastors, or evangelists listed in our directory. NOTICE! TVH cannot assume the full responsibility of directing people to these campaigns. Sometimes a meeting is cancelled or postponed, after our magazine has gone to press. # Startling Incidents and

## BAPTIST THEOLOGIAN RECEIVES BAPTISM OF HOLY GHOST

**I**N MY THEOLOGICAL TRAINING, I was told I received Holy Ghost baptism in the hour of my conversion, and I did not question their word. Wish now I had. As an evangelist for many years, and a pastor for 28 years, I continually felt the need of greater power in my preaching. It was during a special revival meeting conducted by Dr. Shreves of Washington, D. C., in the First Baptist Church of San Jose, California, of which church Dr. Towner was pastor, that God gave me the Baptism of the Holy Ghost.

As I knelt at the pulpit desk to pray, I heard my name called many times to lead in prayer. But I could not pray for any one, I was the one in need of prayer. Suddenly, without any effort on my part, a light more glorious than the noon-day sun fell upon me, and a power like electricity went through my body. I leaped upon my feet and began to speak in a language I did not know. A Christian Italian told me I spoke his language. Many Italians were saved in those services. Is not this in keeping with Acts 2:6? Was I surprised when God gave me what I thought I already had?

The great congregation who knew me as a "haughty" Baptist, joined me in holy praise, the like I had never witnessed or enjoyed. It was the beginning of a world preaching ministry and writing for me. Since then, Mrs. Hoover and I have made 14 tours over the United States and Canada, speaking in the larger churches of many denominations, and convention halls and have seen thousands of anxious souls kneeling at the altar of God confessing their sins and receiving the Holy Ghost Baptism.

## I SAW THE LORD IN HIS GLORY

**A**BOUT a year and a half ago, after a time of renewing of the Holy Spirit in me, and of seeking more of the Lord, I asked the Lord Jesus to show me His glory. I had noticed the scripture in *John 11:40*—"If thou wouldst believe, thou shouldest see the glory of God," on a scripture calendar on the wall and, without looking up the context, I prayed that the Lord would show me Himself in His glory.

I thought of the time when Moses asked God to let him see His Holy Presence, and how God told Moses he could view His backside as He passed by, but not His face. I thought I would not be worthy to see Jesus' face either, but kept praying that He would show me Himself in His glory.

Several days passed and then, one

night while in prayer, the veil was lifted and I saw the Lord Jesus in His glory. I saw His head and shoulders from the back, and He was all in gold. His hair was long and so beautiful over his shoulders, with white showing through, and He was in an attitude of prayer. Somehow I knew it was the Lord Jesus. I had such a feeling of awe in His presence, yet there was also a feeling of wonderful peace and quietness in His presence. In the foreground, dimly I could see a large table with empty chairs around it, as though whoever had been sitting in them had left them for the time being, that I might have this glimpse of the Lord in His glory.

How I do praise the Lord for answering prayer, and granting this vision of Himself. Now I am looking forward to the time when I shall see His face, and know Him as also I am known.

I am sending this with the prayer that others may be encouraged to seek more of the Lord.

Sincerely,

Mrs. Winifred Payne  
Main Road, Akron, N. Y.

## PRAYER SAVES ARMY CAPTAIN FROM ENEMY FIRE

**G**OD miraculously answered prayer and spared my son, Captain Wilford D. Gower, 102nd Div., 9th Infantry, in Germany, during World War II.

At 2:00 a.m. one morning, my daughter, Evangelist Wilma Gower, who was sleeping in another room, and I, were awakened by an angel appearing to us and touching each of us at the same time, making us aware of my son's need of prayer. We then each saw him, in a vision, and prayed for him earnestly several minutes, until the burden of prayer lifted, and we knew the Lord had heard and answered our prayer.

Later, my son wrote his wife this startling account of how God had answered our prayer, at the exact hour we prayed, though he did not know we were praying for him then.

He had been given orders to search out (reconnoiter) a territory to take his men on a certain mission. There was a mistake in his orders and he found himself between American and German shell fire. Bullets were whizzing all about him. As he was finding his way back, he stopped near a tree, unarmed, and could have reached over and touched three or four armed German soldiers. They did not see him, and God led him miraculously back to his men, without injury.

We asked God never to let him get a scratch in battle, and he did not, during twenty months of combat. He is now a Lieutenant Colonel, stationed presently at Ft. Benning, Georgia, and is still a sincere Christian

Dixon, Ky.

## FINNEY RECOUNTS HOW THE LORD TAUGHT A LADY TO READ

*From "Memoirs of Rev. Charles C. Finney," Written by Himself*

**A** LITTLE WAY from the village of Evan's Mills was a settlement of Germans, where there was a German church with several elders, and a considerable membership, but no minister and no regular religious meetings.

They requested me to go out there and preach.

The first time I preached I took this text—*Hebrews 12:14*—

*"Without holiness no man shall see the Lord."*

In a very few days it was found that the whole settlement was under conviction. At their request I appointed a meeting of inquiry, asked them questions, and encouraged them to ask questions.

I addressed a tall dignified looking woman, and asked her what was the state of her mind. She replied immediately that she had given her heart to God; and went on to say that the Lord had taught her to read, since she had learned how to pray.

I asked her what she meant.

She said she never could read, and never had known her letters but, when she gave her heart to God, she was greatly distressed that she could not read God's Word. "But I thought," she said, "that Jesus could teach me to read; and I asked Him if He would not please to teach me to read His Word." Said she, "I thought when I had prayed that I could read. The children had a Testament, and I went and got it; and I believed that I would be able to read what I had heard them read." "But," said she, "to prove to myself that I was right, I went over to the school ma'am, and asked her if I read correctly; and she said I did. Since then, I have been able to read the Word of God for myself."

I said no more, but thought there must be some mistake about this, as the woman appeared to be quite in earnest, and quite intelligent in what she said. I took pains afterwards to inquire of her neighbors about her. They assured me that she had an excellent character; and they all affirmed that it had been notorious that she could not read a syllable until after she was converted.

I leave this to speak for itself; there is no use in theorizing about it. Such, I believe, were the undoubted facts.

# Amazing Answers to Prayer

## KING'S PROCLAMATION OF DAY OF PRAYER RESULTED IN MIRACLE OF DUNKIRK

ON MAY 10th, 1940, the Nazi Blitzkrieg was launched against the Low Countries. At the end of the second week in May the French defenses at Sedan and on the Meuse were out, and the Nazi Panzers advanced rapidly through Belgium and France.

On Monday, May 29, the only port left to the British, was Dunkirk, and it looked as if Britain was about to face her most awful defeat in history. The German High Command of that date stated, "The British Army is encircled, our troops are proceeding to its annihilation."

The British Government and people hoped only to gain some and start afresh. They did not expect to save more than some twenty or thirty thousand troops at the most out of the debacle.

*A Day of Prayer had been called by His Majesty the King, on May 26th; and God came to the defense of His people, controlling the weather!*

He caused a storm to descend in the area around Dunkirk, which saved the weary tramping armies from Nazi planes; and then sent a great calm upon the sea, so calm that coastal yachts were used to transport troops from the beaches.

THE DAILY SKETCH, on the morrow, declared, "Nothing like it ever happened before." On every hand, the word "Miracle" was spoken.

All soldiers and civilians alike, made mention of the *Day of Prayer*, and the two strange weather conditions, the storm and the great calm, which enabled the forces to save ten times the number even the most optimistic had hoped would be saved. Even large contingents of allied personnel were saved from the area.

## BABY HEALED EXACT HOUR FRIEND PRAYED

IT WAS IN 1929. We were stationed in Inland China, three days strenuous journey over land from Peking, when an epidemic broke out among babies and young children in our district. Sixty deaths were recorded in a short time. It was a certain type of croup. My wife — a trained nurse — had no difficulty in diagnosing the disease when it struck our first and then only child, of about one year of age. Was our baby to go the same way as those sixty who were already dead and buried?

With no doctor or medicines closer than three days' journey away, we saw our darling agonizing as she, with increasing

difficulty, fought for breath, her wind-pipe slowly but surely closing. *We searched our hearts, confessing to the Lord whatever we felt might be a hindrance, then we pleaded for our baby's life!*

*The answer came like a bolt of lightning: In the middle of the night I was carrying the child in my arms, with but little hope of seeing her pull through, when she suddenly opened her eyes, the battle for breath ceased; and she turned her head and began to sleep normally. She was completely healed.*

Soon after, a gift from a friend made it possible for us to leave our station for some weeks of rest and spiritual fellowship at the coast. *While there we received a letter from an old friend in Norway. She mentioned the exact day and time, when she was constrained to pray. As she asked the Lord for guidance, she*

heard a definite: "Pray for the Rudolph's in China!" *Under a heavy burden of prayer she seemed to hear the weak cry of a baby, and prayed earnestly for our child. Finally, when the burden lifted, she got up and wrote her letter, which concluded: "Did anything special happen to you at the time mentioned? I would like very much to know."*

*There was a difference of 8 hours between the lifting of our friend's burden and the healing of our child. Eight hours — that is the difference between the local time in China and in Norway!*

\* \* \* \* \*

I may add that "the baby" is married now and lives with her family in Dallas, Texas.

## TVH PRAYER SERVICE

Acts 19:11-12—"And God wrought special miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them."

**WE ARE asking all our associates to daily pray with us for these requests. Also we are asking our readers to form a great prayer circle!**

**Two things we ask each one to pray for daily:**

**First, for these many requests that come to us.**

**Second, for world-wide revival!**

### WHEN MAKING YOUR PRAYER REQUESTS, REMEMBER THE FOLLOWING:

1. When sending in your request, you must be willing to serve God with all your heart, and believe God with us for your deliverance.
2. State your need simply and not at too great length, so a lot of time will not be required to read it.
3. Send us a handkerchief or cloth in your letter, and enclose a stamped self-addressed envelope.
4. Your handkerchief will be prayed over according to Acts 19:11-12, as quoted above.
5. When you receive your healing, be sure to write us and tell us about your deliverance.
6. This service will be entirely free, although free-will offerings will be accepted to defray expenses of this department.

## FRACTURED ARM, HIP HEALED THROUGH ANOINTED CLOTH

DEAR TVH Editors:

I thank you for praying for me and for the anointed cloth.

THE LORD HAS HEALED ME! My hip and arm were fractured, but they are now completely well. I can walk one and one-half miles to my mail box now, without any pain in my hip whatever.

I thank our Lord for this, and all of the dear brothers and sisters in Christ, who prayed for me.

I enjoy THE VOICE OF HEALING very much!

## BRONCHIAL TROUBLE GOES AS PRAYER CLOTH APPLIED

DEAR TVH Editors:

I praise the Lord for healing my baby of bronchial trouble, after I applied your anointed cloth to his ear.

He was in much pain and was running a high temperature but, within a few hours, after I applied the cloth and prayed for him, all the fever and pain left him, and he has had no trouble since.

I thank you for your prayers, and for the anointed cloth. I enjoy reading your magazine, THE VOICE OF HEALING.

May God bless you all!

## ~ Evangelizing With The Natives ~

**A**FTER LABORING in the ripened harvest fields of the world during the past five years, seeing first-hand the alarming challenge of the heathen masses everywhere dying without Christ, *we have been compelled by the Spirit and by Christ's love for those lost in darkness, to work intensely in spreading forth the challenge and sounding the alarm for immediate world-wide evangelization!*

### CHRIST SAID—"GO YE, TEACH ALL NATIONS!"

When Jesus left His disciples, nearly two thousand years ago now, He gave them but one task; namely, world evangelization. I can imagine Him saying to them: *"I am going to leave you for a long time. While I am absent, I want you to do just one thing! Give this Gospel of Mine to the entire world! See that every nation, tongue, and tribe hears about it, at least once!"*

Those were His instructions: *"Go ye into all the world," "Go ye therefore and teach all nations;"* but what has the church done during the years He has been absent? Have we carried out His orders? Have we obeyed Him?

As a matter of fact, *we have done everything else except the one and only thing He told us to do!* Jesus never told us to build colleges, universities, seminaries, hospitals, asylums, homes for the aged, churches, organize Sunday Schools, youth rallies, conventions, and camp meetings, but we have done it. And we ought to have done it, for it is all good, but the one and only thing that He did tell us to do, is the one thing only that we have left undone. *We have not given His Gospel to the entire world! We have not carried out His orders!*

### OVER ONE THOUSAND TRIBES WITHOUT GOSPEL WITNESS!

Of 2,974 major languages presently spoken in the world, 1,789 have not a single portion of God's Word. *There are over 1,000 tribes today without a Gospel witness!* Why is this? *Because Christ's last orders have not yet been obeyed!* Though nearly 2,000 years have passed, the Church has, up to the present time, failed to carry out Christ's Great Commission!

What would a man say who had called a plumber to fix his water taps, if he should come home and find him painting the side of his house? Could the man satisfy him by stating that he thought

Evangelist T. L. Osborn

the house needed painting? Of course not. Orders must be obeyed!

### JESUS CHRIST WANTS TO RETURN!

More than 1900 years ago the Lord Jesus Christ ascended to His Father's Throne and sat down on His right hand. But He has a Throne of His own, the Throne of His Father David, and He is the legal successor. Whoever heard of a king, who had a throne of his own, who would be satisfied to occupy another king's throne?

Christ wants to return! He longs to reign! It is His right! Then why does He wait? *He is waiting for you and me to complete the task! He is waiting for us to do what He has told us to do!* Many a time He must say to Himself, as He sits there, *"How long, I wonder, are they going to keep me waiting? When will they let me come back? How soon can I return to earth to sit on my Throne and reign?"*

### THIS GOSPEL MUST BE PREACHED TO ALL NATIONS!

But He has declared, *"This Gospel of the Kingdom shall be preached in all the world for a witness unto all nations; and THEN shall the end come."* *"The Gospel must FIRST be published among all nations!"* This work has not yet been accomplished. These orders have not yet been carried out. *The most important work of the church, then, is the evangelization of the world! This is Her supreme task! Emotion is no substitute for action. Every believer MUST either go or send a substitute! The heathen MUST hear the Gospel—everyone of them! Why should anyone hear the Gospel twice before everyone has heard it at least once?*

This then is the challenge! This is not routine missionary activity. This is not

theoretical propagation. This is not building compounds and hiring a staff of servants. This is not establishing creeds and proselyting members. *This is world-evangelization! This is carrying out Christ's orders!* This is doing what He commissioned the Church to do. All hands must arise to the task!

### WE PLAN TO TRAIN NATIVE WORKERS!

For the past five years we have carried the Gospel in eleven different countries to as many thousands of heathen souls as we could possibly reach, but we have not been able to do enough. Although we shall continue to do our part both at home and abroad, we have come to realize that missionaries alone, can never accomplish this task. Missionaries are needed to train native workers, but *the real task of world-evangelization rests almost entirely in the hands of the natives!*

Native evangelists are accustomed to their own native foods and ways of living. They have their language at their command. They expect no furloughs and little or no conveniences on the field. They are accustomed to primitive means of transportation and living accommodations. They are perfectly at home in their native manners and customs and, therefore, do not cause offence so often caused by foreigners. Besides all of this, *they are citizens of their own countries so that when, in present world conditions, foreign missionaries are refused entrance into a country, while others are being deported, the native can continue preaching!* Many countries have closed their doors almost completely to missionaries. Other doors are closing rapidly. But *the natives can remain to carry on the task of the evangelization of their own country if they are assisted.*

### WE MUST SUPPORT NATIVE WORKERS!

It is for this purpose that we are pledging our efforts, during our Missionary and Healing Campaigns at home, to the raising of funds for the purpose of *"Evangelizing with the natives."* We have viewed first-hand hundreds of natives, pastors and evangelists, who cannot give their full time to the ministry, because they have to work to provide a meager existence for their families. *If they could have a very small regular assistance, they would sacrifice and work untiringly to*

win their native countrymen, with far more effectiveness than the foreign missionary, who requires four or five times as much support, on the foreign field.

#### ASSOCIATION FORMED TO RAISE AND DISTRIBUTE FUNDS!

In order to meet a portion of this alarming challenge, we have formed the "ASSOCIATION FOR NATIVE EVANGELISM," a cooperative Full Gospel Association, established for the sole purpose of raising and distributing funds for the assistance of proven, recommended and capable native evangelists and preachers, to get them into full-time ministry, who, otherwise, would not be able to give their full time to the work of spreading the Gospel. *This assistance will be granted through the Foreign Missionary Departments of the Full Gospel organizations, and only for such time as shall be necessary for each native helped to develop a self-supporting ministry!*

The "ASSOCIATION FOR NATIVE EVANGELISM" is not an organization! It has no constitution and by-

laws. But, to assure the careful and accurate handling of funds, it is established under a Board of consecrated Full Gospel ministers and laymen whose character and reputable influence in their respective fields create unquestionable confidence that this World-Evangelistic En-

terprise operates in careful accordance with its chartered purposes.

#### PLAN OF SYSTEMATIC GIVING ADVANCED!

Thousands of people are seeing the blessings and benefits of giving in a systematic way for this native crusade. Those who attend the Osborn Missionary and Healing Conventions are being informed about this far-reaching ministry and are learning a plan whereby even those who live on a very limited budget can do much to help support these native preachers, and that is by giving systematically.

#### EVERYONE MAY SHARE IN THIS BLESSING!

We are all agreed that the world must be evangelized. We realize that *some will have to go, others pray, and still others give.* It doesn't matter which part is ours so long as we have a part, and we are sure we are doing what God wants us to do. If you cannot go yourself, you will have to send a substitute, because *each individual has a responsibility in the evangelization of the world!* "The Gospel MUST first be published among all nations!"

Pray for this Holy Ghost inspired Crusade; of "Evangelizing with the natives," and thus help BRING BACK OUR KING!

#### HAVE YOU BOUND THE HANDS OF CHRIST?

The following Words of Prophecy were given recently by the Holy Spirit, through an evangelist with a deliverance ministry, as he entered the pulpit:

"And I heard His voice speaking unto me, and He said to me, 'Son of man, look upon Me!

"I looked upon Him and I saw Him walk the aisles of this church. As he walked the aisles of this church, I said to Him, 'Why do you hold Your hands behind you?' and He turned that I might see. I then saw that His hands were bound, and I said, 'Oh Lord! who bound thine hands?'

"And He said, 'My friends in this house have bound my hands, because they have not done their duty, neither have they watched nor prayed; they have sat idly by and whiled their time away, but the hour is late and the day is short.

"Will you not tell them to loose My hands? Will you not tell them to loose Me that I may work in them and through them that the will of the Father shall be accomplished in their life, and the Spirit of God shall be magnified among them?'"

At this point, the evangelist fell prostrate on the floor, under the power of the Spirit of God.

# ARE THE DAYS OF MIRACLES OVER?

The following testimonies of healings—documented—prove that they are not!

## 1. TEETH ENAMEL RESTORED—Adolf Strof, Jr. (Evangelist W. V. Grant)

### Statement from Parents:

Our 4½ year old boy has never had any solid upper teeth, caused from malnutrition, as we have just come from Germany. The gums were pushed back all across, and his teeth were black.

We attended the Grant Deliverance Revival in Bethel Temple in Seattle, Washington, and had him prayed for; my wife and I both gave ourselves to God. I was delivered from cigarettes.

The next day the old black tartar came off his teeth. New white has been coming in very rapidly. We went back and showed the congregation within one week what God had done.

We, mother and father, were converted, one was a Lutheran and the other a Catholic.

Signed: Adolf Strof  
Seattle, Washington

### Statement from Physician:

#### TO WHOM IT MAY CONCERN:

I examined Adolph Strof, Jr., 4½ years old, on the first of April, 1952, and found his physical condition to be as follows:

He was undernourished, and the bone construction was under-developed and lacking in calcium, the necessary material for the formation of healthy teeth. All of his teeth at the time of examination were soft, black, and rotten. The child had but recently been brought to America from Germany, where it was impossible at that time to secure the proper food.

On the sixteenth of April, 1952, he was prayed for by Rev. W. V. Grant, who was holding a healing campaign at Bethel Temple in Seattle. On the nineteenth of the same month, after another examination, I FOUND THAT ALL THE TEETH WERE COVERED WITH A NEW ENAMEL, PERFECTLY WHITE AND NORMAL IN EVERY RESPECT!

Signed: W. L. Martin, San. Physician

Subscribed and sworn to before me this 28th day of April, 1952.

My commission expires December 6, 1954.  
C. H. CASE, Notary Public in and for the  
STATE OF WASHINGTON.

This miraculous testimony of healing was questioned by several people in Malvern, Arkansas, and one Baptist minister wrote Dr. Martin, asking for a confirmation of the healing, to which he made the following reply:

"Dear Reverend \* \* \*:

visions of the laws of the State of Washington.

"I have also given the above mentioned sworn affidavit to the fact that the little 4½ year old boy, Adolf Strof, had the decayed teeth caused by lack of sufficient food in Germany.

"It is also true that I was an infidel and preached for years that there was no God, and could prove it by juggling the true Bible record. It is also true that in 1905 God personally spoke to me. I sought forgiveness of sins and He graciously granted me salvation. Ever since that time I have served, and am serving, a living God, Who not only was present at Reverend Grant's meeting here in Seattle; but Who healed the boy, restored his teeth, and gave us an actual manifestation of His divine presence endorsing thereby His promises in the Bible. It is also true that we have many witnesses living right here who can testify to the above mentioned facts.

Yours in His Name,  
Signed: W. L. Martin  
San. Physician."

Statement from Evangelist:  
May 8, 1953

I recently talked with the family of this child, Dr. Martin and others in Seattle, and they told me little Adolph Strof's teeth are still healed, his physical condition is fine and that everyone there is still thrilled over what God has done in his behalf.

## 2. HEALED OF CANCER—Florence Roberts (Evangelist Louise Nankivell)

DEAR SISTER NANKIVELL:

I thank the Lord for healing me of cancer during the revival you held for

us in San Francisco, California. This was during your meeting at Glad Tidings Temple, January 18 to February 1, 1953.

I had suffered for 27 months from an intestinal cancer. The Precious Lord touched my body while standing by my seat, during that part of your service when you "bind and cast out any and all infirmities of the body" through your prayer and special ministry given you by our Lord Jesus. My healing occurred on the opening night of your meeting!

I praise the Lord that you had sufficient power with God, because of your deeply consecrated walk with Him, to effect this mighty miracle without laying your hands on my body!

That cancer monstrosity actually slipped from my body on the same night I mentioned. Jesus of Nazareth operated, while I slept so deeply that I did not even suffer through it! Oh, Praise His Holy Name, for ever and ever!

Proof of this testimony, and any information desired concerning it, will be sent to anyone on request. (If requesting such information, please send Mrs. Roberts return postage—TVH.)

Mrs. Florence Roberts

San Francisco 2, Calif.

CONFIRMATION—TO EDITOR  
MAY 29, 1953

"I hereby certify that my testimony of "A MIRACLE HEALING FROM CANCER" sent to Sister Louise Nankivell, is true and that it still holds good! I am also sending you my photograph herewith.

I wish to state definitely that a real miracle of God was performed in my body on the night of January 18-19, at 1:05 a.m. I had retired at 12:05 a.m., after our church services, and had been asleep just one hour. When awakened, I discovered the cancer in my bed, on the sheet, together with a mass of spongy matter and much blood, which had passed from my body. The odor, so horrible, was like that of a decayed corpse. It was nauseating.

Jesus truly performed an operation on my body while I slept, and NOW I AM COMPLETELY HEALED! I had lost 23 pounds but have gained that back. I was starved for food. All those twenty-seven months, I could eat only soft food. Now I am eating real beef, lamb, eggs, fruit and vegetables. Oh, truly I can say, LET ALL THE EARTH PRAISE GOD!

# "I MET THE MASTER FACE TO FACE!"

By

*Dr. Albert E. Cliffe*

*The amazing story of an Episcopal Minister who has recently carried the Ministry of Deliverance to a million people—right in his own denomination.*

DR. ALBERT E. CLIFFE, third from left. Others, left to right: E. McEvoy, E. Gregory Adams, Gordon Lindsay, Dr. H. A. M. Whyte and Rev. Alton Hayes.

I AM AN EPISCOPALIAN LAYMAN and, all my life, I had lived very strictly up to the teachings of my church and my Bible. I loved my religion and thought I knew all about God and, being a Bible reader, I thought I knew all the answers to Faith.

## **WAS TOLD I MUST DIE!**

However, as a most successful scientist, for the whole of my life, I got what comes to so many busy business men—stomach ulcers—from which I suffered for thirty-five long years, necessitating many trips to the hospital, because of hemorrhages. Eleven years ago, I had to have two operations in one year, during which two-thirds of my stomach was removed. After weeks of hospitalization, I was sent home to die and was told I had but a month to live, as my blood had lost its power to regenerate itself.

## **I LEARNED HOW TO PRAY**

I prayed daily that God would heal me, if it was HIS will—then, through a book I read, I realized that GOD WILLS ALWAYS TO HEAL—but NEVER if we ask HIM if it is HIS will, for JESUS NEVER ONCE SAID THAT, in HIS great healing work. He said it was THE FATHER WITHIN (through the Holy Spirit) WHO HEALED! I then learned how to pray—POSITIVELY—believing that I was receiving! I thanked GOD every fifteen minutes for HAVING BEGUN MY HEALING! It was the PRAYER OF FAITH!

## **HEALED AND CONVERTED**

No change came to me for over three weeks, then I awakened one day COMPLETELY WITHOUT PAIN—I WAS HEALED!

I have now had eleven years of perfect health—not even a cold! Gone, too, is my hay fever, from which I also suf-

fered for years! Gone is my ulcer trouble! Gone is my sinus trouble! What a proof of God's healing power and grace!

The following Sunday after I was healed, I tuned in my radio to an evangelist preaching—a Baptist—and was converted that very day! Before that, I would not listen to such "rot," as I wrongly termed such teachings. I was so filled with self-righteousness. I had to let that go to have His blessings and healing! That day, I MET THE MASTER—FACE TO FACE! I then knew what it meant to be truly saved from sin—and sickness too!

## **STUDIED GOD'S WORD—BEGAN TEACHING BIBLE CLASS**

I began studying the Word of God, taking courses of instruction by correspondence. After five years I began, in my own Episcopal church, a Bible class with twenty-four (24) people which, in three months, went to over one thousand, where it has remained ever since!

During the past year, I have lectured all over North America, to over one million people in Orthodox churches, where the subject of Spiritual healing is unknown. I have seen over fifteen thousand conversions and over nine thousand healings from incurable conditions alone!

I know that NO HEALING can take place without A COMPLETE SURRENDER TO JESUS CHRIST! Without knowing what the SHED BLOOD of my SAVIOUR means in the propitiation of our sins!

I did not have to give up the things that were wrong in my life, after my conversion—THEY LEFT ME! What joy it is to live today—having found that THE KINGDOM OF HEAVEN IS WITHIN ME! (Luke 17:21). I love Jesus, as I never loved Him before!

## **"I KNEW ABOUT" GOD BEFORE—NOW I "KNOW" HIM!**

You see, before my healing, I knew all about GOD, but I DID NOT KNOW GOD in a personal way and now I talk to HIM every hour of my life! Never a day, in the past six years, have I lived without having God send someone my way who needed help. Never a day that I have not seen a healing from sin and sickness take place.

Stomach ulcers are never caused from the things you eat—they come from what is eating you, your secret sins, your resentments, your criticisms—of others! All food, made by God, is good for everyone. No allergy will ever come to you—while you are truly LIVING WITH GOD, according to HIS LAWS!

Now, I know what JESUS meant when He said in St. John 10:10—

"... I am come that they might have life, and that they might have it more abundantly."

**GOD'S ABUNDANCE IS YOURS!**  
GOD'S UNLIMITED ABUNDANCE is yours, for the proving of GOD—when you make that complete surrender of body and soul and spirit—TO HIM!

God wants to use you, my friend, as you read this—to bring about HIS KINGDOM! Are you, therefore, willing to take stock of yourself now—to see what has been preventing your healing—what has been withholding His goodness from you? Will you now turn that over to GOD? Let go your fears—your worries—your anxieties! LET GOD TAKE HOLD OF YOUR LIFE and YOU WILL GAIN not only "life more abundantly" on earth, but—what is far more important—YOU WILL GAIN LIFE IN HEAVEN—FOR ALL ETERNITY!

## "In My Name They Shall Cast Out Devils!"

(Mark 16:17)

**WE APPRECIATE** this most interesting article from Rev. White. The Editor had opportunity to see how God is blessing his work in Toronto. We realize that some of the subjects considered in this article are controversial, yet we believe that this message will be very inspirational and will encourage other pastors to launch out into a ministry of dominion over evil forces.—EDITOR

**I** WAS GLORIOUSLY SAVED and filled with the Holy Spirit in England in 1939. The assembly which I joined believed in and practiced the gifts of the Holy Spirit, and the Word flowed in tongues, interpretation, and prophecy; thus I was soon shown that a Full Gospel Church should consist of the movements of the Spirit in a supernatural way.

I yearned greatly for the power of the Spirit, realizing the terrible suffering of humanity, and God put within my heart a great desire to be used of Him, not only for the salvation of souls, but for the healing of sick bodies. Of course, we prayed for the sick in those days, but we knew little about the authority that a member of the Body of Christ possesses over Satan. Later, I entered into full-time service for the Lord, and came to Toronto to establish our work there.

### "THEY SHALL CAST OUT DEVILS IN MY NAME!"

God has a time for everything and for everyone, if we are willing. I heard of demons being cast out, but had never seen it happen. God began opening up scriptures to me, showing me that there was a *much deeper ministry* than laying hands on the sick and anointing with oil. Some, like epileptics, did not get healed. Why? I asked myself. I saw in the great commission of Jesus in Mark 16:17-18 that the *very first* of the five signs that should follow the preaching of God's true Word was "In MY Name (i. e. Jesus) shall they cast out devils."

The *fifth* sign was that believers should lay hands on the sick and they would recover. Was this order intentional? I suspected it was. It seemed that there was a field of deliverance hardly touched upon, even by many practicing the ministry of healing.

Rev. H. A. Maxwell Whyte

When Jesus entered the temple after his forty days of fasting, the very first being that greeted him, *knowing His identity*, was a demon! This unclean spirit spoke! He said "Let us alone; what have we to do with Thee, Thou Jesus of Nazareth?" (Mark 1:24.) This also proved there was more than one demon inhabiting this poor man. *Although the Jews did not recognize the Son of God, the devils did!* They still do, and we have been fooled too often! Jesus cast out the demons, and they came out crying with a loud voice.

We think of the spirit of divination in the young girl in Acts 16:16-18. This demon cried out, using the girl's vocal organs, and said, "These men are the servants of the Most High God, which show unto us the way of salvation!" Many would applaud such "discernment" as being of the Holy Ghost. The Apostles discerned by the gift of "discerning of spirits" that this was a demon, and after many days cast it out.

Jesus coupled the ministry of healing the sick and casting out demons together. (Matt. 4:24; Mark 1:34.) The Evangelist Philip, who would have been among THE VOICE OF HEALING men today, also healed the sick and cast out devils in the Mighty Name of Jesus.

### BOLDNESS IS NECESSARY—STAND ON GOD'S PROMISE!

The devil then tried to put me off. He told me that demons were terribly dangerous, and ought to be left alone. However, I read in the Word of God that Jesus had given me power to tread on serpents and scorpions, and over ALL THE POWER OF THE ENEMY; and that nothing by any means would hurt me." (Luke 10:19.) The latter part of this promise greatly comforted me.

*"God led me into a deeper ministry—that of casting out devils, 'in the Name of Jesus!'"*

I have since learned that demons do not obey a person who is afraid. (Acts 19:15.) In casting them out, it is necessary to go in with the boldness of a lion, utterly refusing to recognize any right of a demon to be in a person's body, commanding him ruthlessly to come out, in the Name of Jesus, and refusing to take "no" for an answer. This process of ruthless command must be kept up, if necessary for hours, until every demon is cast out. *It is exhausting, and is not for the weak and sickly among the flock!*

### CONVERTED ROMAN CATHOLIC DELIVERED!

We had, in our church in Toronto, a converted Roman Catholic. He had received the baptism of the Holy Spirit as evidenced by speaking in other tongues. He suffered terribly from asthma, which he had had since a child, and had not been able to work until the age of 26, and then he spent all his money on doctors with no relief. He had been prayed for, but was not healed. The Spirit moved on me one day, and I enquired if he would permit me to carry out an experiment on him; being a humble brother, he readily agreed.

My wife and I thereupon took him down into our basement to try the experiment of casting out of demons. We had never done it before, but we were willing to try anything in Jesus Name to bring relief to suffering humanity! We felt the best way to begin was to start singing choruses like "There is power in the Blood," and other Blood choruses. I had been educated to look upon the Blood of Jesus as a weapon against which Satan could not stand, if sprinkled against him! This we did in simple faith. Then I gave the command, "come out in the Name of Jesus."

Immediately the devils started to cause our brother to groan and bend nearly double, then the first came out with a vomiting explosion, and his nose started to stream with mucus. Realizing the possibility that there might be more than one demon, I again commanded and again the same experience: this process went on for one hour and a half. The evil spirits of infirmity had been lodging in our brother's breathing tubes for 40 years, and were now pouring out of him with spittings, coughings, writhings, and vomitings, some coming out with loud noises of cryings and groanings.

At the end of 1½ hours, I was very tired, but our brother was even more tired. We had cast out hundreds of evil spirits of infirmity. He then stood up, breathed deeply, and said with joy, "Praise the Lord, I can now breathe properly for the first time in my life!" THE LORD HAD COMPLETELY DELIV.

**GREAT SUNDAY NIGHT SERVICE** in Collegiate Auditorium—Toronto, Ont., Canada, during the recent HAYES-LINDSAY Divine Healing Campaign.

## Toronto Pastor Commends HAYES-LINDSAY Divine Healing Meetings!

**"Amazing Manifestation of the Spirit and Power"**

*By Rev. H. A. Maxwell Whyte, Pastor  
United Apostolic Faith Church  
Toronto, Ontario, Canada*

**AS A LOCAL CHURCH**, God has given to us the ministry of Divine Deliverance and other gifts of the Holy Spirit; therefore, when we originally heard of **THE VOICE OF HEALING** and its policy of the essential unity of the Body of Christ, and the need to work and pray that the Nine Gifts of the Holy Spirit would be operating in every local assembly, we were thrilled and threw in our support for this policy. We have had continuous revival since 1948 with people being healed, delivered from demon possession, filled with the Holy Spirit, and receiving the gifts of tongues, interpretation and prophecy to a remarkable degree.

Several **VOICE OF HEALING** Evangelists have visited us and given us excellent ministries, but all previous experiences have been eclipsed by the visit of Gordon Lindsay and Alton Hayes. We started in our church auditorium before Brother Lindsay arrived (he had been delayed), and the church was full the first night with extra chairs in place; so, after a similar experience on the second night, we moved into a High School Auditorium which progressively filled up more and more each night as miracles of healings took place under the humble ministry of Alton Hayes. On the last night there were 1200 present in the auditorium and, on Sunday afternoon at a combined church rally which was held in Evangelistic Center, the Pentecostal Holiness Church, there were 1600 people present. Rev. James Taylor graciously opened his church for this rally. Throughout the rallies, Rev. William Oliver of the West End Tabernacle (Pentecostal Assemblies of Canada) co-operated fully.

Our people have been well taught on

the ministry of the supernatural; therefore, faith was high at the outset for the amazing demonstration of the Spirit and power that was manifested through our young brother Alton Hayes. The combination of the gifts of "the Word of Knowledge," "the Word of Wisdom," "Faith," "Discerning of Spirits," and "Prophecy," coupled with spontaneous outbursts of tongues praising God, was wonderful and very infectious. Tongues, with interpretation, and prophecy, were used in the meetings by the Holy Spirit to greatly encourage faith among the crowds.

Brother Hayes told each one in the long prayer lines the nature of their ailments, and prayed for them. We believe the percentage of those healed must have been very high, because faith was high. All felt this!

One sister in our church was told that she had a two pound tumor, of which she was quite unaware. The next day she passed it from her body. Another sister was told she had a cancer in her stomach, and was dying on her feet. The next day she passed dead matter from her body. My wife was told that she had pains at the base of her back, and had had them for six months; which was true, for she had carried those dull pains since the birth of our last child. Although Brother Hayes was staying with us, he did not know of this, except as given him by the Holy Spirit. The Lord instantly healed the pains. Cases like these could be multiplied.

The healing lines were the longest we have ever seen in any campaign in Toronto. Literally hundreds were prayed for on the last four nights. It is quite clear that when the nine gifts of the Spirit work in unison through the Body of Christ, "the Gift of Faith" is high, and it is then that such large crowds come forward for the prayer of faith.

Brother Hayes was told by the Spirit, that two of the co-operating pastors had had their prayers answered who had been seeking God for knowledge how to go deeper with Him. One of these brethren

broke down and told the audience that this was true, and explained the situation.

Some of my own church people were in the prayer line and, as I knew about them, it was amazing to see the accuracy of "the Word of Knowledge," operating in the Spirit, telling of their troubles, some of which were known to me. That God healed them, there is no doubt. Many were called out in the audience, told the nature of their ailments, and instantly delivered by the power of God.

On Sunday, Gordon Lindsay explained the difference between "the Gifts of Healing" and "the Gift of Miracles." All, he said, have some faith for healing, but not all have faith for miracles. We need to learn to be patient and let God heal us according to the measure of our faith. So many let go and backslide in their healing, because the devil still gives them symptoms after they have been healed. Such need to learn to "resist the devil and he will flee from them!"

### **BACK INJURY DISCERNED—HEALED!**

**ON THE THIRD NIGHT** of our recent campaign with Bro. Alton Hayes, I

received a wonderful healing from the Lord. Bro. Hayes was praying for the sick, when he suddenly swung round saying that the Lord had shown him that someone on the platform behind him had a need.

He pointed to me and told me that I had been suffering from a soreness in my back, just at the base of the spine, for some months. This was perfectly true, and was known only to myself, my husband and the Lord.

Bro. Hayes commanded me to stand up and take the healing. In view of the marvelous way the Lord had revealed this trouble to Bro. Hayes, it was easy for faith to arise, and my healing was instantaneous. This trouble that I had had for seven months, ever since the birth of our last child, has not bothered me for one moment since that night! Glory to God!

## *Signs and Miracles Accompany, as CLIFTON ER*

*"I Was Paralyzed — Now I Can Walk!"*

**DEAR BROTHER ERICKSON**

Since 1948, I have suffered a series of heart attacks. On the 17th of March (1953) I had a stroke and cerebral hemorrhage, which rendered me an invalid. My right side was paralyzed, my right eye was blinded and I was left with a speech impediment!

On March 25, 1953, when you prayed for me, as I lay on my cot in your tent cathedral, the power of God immediately filled

my body and I WAS ABLE TO RISE FROM MY COT AND WALK!

Saturday, May 2, 1953, I again went to the doctor for a check-up and he confirmed the fact (which I already knew), by electrocardiogram, that my heart is better now than it has been in years. I am also now able to see out of my right eye! Each day I walk better!

*"Entire Families Accepted Christ as Saviour!"*

By Rev. Ralph E. Price, Pastor  
First Assembly of God, Port Arthur, Texas

**T**HE BEAUTIFUL new tent Cathedral of Evangelist Clifton Erickson was erected in the City Park, in the heart of Port Arthur, Texas, and the great Salvation-Divine Healing Revival began Sunday afternoon, April 12, "in demonstration of the Spirit and of power;" and continued for three weeks in what Port Arthurians declare to be the greatest Revival ever witnessed in this area.

Night after night the great tent was filled and the power of the Lord was mightily present to save, heal and baptize the people. As the result of the anointed preaching of God's word, and the mighty conviction of the Holy Spirit, hundreds answered the altar calls. Scores came almost every night. A most remarkable thing about those coming to be saved was that many of them received the Baptism of the Spirit, with the initial evidence of speaking in tongues as the Spirit gave the utterance, before leaving the prayer room.

As Brother Erickson began to minister to the sick and afflicted, God mightily confirmed His Word and signs and miracles followed. A young woman (who is a mem-

ber of our church) had a soft spot in her skull, which her mother and other members of the family confirmed was evident since birth. As Brother Erickson prayed, God performed a miracle and her head was made perfectly normal. Several ministers, who were present, confirmed this miracle as they felt of her head. A few nights later, she again came in the prayer line and was instantly healed of weak eyes. As a result she doesn't have to wear glasses now, even though she does strenuous office work.

A man, with whom I am acquainted, was carried into the tent suffering from a stroke which left one side of his body completely paralyzed. As he lay on his cot, Brother Erickson perceived faith

was in his heart to receive his healing and, after a moment of instruction and prayer, commanded him to arise and walk in the Name of Jesus. Instantly,

the Power of God went through his body and he arose and walked—witnessed by a capacity crowd—then returned night after night to give glory to God for his deliverance! (Picture printed on Page 16.)

Space will not permit mentioning all that God has wrought in this meeting. I could well sum it up by saying God has healed the people of most every sickness, infirmity or affliction known to man, during this great revival. Entire families have come to receive Christ as their personal Saviour! Before the Revival closed, we received 29 new members into the fellowship of our church and more are being received this week. Sunday night following the close of the meeting, Brother Erickson passed through our city and preached to a capacity crowd in our church. Seeing the urgent need for more room he raised \$2,400.00 in cash and pledges for our building fund, for which we are grateful.

Several pastors and their congregations cooperated in this great revival. Each one expressed appreciation for the wonderful way in which the Lord met the needs of the people. On the closing day of the meeting we had a union water baptismal service which was mightily blessed of the Lord!

On the closing night of the meeting the entire congregation voiced their appreciation and extended a unanimous call to Brother and Sister Erickson to return soon for another glorious campaign.

## "He Preaches a Dynamic Message of Salvation"

**THE ERICKSON EVANGELISTIC PARTY** came to Mobile, Alabama, for the first tent meeting under the new tent.

Though it was a little early for tent meetings, we had a grand campaign. Brother Erickson preaches a dynamic message of salvation and scores came forward, knelt and wept their way through to Christ. His stressing the Baptism of the Holy Spirit made many people hungry and a great number received that glorious experience.

I had the privilege of praying with a medical doctor, in the prayer room, for the Baptism of the Holy Spirit. He also went into the healing line to be healed by the power of God. He brought about a dozen carloads, from a long distance, to be prayed for. He testified later that most of them were really healed.

One Methodist man, after seeking the Baptism, stated that every muscle, nerve cell, and fiber of his being seemed to be crying out the praises of God.

Several people told me they had seen more visible on-the-spot miracles in this campaign than they had seen anywhere. Night after night, people praised God and testified to healings of all kinds and, as some of them are members of my church, I know their healings were permanent.

We look forward to reaping continued benefits from this great campaign.

THE CROWDED War Memorial Building in Trenton, New Jersey, gives a vivid picture of the success of EVANGELIST ERICKSON'S campaign held there. Over 400 were saved and many were healed from various diseases and infirmities. Fourteen denominations were represented among those who signed cards stating they had been healed. Miracles of healing were evidenced at every service!

**MANSFIELD, OHIO, SCENE OF  
OUTSTANDING MIRACLES**

*By Rev. Wm. J. Willard, Pastor

**"THE GREATEST MEETING** in the history of our church" is one way to tell the readers of THE VOICE OF HEALING magazine of the ministry of Reverend Roy Hill and Reverend Herb Bradshaw. Capacity crowds filled our auditorium nightly, and God's power was mightily manifested in the ministry of these two consecrated men of faith.

**HERNIA MIRACULOUSLY HEALED**

**I HAD SECURED** a new job in Toledo, Ohio, requiring that I take a physical examination; during which the Company Doctor told me I had a hernia. This caused me to lose my job.

I had been attending the Hill-Bradshaw Revival Campaign and, the night after the doctor told me of my condition, the Lord revealed through Brother Roy Hill exactly what the doctor had told me!

Brother Hill pointed me out in the audience and told me what the Lord revealed to him, and asked if it was true. Oh, Praise the Lord, I WAS HEALED!

When I sought employment elsewhere, I had to take another physical examination. That time the examining doctor found nothing wrong with me! Thank the Lord!

knowledge, prophecy and discerning of spirits, by the power of the Holy Spirit, was certainly something that this area had never witnessed before! The minute accuracy of what the Lord revealed to Brother Hill in each case was amazing. As person after person was either called out from the audience and told of his or her affliction, or as they passed by him in the healing line. Being the pastor, I am well acquainted with the various afflictions and physical needs of my flock. To see them come before Brother Hill and have their every symptom described and analyzed, as revealed to him by the Lord, was astounding indeed.

Needless to say, the unusual ministry of this evangelistic team brought hundreds of strangers into our church! Many of them were called out and healed the first night they attended service. Many stayed to seek God, as their personal Saviour! Yes, I believe that one of the divine proofs this is a God-given ministry, is the fact that so many people sought the Lord for salvation during the meetings!

Many of the saints said, "I'll never be the same, after attending these services." Certainly there are greater things ahead for all of us!

If space permitted, we could give a hundred or more written testimonies of healing from this meeting. However, we will re-count a few of the outstanding ones we recall:

*There were nearly a dozen people who had been suffering from stomach ulcers, whom Brother Hill told to go home and*

The wonderful clarity of the expository Bible preaching, done by Brother Herb Bradshaw, was an effective preliminary to the exercising by Brother Roy Hill of the gift of discerning people's afflictions and diseases.

*eat something greasy, especially a fried egg—that God had healed them! The next night they returned to tell how God had undertaken for them! One man ate a whole pork chop before going to bed, something he never could do previously, and he felt no ill effects from it. Later he was x-rayed and the doctors found no trace whatever of his ulcers!*

Several people took off glasses, who had worn them for years! Their eyes were definitely healed.

One lady testified that she had suffered for two years from a pressure in her head, but it left immediately during the meeting, healed through faith in the power of God!

Numbers, suffering from heart conditions, were healed. Many who were delivered from anemia, testified to new life and strength. Several were healed of sinus trouble, stomach disorders, nervousness, and rheumatism.

*Truly, we can say that people were delivered from practically everything in the catalog of diseases, during these three glorious weeks of meeting!*

We sincerely and highly recommend the Hill-Bradshaw party to any pastor reading this article, who wants a real team in your church for revival, that will leave you lasting results!

**BURST EAR-DRUM  
INSTANTLY HEALED!**

**I HAD A BURST EAR-DRUM,** from which I had suffered much excruciating pain.

During the great Hill-Bradshaw Salvation Divine healing Campaign conducted in Mansfield, Ohio, Brother Roy Hill prayed for me, and **GOD INSTANTLY HEALED ME!**

I can now hear perfectly out of that ear! Thank God!

## As A. A. ALLEN MINISTERS

**"I SAW 1,800 PEOPLE FIND CHRIST AS SAVIOUR!"**

*Says Rev. E. L. Mason,  
A Sponsoring Pastor*

**W**HILE I WAS SERVING my last term as a missionary in Liberia, someone sent me a subscription to **THE VOICE OF HEALING**. This was my first introduction to the magazine, and to the great move of God which was beginning to sweep over the world.

My first impression, as I began to read, was that these great reports seemed almost incredible—yet, as we passed the magazine from missionary to missionary, we all with one accord rejoiced that God was really pouring out His Spirit in the United States in such a mighty way, and prayed that God would visit our field with such an outpouring of His Spirit.

In August, 1951, I was sent home as a special representative for our field, Liberia. I served the Missions Department of the Assemblies of God in this capacity for nine months, after which I accepted the pastorate of the Lamar Assembly of God in Beaumont, Texas.

As I traveled the length and breadth of the United States, I heard many things, both good and bad, about the great healing campaigns over the nation. One of the most controversial subjects among the brethren was receiving the baptism of the Holy Ghost by the laying on of hands. Although my first Pentecostal Pastor believed and practiced the laying on of hands for people to receive the Holy Ghost; yet, in my own ministry, I had accepted the more general practice of calling upon my converts to tarry for the

baptism of the Holy Ghost. Nevertheless, I determined to pray and keep an open mind in regard to this ministry of laying on of hands.

Today, my doubts and fears are completely gone!

Saturday night, May 9, 1953, was HOLY GHOST NIGHT under the big tent in the Allen Revival in Beaumont. How the power of God swept over the congregation! As I sat there on the platform, with the other pastors of the area, I prayed earnestly that God would do something real for me, as well as baptize the people.

Then Brother Allen called for us to stand with him as the line was called for

those who desired the baptism. What a hungry crowd literally ran down the aisles—at least three hundred people, reaching out for the promise of God. I saw many of my own church members in the line. The very first man in the line was filled gloriously—and from then on it was Heaven on earth! People began receiving the Holy Ghost all along the line—many before they ever got to Brother Allen. I saw over 250 people receive the Holy Ghost, many of them the very instant Brother Allen's hands touched them. One could not stand in the presence of God in a meeting like this and not be convinced!

As I praised God through my tears, I saw the husband of one of our staunchest members coming toward the ramp with his hands raised. All his life—sixty three years—he had been a Roman Catholic. Only three days before, he had given his heart to God in his home. Now there he stood! I couldn't stay in my place! I followed him through the line, praying, "Lord, let him have it now!" Just as Brother Allen touched him, God REALLY LET HIM HAVE IT ALRIGHT! He began to speak in tongues as the Spirit gave utterance. He was so drunk on the "new wine," he completely forgot where he was. Today, the fruits of the Spirit are already apparent in his life. He has laid down his tobacco, is paying his tithes and, in every way, OUR SISTER HAS A NEW HUSBAND!

Yes, without the shadow of a doubt the Allen Revival is the greatest revival that has ever come to Beaumont. I have personally seen over 1,800 people come down the aisles, get on their knees and accept the Lord as saviour. This number does not include healing lines, Holy Ghost lines, nor consecration services, but sinners who answered the call for SALVATION! Truly this is Beaumont's time of visitation, and Brother A. A. Allen is God's man for this hour!

### GOD INSTANTLY STRAIGHTENED BABY'S FEET AND LEGS

**M**Y LITTLE DAUGHTER, two years old, had never been able to walk without falling down because, from birth, her feet and legs were deformed and crooked. The doctor said the only way her limbs could be helped would be to break them and put them in a cast, then let them grow back straight.

However, I took her to the A. A. Allen revival in Beaumont, Texas, and Brother Allen prayed for her. *Instantly, God straightened her feet and legs, so that she could walk immediately!* Praise God, she is perfectly

healed!

By

HERMANN ZAISS

**THE MINISTRY OF DELIVERANCE** has great effect in the Lowland countries under the preaching of **HERMANN A. ZAISS**, Manufacturer-Evangelist of Wuppertal, Germany.

**RECENT ACCOUNTS** of the outstanding miracles, signs and wonders accompanying his ministry are indeed thrilling and inspiring!—EDITOR

[Abridged rendition of the first portion of the evangelical message given by Hermann Zaiiss in Leeuwarden, Holland.—Translated by David Birnie, 4884 Navarro St., Los Angeles 32, Calif.]

I STAND BEFORE YOU TONIGHT, at the end of my evangelizing journey through your beautiful country. I have tried to serve my Blessed Lord and Saviour. Whether I have succeeded everywhere, I do not know. However, it was my ardent desire, and the innermost longing of my heart. Mighty gatherings lie behind us, in which it has been given us to reach thousands. But God never counts! God does not pay attention to quantity; He seeks quality only. It is a pity that people have become estranged from this realization—the knowledge that the heart of man is of divine quality. The head, the intellect have been taken as the measure of all things. As if a human brain could take the measure of God! Whosoever wants to fathom God with his intellect, wants to have a God the same size as he is himself. But a God, Who is not greater than I am myself, cannot help me.

## GOD WANTS YOUR HEART

I believe that I have made it clear, in these few sentences, that we must return to the heart. That's why God does not say: "My son, give Me your head, your ingenuity," but "My son, give Me your heart! And let My ways be pleasant to thine eyes!"

With our heart we can come straight to God. God laughs at our intellect. All heavenly things have their resembling counterparts on earth. Parents, what do you love most in your children? Their heads or their hearts? Every mother longs to possess the heart of her child. So also does God long for the hearts of men. But the man, who learns to follow after God, learns during the first hour of divine instruction that he must also possess the heart of God.

EVANGELIST HERMANN ZAISS (right) is shown with his interpreter, preaching the glorious gospel of Christ. When crowds taxed the largest buildings available, additional buildings were wired by telephone to permit overflow crowds to hear the messages.

## NICODEMUS SOUGHT CHRIST

I shall speak tonight about a man who was gifted with an extraordinarily clear intellect—Nicodemus. He is described for us in the third chapter of the Gospel of John.

There sits a leader of the Israel people, facing Jesus during the night. Two men rich in intellect! Jesus Christ respects Nicodemus. "Thou art a teacher of Israel!" He was a man who was able to command people's respect, and compel them to follow him. To the Christian world he is often represented as a cowardly figure. People often speak of a "Nicodemus-character," the character of one who came to Jesus under the cover of night: not having the courage to come to Jesus in the light of day. I consider this explanation as radically wrong. He was the most courageous man one can imagine. But, because he was a man of intelligence, he chose a time when he was convinced he could speak with Jesus quietly. He knew that Jesus Christ was surrounded by thousands all day long, and that the multitude crowded around Him. After all, he could not push the people aside, and so clear a road for himself to Jesus. However, he desired to get to Jesus, for he was a courageous figure. He did not ask his friends for their opinion. He did not consult his colleagues at the University of Jerusalem! How do I know this? When Jesus had bowed His head and had given up the ghost, when Peter as well as John and all the others had fled, it was Nicodemus who, together with Joseph of Arimathea, took the crucified and lifeless body of Jesus from the cross and anointed it. Nicodemus demonstrated to all Jerusalem that he had chosen the side of Jesus Christ. The dead Christ, to him, was of more value than the living priests of Jerusalem!

He wanted to see Jesus and speak to Him himself. They told him that Jesus had turned water into wine. Everyone was much upset about that! The wholesale dealers in wine envisioned the lowering of all their prices. If Jesus were to

make a daily practice of this, nobody would drink water anymore; everybody would possess the best of wine, and the wine trade would cease to exist.

## EVERY THOUGHT IS RECORDED IN HEAVEN

Jesus Christ is a very dangerous Person! He knows all thoughts from afar. Yours, too! And He will tell you one day what kind of thoughts He has found in your mind. Beware of Jesus! Not a word will fall on earth for which you will not have to give account. Not a thought which will not be recorded in heaven. One day, this bill will be presented to you, before the face of Jesus. I can imagine that it will be as it is written in the Book of Revelation when John saw the angel. "Then I fell at His feet as if dead!" So it was with Ezekiel, and with others who have seen an angel. But, sometime in our life, we shall meet the Lord of the angels. It will be terrible if we have not experienced the third chapter of John. We shall cry out: "Mountains fall upon us, and hills cover us."

## NICODEMUS WAS A MAN OF LOGIC

Nicodemus sat facing the Lord Jesus Christ. He was a man of logic. I like people who can think logically. Nicodemus was a courteous man. He was an educated man. He came to Jesus during the night with a compliment. "Rabbi, WE KNOW! WE KNOW thou art a teacher come from God! And the proof of it is this: no man can do these miracles that thou doest, except God be with him."

Tonight we, too, will digest in our hearts this rule. A man who does miracles, comes from God. Nobody can do them unless God is with him! That is very important!

It was very important for Nicodemus to know that Jesus Christ was sent from God. And it was very important to Jesus that Nicodemus knew: "Unless a man be born again."

## "YE MUST BE BORN AGAIN!"

To be born again means, according to the original text, to be born from above! And when a man does not know that he is born from above, though he be a Doctor of Theology, he will not see the Kingdom of God.

I want to speak to your heart. It will not be asked in heaven whether my preaching was "logical" or not; or whether my message fits into an accepted groove. *The joy of one angel in heaven is worth more to me than the judgment of*

men who may or may not consider my words logical.

What then does it mean to be "*born again*?"

If I have an automobile, and if so be it has to be renewed, that's just about what Jesus Christ said to Nicodemus.

Perhaps someone will remark, "How can you compare an automobile with a man?" Now the word automobile means "self-mover," but an automobile is not a self-mover. It will ride only when it is filled with gasoline, and when it has a driver behind the wheel—but *you are* such a "self-mover," an "auto-mobile." You move yourself. You were born one day in

a very natural manner, and received natural life. If you live with your natural life here on earth then you will perish on the day your life is closed, regardless of whether you are a Professor of Theology in Jerusalem or not. The noblest, finest, most aesthetic life will not help you. Not I, but Jesus, says: "*You must be born again.*" That means bankruptcy in all fields of human life. It does not matter who we may be, we are totally bankrupt. We can conquer the highest position in this world, but we can never see the Kingdom of God, with the natural life. That is why it is of such great importance that we be brought face to face with the Words of Jesus. Last night I said to a woman in Groningen: "*Have you been born again?*" And she answered: "How do you mean that?"

How often people have asked me: "But how then can that be?" Every man has to test his life by the question asked of Nicodemus, and by the answer he gave. Nicodemus asks: "How can these things be?"

### JESUS CHRIST GIVES THE ANSWER!

The Lord Jesus Christ, the Mouth of God, gives the answer, and I hope from the bottom of my heart that every one of us can give the answer. "Except a man be born of water and of the Spirit, he cannot enter into the Kingdom of God."

HAVE YOU READ—  
MEN WHO HEARD  
FROM HEAVEN?  
(See Page 31)

The first Adam was flesh. The second Adam is the Lord from Heaven, a life giving Spirit. The first man is the natural man, from the natural birth. The second man is from above, through the new birth. I know the Word of God, and I am convinced that those who doubt me now, will look much more serious shortly, when facing God. Do you suppose these are vain words in Holy Writ: "The Lord shall preserve thy going out and thy coming in . . ." It does not say thy going in and thy going out. You are born into this world out of water, and that is your going out. But the natural birth of man is not enough: We must be born *anew*—"from above." As the Lord Jesus says: "Of the Spirit." God is Spirit and whosoever worships Him must worship Him in Spirit and in truth. In Heaven we must be "Spirit" and, if we have experienced the *second* birth, then THAT is the birth "*of the Spirit!*"

### EVERYONE WANTS TO GO TO HEAVEN!

I have asked thousands of people, "*Are you born again?*" I am shocked that in Holland, too, no better answer is often received than, "I hope so!" Picture this thing for yourself in a very realistic way. We, my brother translator and I, are not standing here; but it is the Lord

(Continued on Page 24)

## Selected Statements by Evangelist Zaiss!

Why am I standing here? Thousands of others are better than I. I am a sinner—a special sort of sinner. I know that my sins are washed through the Blood of Jesus Christ. And nothing can prevail against that Blood. Nothing on earth and nothing in Heaven. If we are washed in the Blood of Jesus, we are clean in soul and body. The body, too! "For He has borne our diseases and carried our sicknesses." Now if we believe the first, the report of our salvation, then why not believe the second? The smaller one! That God takes upon Himself our diseases?

Can you burn water with a match? Elijah could do it. And to heal the sick is much easier than to burn water! God is calling for strong figures. The world belongs to men and women of courage. With weaklings God will not do anything. Elisha was a prophet of God. Would that every community had prophets, for they are the ones who carry God's tidings.

It is a great honor for me to be permitted to give a testimony here, too, of my Lord and Saviour. I love Jesus Christ fanatically. I live with Him in that first love, as the Lord lives with men in first love. And yet, people do not return that love.

Expect nothing from me. Do not believe in Zaiss, but in Jesus Christ only. It is more important that a man be saved than that he be healed of his sickness. Health is secondary, faith comes first!

Jesus Christ is risen! He is living in this hall, too. It is my heart-felt desire that each and everyone of my listeners experience Christ today. That is much more important than that sick people be healed. The soul, first, must be healed, and then Christ does the other thing.

I am not come to make bones straight, to make the blind to see and

the deaf to hear. It is better to enter the Kingdom of God a cripple than to go to hell a healthy person. If any one came here because of a desire for the sensational, I wish that he may experience the greatest sensation of his life, and that is that he meets Jesus.

The only drawback, in the many things that have been written about this campaign, is the fact that my name has been mentioned in them. Herman Zaiss is nothing. God could not have found a worse person for this work, but He took me. I cannot heal any sick people. I am no doctor. I only believe what is in the Bible. And that, you can do too! It isn't I whom you need. Whoever believes on Him, can be healed in soul and body both!

You are millionaires, if you will sit down at heaven's banquet. But you, who spread the Gospel, are you doing it from a theological book, or with the power of the angels? If you think as I do, Amsterdam will be converted, and there will come paradise, instead of the existing spiritual neediness.

As a German, I can speak here only because I have come to know Jesus Christ as the Son of the living God. I hope that I may be able, in some measure, to repair along these spiritual lines, what my people have perpetrated on the Dutch people. For Christ there are no boundaries, no boundaries of disease either. If the heart chooses Him, belongs to Him, then we have, alongside eternal life, the greatest imaginable possibility to become healthy! Christ came to destroy the works of the devil, that is to say, everything which is not of God. The body is the temple of the Holy Spirit, and the Holy Spirit wants to make that temple whole and sound. All these things are in the Bible. (III John 2)

# *The Necessary Vision*

*By Evangelist J. B. Oaks*

**H**OW WISE was the prophet of old who penned these inspired words, "Where there is no vision, the people perish." In keeping a vision before men, God has pressed forth His plan to all generations gone by. By catching the vision today, we, too, shall see God's perfect plan wrought in our midst. But it takes the vision inspired by the Spirit of God. If we fail to catch the vision, we shall perish.

## **VISION OF OLD TESTAMENT SAINTS**

If Enoch had had no vision, there would have been no walk with God. It took a vision for Noah to build the ark. Had there been no vision, Moses could never have seen the Red Sea open, or Canaan's land come into view. Isaiah beheld the vision of a wounded Saviour and Redeemer. Daniel's vision was so clear that it stood stronger than hungry lions in the den. Yet we might feel justified in placing the Old Testament vision in the realm of days gone by; leaving ourselves with no foresight from God. However, there is another vision we must consider, lest we perish in our need.

## **EZEKIEL'S VISION**

Ezekiel 37:1-10 tells of a man "carried out in the Spirit" to see with eyes he had not seen with before. Ezekiel's vision of the valley of dry bones has been one greatly misunderstood. It has been misused as a rod to chasten people of today who are believed to be dead and very dry. The truth of the matter is that Ezekiel

had no furious, wrath filled, spirit as he preached to the bones.

What must have been his thoughts as he walked up and down the valley amidst the bones? He was in communion with God. He had deep heartfelt compassion. When he looked upon the bones, he saw more than something to storm against. He saw lives that had fallen, people that had been wounded, and many that had thirsted and cried in desperate need. Each stack of bones represented to him souls; souls that had been in a valley of despair. It had taken the Spirit to open his eyes to such a vision. Never before had he seen as he now saw. Had it not been for his spiritual vision he would have staggered under the question of God. "Son of man, can these bones live?" But again, he shows his dependence upon the supernatural as he answered, "Oh Lord, thou knowest!"

## **THERE IS NO FRUIT—WITHOUT SPIRITUAL VISION!**

The possibility of the valley of dry bones coming to life is a laughing stock for those who have no spiritual vision. What jesting and mockery is handed toward an Ezekiel of any age who dares to preach to the valley of dry bones. Yet if Ezekiel's message could bear no fruit in that day, neither could the preaching of the Word bear fruit in this day.

When the "dry bones preacher" delivered his discourse from heaven, a mighty rustling took place and the bones began

to move. No doubt Ezekiel's fervor began to rise as he saw the broken members of shattered lives begin to knit themselves together. As bone began to move to bone, he beheld that which had been destroyed, and witnessed a restoration. Lives were taking new form. The broken were being mended, and God was weaving together again the shattered fragments of His chosen people.

Following the reunion of the bones, the sinews were laid upon them. The sinews were to make the bones react, and to bring feeling. Along with the sinews came the flesh to mark fatness and health. Covering the flesh was to be the skin which was the outer protection. Last, and most important of all, was to come breath that would show the very essence of life. This breath was to bring power in order that the restored bones and the accumulated flesh might be able to rise, and, not only rise, but march as a mighty army.

## **THROUGH RENEWED VISION—A SPIRITUAL ARMY IS RAISED**

While we recognize the raising of the dry bones to be the restoration of Israel, we also recognize that the Church today is spiritual Israel. With a spiritual vision equal to that of Ezekiel's, we are able to look into the valleys of human life and behold again that many have fallen, many are afflicted, and many are dying in need. Again the Spirit of God seems to question our modern hearts, "Is there hope that

these also shall live? Is there hope that out of an age of apostasy and great falling away, there shall be a raising up and reviving?" And again we must answer with Ezekiel, "Oh Lord, thou knowest." If we, like Ezekiel, are ready to lean upon the arms of God and follow His Word, without faltering, we shall again see the bringing together of the broken, the healing of the wounded, and the raising of a great spiritual army.

What marvelous grace we have beheld in display before our very eyes to see the Hand of God move amid the many broken lives, restoring lost souls and putting back together the broken fragments of lives that have been strewn by the roadside. When sin takes its toll and leaves lives scattered and dispersed like the bones in the valley, it is only the Hand of God that can gather the broken pieces and weave a life back to happiness. The bone structure of a worthwhile life is basically composed of purity, peace, honesty, and virtue. But, alas, sin will scatter these amid the dust and rubble of a tempest tossed world. The same hand that moved upon Ezekiel's boneyard is still moving to bring together the lost elements for happy lives today. It takes the nail-scarred hand of our redeeming Christ to gather together a life, broken by sin, and knit back bone to bone purity, peace, honesty, and virtue. But more than just gathering the broken pieces is done by our Lord after the basic structure is set in order. He lays upon the believer the sinews that cause men to have sensitive feeling and responsive reactions to the Spirit. The sinews cause us to feel the presence of God. They cause us to react to the moving of the Spirit and the preaching of the Word. They make us sensitive to Divine Presence and cause a ready response. He further adds the spiritual fatness to feed the hungry inner man and robes with the fullness of His power.

But, in addition to the mighty work of the Spirit of God to restore lost souls, there is also a mighty move amid God's people for a restoration of things that have been lost in the battle of the ages. Many of God's people must honestly confess that they once possessed certain attributes of a strong spiritual life. But piece by piece, or bone by bone, they have been sacrificed along the way.

#### PRAYER MUST BE RESTORED

The Spirit is seeking to restore again to our ranks PRAYER. This powerful in-

strument of spiritual warfare has, in all too many cases, become stale and lifeless. We have been tricked into believing that we do not have time to entertain this stalwart member of the church. But, as the Spirit opens our eyes, we see that this bone is moving into place for the advancing believer. Hear the modern Ezekiel cry, "Oh, you that have been wounded in the valley, let prayer be restored."

#### TESTIMONY MUST BE RESTORED

TESTIMONY, the most effective means of spreading the gospel yet to be used by Christianity, has been sacrificed. The fastest growing Church ever organized grew by leaps and bounds, because its entire membership became "witnesses in Jerusalem, Judea, Samaria and the uttermost parts of the earth." Throughout every community, to all we come in contact with, let our testimony ring out for Jesus. Amid the battle, if testimony has been lost, let it now be restored to its proper place, as the Spirit inspires our hearts.

#### FORGIVENESS MUST BE RESTORED

FORGIVENESS may have been lost in the battle, when a hurt was inflicted and a wound resulted, but God would have come to each of us again the kind of understanding that forgiveness brings, that we might bear one another's burdens and shortcomings.

#### LOVE MUST PREVAIL!

The restoration of LOVE for lost souls and the JOY that we will share in seeing others born into the Kingdom are other bones that will move into place. Upon these bones shall God place spiritual sinews that will cause us to feel His nearness and respond with our praise and our labor of love.

#### GOD IMPARTS LIFE AND POWER THROUGH HIS SPIRIT

Last comes that, most important of all, the breath of life and power! God in the beginning breathed upon man and he became a living soul. The breath of God's Spirit upon men in our age again imparts life and power from on high. Ezekiel was admonished to prophesy to the four winds and; out of the winds that blew, came the very Breath of God that raised those up, who had been slain, to be a mighty army. It is significant to note, on the day of Pentecost when they were all with one mind and one accord, that again the Breath of God came upon them out of the rushing mighty wind. In this dispensation

of the Holy Spirit, we are privileged to enjoy the winds that bring the Breath of God fresh to our souls.

#### THE HOLY SPIRIT GIVES POWER TO WITNESS

The mighty Baptism of the Holy Spirit raised the initial one hundred and twenty followers of Christ up to be a marching army that went everywhere, witnessing the power of God. This was in the beginning of our present dispensation. It was a glorious send off to the church age. Their efforts were most fruitful as signs and wonders marked their preaching and believing. But we are living in the closing hours of the church age, when unbelief has wounded many and left them lame in the valley. Now comes the Spirit of God afresh in our lives, that His Church might be raised up as a mighty army, to stand, to march, and to go into all the world preaching the gospel. Nor need we think that we are sent forth in this day any less qualified than the first Pentecostal followers. As Ezekiel prophesied to the four winds; from the north, the south, the east, and the west, he found the Breath of God to be present from any direction and for every need. Let your hearts take confidence anew in the Lord. From the north, south, east, and west, we still have strength from the Holy Spirit. We shall find that not one need shall arise from any direction nor from any origin that God, by His Spirit, will not supply for us.

#### "THE BRIDE" IS MAKING HERSELF READY

Though we live in the last days of this age when principalities and powers of darkness are making their last and most desperate stand, from every direction, The Lord God Omnipotent reigneth and, by His Spirit, we are marching to victory. As certain as we are living in the last days, God is sending His Spirit to refresh The Bride, and to raise up the final Christian followers as a mighty Spirit-filled marching army. The trumpet call for spiritual service is being sounded. God's people are marching on to victory. Everyone hasn't fallen away. All are not backslidden. The faithful believers are advancing! The bones have come together. The Word has put flesh upon us. The Holy Spirit's breath has raised us up that we might join the victorious march of this exceeding great army that soon will assemble for a grand dress parade before the throne in Heaven!

## UNLESS A MAN BE BORN AGAIN!

Sermon by Rev. Hermann Zaiss

(Continued from Page 21)

Jesus Christ Who is standing here. And He tells us what is written here, "You must be born again!" Isn't this a most serious matter? Doesn't each and every one of us want to go to heaven? Doesn't everybody want to experience the glory of God and enter into eternal bliss?

If we want to travel by train from LEEUWARDEN to GRONINGEN, and we just go to the railway station and simply get into the train, the conductor will come along pretty soon and say, "Friend, don't you know there are rules and regulations?"

When we are on our way to the throne of God and the Lord Jesus Christ. Himself, tells us that we "must be born again," the very first question each and every one of us must ask is: "How can I do that?" I cannot understand the folks who do not answer this question the Saviour puts to us.

Thou man, who desires to go to heaven, you must be born again! That's what the Lord Jesus, Who came from heaven and knows how you have to get there, says! We may show our distaste for these words, but there is no other way for you to go to heaven, or else Jesus would have lied. And He says, "I am the Truth." What an infinite responsibility that places on all of us. Men and women, we must be born out of the Spirit. The flesh can be of no use.

### THE "SPIRIT" IS THE MARK OF ALL CHRISTIANS

The Spirit is the mark of all Christians. "As many as are led of the Spirit, they are children of God." Whoever is not led of God's Spirit is not a child of God. You cannot be born of the Spirit, born again, through rosary prayers, through fasting, through baptizing, or through anything else. Forty years ago the Roman Catholic church traveled through the African colonies with a road sprinkler wagon in order to make Christians

by means of "mass baptism." Never shall we get to heaven that way. Only through "seeing" and "entering," can we reach heaven. That is the road Jesus shows us!

### "WHOSOEVER BELIEVETH IN HIM ... HATH EVERLASTING LIFE"

The sixteenth verse of this chapter is the Gospel within the Gospel. "For God so loved the world." GOD loved. It does not say anything there of the love of MEN! GOD gave His only begotten Son. It does not say there that MEN gave! "That whosoever believeth in Him should not perish but have everlasting life!"

I said once in a meeting at OHLIGS: "If, by crawling from here to SOLINGEN on your knees, you would receive eternal life, who would not crawl along with you?" Everybody was willing. But there was a crippled person present. He shouted: "Then I won't go to heaven for I haven't any knees!" Therefore we cannot meet this condition.

My second question was: "If you could get to Heaven for 500 marks, who would want to go to Heaven?" Everybody raised his hand. I then asked, "Who hasn't got 500 marks?" Countless ones raised their hands and cried: "Then we won't get to Heaven!" Then I said: "For 5 marks?" Suddenly a widow began to cry. She was a refugee from Eastern Germany. She did not possess five marks!

### "ONLY BELIEVE!"

Only believe! Everybody can do that! Nothing to pay! Nothing to give back! No taxation! Nothing! Nothing! God gave and whosoever believes that God gave His only-begotten Son shall not perish!

What does that mean—"to perish" I will tell you. . . . God has a place for every human being. We ourselves have a place for all objects: at home, in our shop, in our place of business. There is nothing worse than something which is not in its place. How many are there here who have not carried on sometime, because something was not in its place?

Picture it for yourself: out there in eternity you are missing! You are not in your place! You are lost! And your name

is not written in the Book of Life! The name of poor Lazarus is mentioned. But what was the name of the rich man? His name is removed out of the Book of Life.

Whosoever believes is not lost but shall have eternal life. God says that. And the only condition tied up with it is that of believing. If there should be a murderer in this building and believes tonight that Jesus Christ is the risen Son of God, then he possesses with this belief "eternal life." Jesus accepts sinners! We cannot offer anything but our *believing Him!*

It is not hard at all to believe. It has been given to me thousands of times that if folks, who were going through life dejected, with their heads bowed, and to whom I spoke the word of God which breaks the hardest hearts like a hammer, suddenly understood that, they could be saved by the Lord Jesus Christ!

### "THE BLOOD OF CHRIST CLEANSSES FROM ALL SIN!"

"Sirs, what must I do to be saved?" So the keeper of the prison at Philippi cried and Paul answered: "Believe on the Lord Jesus Christ and thou shalt be saved." How glorious it is to believe. A fool can do that, a wise man can do that, a businessman, a jurist, a street-sweeper. All of them can believe. He who believes is not a street-sweeper any more, but a child of God. And the king who believes is not a king anymore, but a brother in Christ! For the Blood of Jesus Christ cleanses the one as much as the other.

I meet working men, too, but in my business the believers say to me: "Brother Zaiss!" and I say, "Brother Zimmerman!" or "Sister Elsie!" We are Brothers! When manufacturers come to me to buy or to sell, they often ask me, "Why, is that your brother?" I say, "Yes, a favorite brother, I shall live with him in Heaven! I think he'll be my boss there."

Children of God, there exists no more beautiful title than that of brother and sister in Christ. Cleansed by the Blood of Jesus, and filled with the Holy Spirit! God bless you! Amen.

## "IN MY NAME THEY SHALL CAST OUT DEVILS!"

By Rev. H. A. Maxwell Whyte

(Continued from Page 14)

Within two days, another brother telephoned me. He had not heard of this amazing deliverance from congenital asthma. He knew nothing of what had transpired. Only the Lord, my wife and I knew that. This man said, "Brother Whyte, if you can't do something for me, I am going to commit suicide." There was a note of genuine urgency in his voice. I replied, "Brother, please do not misunderstand me or be afraid; I believe you are demon possessed!" He said he did not mind hearing this, as he was desperate, but what could I do? Remembering the experiences of two nights before, I told him we could cast them out. I was ready to try anything in the Name of Jesus.

This man came round to our home, and my wife and I took him and his wife down into the basement. We sat him in a chair and again sang some Blood choruses. I plead the Blood strongly against the evil powers and then gave a loud command in Jesus Name for the demons to come out. *I was startled at the reaction!* Instantly this man literally shot one foot into the air off his seat, and came down again. The demons then began to come out, crying with a loud voice. Again the terrible flow of mucous; we soaked up dozens of handkerchiefs. Again and again we commanded those terrible suicide demons to come out, and they responded each time, taking from a few seconds to 15 minutes to obey.

### DEMONS TALK—REBEL!

We fought them ruthlessly, using the Blood of Jesus and the Name of Jesus! They poured out of him; finally, they started to rebel and refused to leave his body.

They were TALKING DEMONS! I had heard about them, but never thought I would hold converse with evil spirits. However, God was showing me much of the kingdom of darkness. When commanded to come out, they said, "No, shurrup," and insulted the Name of the Lord. It occurred to me that, if they spoke, they could tell me how many more demons were in the body. Then the thought came that "the devil is a liar from the beginning," so what was the use of asking the devil to speak the truth.

The Holy Spirit then showed me that, if I believed the Name of Jesus to be all-powerful, even a demon would have to tell the truth, if commanded to do so in Jesus Name. After one hour of fighting those suicide demons, and having cast out dozens and dozens, I spoke to them, saying, "Tell me how many more demons are left in that body?" They replied, "No, we won't, shurrup." I insisted, and fur-

ther commanded them, but *they continued to rebel and told me to be quiet!* I refused, and bluntly commanded them, in Jesus Name, to tell the truth; then, to my astonishment, *the demon said as clearly as you can imagine, "twenty."* I marked them down, as each one came out with loud vomitings. After five more had come out, I asked again? And, again, the demons refused to tell but, ultimately by pressure, they did tell, "fifteen." I marked down five more, and again asked: again came the same performance and, again, the demon said "ten." This was repeated at five. When we came down to the last one, I felt we would have a wonderful confirmation.

The last "King Demon" refused to tell but, again, he was forced to admit there were none left after him, and we fought him for twenty minutes. He then came out with a tremendous vomit. *Our poor brother then threw back his head and spoke gloriously in other tongues! HE WAS DELIVERED! He was happy!*

He went home and asked the Lord to give him the "gift of prophecy," as a sign that he was really delivered. The very next Sunday, around the communion table, he yielded to the Lord and gave forth a beautiful prophetic message, lasting five minutes! *The Lord had saved him from being destroyed by demons! He is alive, and well, and delivered today—five years later!*

"DEMON POSSESSION TODAY"

Use the Blood of Jesus positively in this ministry, for it is written, *"they overcame him (Satan) WITH the Blood of the Lamb and the Word of their testimony."* (Rev. 12:11.)

### SATAN OPPOSED THIS MINISTRY— SOUGHT TO KILL US!

Now, Satan did not like what God was showing us. It was making roads into his kingdom of darkness and bondage. The Spirit through us was setting his captives free. *Satan decided to frighten us. It is well to hang on to that promise of Luke 10:19, "and nothing shall by any means hurt you."*

*One morning about 3:00 a.m. I was awakened by a most dreadful feeling. It felt as if the very last ounce of breath was being squeezed out of my body. I could hardly breathe; I was being smothered. I felt my time had come and felt no great distress that I might soon be with the Lord. Then it occurred to me that this was not sickness, but demon oppression of a strong type, trying to kill me! I cried, "The Blood, the Blood," and the demon left me, leaving me quiet and calm, breathing evenly!*

I went into a deep sleep and awoke fresh in the morning to tell my wife of my amazing experience. She pondered it and praised God with me for my deliverance. I had delivered others, but now I had delivered myself, not from possession, but from oppression. (Acts 10:38.)

*The very next night, at the same time,*

*my wife had an IDENTICAL EXPERIENCE; she got the victory again by pleading the Blood of Jesus against it! We now wondered whether we would be the object of constant attacks of demon powers, as a reward for being bold in faith. However we went on and, from that day to this (five years of ministry), we have never been attacked again!*

The devil tried his best, but when he saw the Blood of Jesus as our protection, HE FLED! I think I understand what the Apostle James meant when he said, *"resist the devil and he will flee from you."* Be sure, however, to resist him with spiritual weapons, the Word of God, the Blood of the Lamb, all prayer and much praise! He will flee every time!

### SOME DEMONS LEAVE WITHOUT OUTWARD MANIFESTATION!

We could tell how we delivered epilepsy cases in Vancouver, B. C.; Toronto, Ontario; and Bristol, England, but time and space will not permit.

To deliver these cases of epilepsy is not a matter of anointing with oil, and praying the prayer of faith, it is a matter of positively commanding these fearful spirits to come out! They do so, but you may have to fight them hard; sometimes for 15 minutes, before they will stir! *They come out spitting, vomiting, and nearly choking the sufferer.*

However, in some cases, demons leave without any outward manifestation at all! They just seem to vaporize away, leaving the patient with a tremendous sense of relief!

Some have said it is like an invisible hand, drawing something out by the roots from the very depths of their being. How wonderful is the power of the Name of Jesus!

### GIFT OF "DISCERNING OF SPIRITS" MUST ACCOMPANY THIS MINISTRY!

After these experiences, we were taught by the Holy Spirit always to command Satan to loose, and to leave, when praying for the sick. *The gift of "discerning of spirits" has to accompany this ministry!* Some discern sickness in a body, as does Brother Alton Hayes, but others discern the types and nature of demons possessing and binding bodies. Anaemia and extreme weakness has been found to be the work of spirits of infirmity and, after they are cast out, the sufferer gradually gains strength, even though it may take some years for a full recovery.

It is hoped that these few experiences, which could be greatly multiplied, will be a blessing to many. I would like to urge those who wish to enter into this ministry to be prepared to fight hard, with rugged determination, that the Body of Christ, of which we form a part, will not be defeated by Satan's worst types of demons, *"For we wrestle not against flesh and blood, but against wicked spirits (spiritual wickedness) in heavenly (high) places."* (Eph. 6:12.) Jesus has given us the victory. We anticipate that the time element will be greatly speeded up, as the power of the Holy Spirit is increased, in this final revival of deliverance before Jesus comes!

#### THE PHONY PEACE OF 1938

Chamberlain said, "It is peace in our time." Photograph to the left shows him standing with Daladier, Hitler and Mussolini, at a conference in which he believed Hitler's promise of peace.

THE BATTLE OF BRITAIN—One year later Hitler struck! German planes began saturation bombing. The Editor of TVH visited near this spot last year in London, where thirty acres of the center of London lays totally destroyed—still un-rebuilt!

# IS IT PEACE OR IS IT WAR?

By  
*Gordon Lindsay*

IN RECENT WEEKS the world has been stirred by the possibility of peace in Korea. Is this hope based on facts? Is there a chance that our soldier boys will soon be coming home? Or is it another mirage which will turn out to mock the hopes of men? Do the Communists really want peace, or is their holding forth the olive branch merely a blind to conceal sinister plans to bring fresh sorrows upon the human race? If some kind of a truce really came, would it last? What then is the significance of these recent events in the light of prophecy?

We believe that part of this question can be answered with a positiveness that cannot be contradicted. Communism does not want peace short of world domination. Statesmen are, at last, beginning to be convinced of this though, had they considered their Bibles, they would have been forewarned in time to have prevented the ridiculous and tragic mistakes that they have made.

When Communism was coming into power, it promised its own people great things. Once, however, it got into the saddle, it broke its promises and ruthlessly murdered tens of millions of its population in bloody massacres. Only those, who bowed to the iron will of the "Master" in the Kremlin, were allowed to survive.

#### WHAT IS MOSCOW'S RECORD OF PEACE?

When Communism made a treaty with Hitler, it made it under the guise of encouraging world peace but, as soon as Hitler invaded Poland, precipitating World War II, Russia entered also, gobbling her share of the spoils. Then she overran the Baltic states and, still later, invaded Finland.

Russia, later, caught in the storm of the Nazi blitzkrieg, was saved by eighteen billion dollars of lend-lease sent her by the United States. She swore friendship

with America. Within a few months after the war was over and the U. S. had demobilized, Russia calmly broke every promise, and, by intrigue and 5th column agents, overran one European nation after another, finally inciting the Korean War.

Failing to achieve victory in Korea, the Chinese Communists, being in desperate straits, called for a truce. This gave them time to rebuild their defenses. America learned in time that the truce was only a blind. Now, once more, the Communists call for a truce talk. Is it real? America would be naive indeed to believe that their avowed purposes are sincere.

Nevertheless there are possibilities which could develop that may once more confuse the situation and get the peoples of the free world to be deceived by Russia's intentions. For one thing, the Communists may be glad to end the war in Korea, so they can attack elsewhere in

full force, such as in Indo-China. Recent reports indicate that they are attacking in great strength there. With the center of the war theater transferred to Indo-China, America would have to declare a new war in Asia.

But supposing the Communists should go along with United Nations demands, and a semblance of peace comes to the Orient? What then? The Bible clearly tells us that it would be a false peace. Rosh or Russia, will sweep down into the Holy Land sooner or later. This is the clear teaching which Bible students are almost unanimously agreed on, from the prophecies of Ezekiel 38.

#### WHEN THEY SHALL SAY PEACE AND SAFETY

It is interesting to note that our Lord compares the time of the end to the days of Sodom. *"Likewise also as it was in the days of Lot. . . . Even thus shall it be in the day when the Son of man is revealed."* (Luke 17:28-30)

Sodom had gone through a terrible war when Tidal, king of nations, and other kings came down, and took the entire population captive. The people were spared, however, because Abraham, the man of faith, with his men, defeated the invaders, and rescued his nephew, Lot, and, at the same time, liberated the people of Sodom, so they could return to their city. Then followed a period of peace and prosperity. (Ezek. 16:49) The people of Sodom planted and builded, they bought and sold, and had general prosperity. But, it was a false prosperity. Warned by Lot that judgment was coming, his son-in-law looked upon him *"as one that mocked."* (Gen. 19:14) The inhabitants were taken utterly by surprise as Divine judgment fell upon the cities of the plains.

It would certainly be in harmony with revealed prophecy, if a false peace came. It is believed by many Bible scholars, in relation to the prophecies of Dan. 9, that the Beast power of the end time shall make a covenant or treaty which he shall break. In other words, the Beast power will make treaties and promise peace, to gain its end, and then—at an unexpected moment—turn against its trusting neighbors. This is clearly indicated in *Daniel 8:25*. Here the last great Gentile power in existence during this age—for it is the power which will be destroyed by Christ—shall, *"cause craft to prosper"* and *"by peace shall destroy many."*

Let us quote this scripture more fully, as found in *Daniel 8:23-25*—

*"And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.*

*"And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practice, and shall destroy the mighty and the holy people.*

*"And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand."*

If this scripture does not speak of Communism, it certainly comes close to its description. The whole theory of Communism revolves around the supposition that it will secure greater profits for the masses through socialization of industry—thus causing *"craft to prosper."* Communism has gained its foothold by pretending that its slave state economic system will bring wealth for everybody. By *"peace"* the Beast of the end time will destroy many. False overtures of peace have long been the general tactics of the men in the Kremlin. They talk peace for the purpose of lulling the nations into a sense of false security. Actually, the men behind the Iron Curtain have no other goal in mind but world dominion.

#### Have Your Read— "THE WORLD TODAY IN PROPHECY?"

By  
Gordon Lindsay  
(See Page 22)

One of the four horsemen of the Apocalypse rides a red horse. RED IS THE COLOR OF COMMUNISM. The purpose of the red horse is to take peace from the earth (Rev. 6:4)—

*"And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth."*

Not long ago, General MacArthur delivered his soul, in a warning, concerning the fearful menace of Communism. MacArthur, so far as we know, makes no claims of being a prophet; but, being familiar with the situation in the East as few men are, his words of warning should be taken seriously and listened to, in this moment when the prospect of peace is being alluringly dangled before the world by the Communists.

The apostle Paul, speaking of *"the Day of the Lord,"* points out specifically that, in the final days of world crisis, there will arise a cry of *"peace and safety"* just before *"sudden destruction comes upon the world."* I Thessalonians 5:2-4—

*"For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.*

*"For when they shall say, peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.*

*"But ye, brethren, are not in darkness, that that day should overtake you as a thief!"*

Many prophetic scholars have considered Napoleon as a type of the Beast power of the end time. The termination of his career was marked by one of the strangest episodes of history. After bathing Europe in blood for over fifteen years, the Allies threw an iron ring around his armies and compelled his abdication. The European countries gave Napoleon the little principality on Elba and, with that agreement, thought they were through with him. Then followed a fantastic series of events. Napoleon slipped through the guard, landed in France, gathered around him fresh armies, and very nearly gained control of Europe again. After a desperate battle at Waterloo, when thousands more lost their lives, he was defeated. History has a peculiar tendency to repeat itself. The world hopes against hope that her troubles are over, but the shadow of fresh disaster is in the offing.

#### IS THERE THEN NO PEACE?

Thank God, there is, but only when the Prince of Peace comes. Why can there be no permanent peace now? *Isaiah* in chapter 48, verse 22, says, *"There is no peace, saith the Lord, unto the wicked."* Unless America repents, judgment must come upon her, as well as the rest of the world.

Today there are false prophets of peace. One is reminded of Hananiah, the false prophet of peace who lived in the days of Jeremiah, who prophesied that, in two years, the captives in Babylon would be brought back to Jerusalem. The prophet Jeremiah gave forth the true Word of God and told him that, as a result of his false prophecies, he would forfeit his life. *"This year thou shalt die"* (Jer. 28:16). And that year Hananiah died. The nation Judah continued in captivity for seventy years.

Thank God there is peace to those who seek the true peace, which comes from Christ. Repentance and faith in Jesus brings peace to the heart of men. Only He can give that true peace. When Christ rules within the heart of men, then He may indeed rule over the earth. Those who will not have Him rule, shall be taken off the face of the earth. To those who choose to serve Him, there will usher in the glad day of the Millennium—the earth's sabbath rest, when God says, in *Isaiah 66:12*—*"Behold I will extend peace to her like a river, and the glory of the Gentiles like a flowing stream!"*

## KEEPING THE CONVERTS!

DONALD GEE

NOT LONG AGO a church in Glasgow, Scotland, became stirred up about evangelizing its own locality. Under the leadership of a zealous pastor, who was not afraid to try new methods, it succeeded beyond its own expectations, and quite a large addition was made to the regular congregations. But the inside life of the church was so unfamiliar to the new converts that they felt awkward and strange, with the result that gradually they drifted back into the world. It was a disappointing experience that is leading to much heart-searching. We are having many exhortations to pray for Revival. Do we think through far enough to prepare for conserving the results of Revival?

In Ministers' Conferences we talk about "The Problem of Assimilation." It seems rather tragic that we should hear the question asked—"What do you DO with people when you get them into the church?" Perhaps the question is not so acute in America. I am writing from a British angle. But the problem of holding converts won in campaigns and revivals is universal. Much has been said and written on the matter. It occurs to me, at the moment, to look at it from two sides.

**FIRST:** the failure of the Churches. Is it not a fact that many of our local assemblies have become merely religious clubs, often specialists at that, where like-minded people meet to enjoy their mutual interest in their special brand of religion? We like to call it "fellowship"—but fellowship with whom? If we concede that on the highest level there may be nothing wrong in regarding an assembly as a kind of club, yet we must admit that often the concept is not maintained at such a level. We become only a clique. Our own church enshrines for us our own particular denominational ideas of how Christian worship should be conducted. We care

little that our "liberty" may prove another man's bondage. Very often we stress one aspect of truth until it becomes a hobby. There have been Pentecostal churches in plenty where the exercise of spiritual gifts (usually meaning only "tongues" and interpretation) has become the central interest. In other places divine-healing has been so stressed that the church of God has become little more than a local divine-healing clinic or dispensary. In yet others, our own brand of "puritanism," which we like to label "separation," has appeared to be made the all-essential for salvation. In any case, and in all cases, we tend to use our own religious jargon; live in our own little world; and develop our own chosen technique in the conduct of meetings.

Some of this may be inevitable; but surely the way of escape is a tremendous emphasis upon CHRIST. A new convert does feel love for Jesus and a burning desire to learn more about Him, and feels instinctively at home among others who share that love and that desire. The technique of our worship and work may seem strange, and our doctrines difficult to understand but, with Christ as the Center, a new-born soul will soon be assimilated into the "Body" comprised of all others for whom He, too, is their all in all. LOVE will never fail—love for Christ, and love for all others who love Him too.

**SECOND:** the converts. This failure to assimilate may be due to a vital lack in the convert. We ought to honestly face the fact that multitudes who make a decision in mass healing campaigns simply do so because they suppose it to be a necessary part of the ritual or the "treatment." They are not concerned about their sins or their soul, but only their body. Healing apart, there are always many in mass evangelism who are swept by crowd-psychology.

None of these factors need to be too hastily condemned if we keep our eyes wide opened to the truth and refuse foolish intoxication because of crowds. The fact of the crowd provides a grand opportunity for fervent evangelism. But that opportunity must be seized to the fullest extent for the gospel in its purity and power as the Word of God. To be born from above is still a valid and vital spiritual fact of experience. To bring men to a Church is not the same as bringing them to Christ. Only the latter satisfies and holds our converts.

The Bible way, with new converts, is still the most successful, and that is for them swiftly to receive the baptism in the Holy Ghost. Peter and John followed Philip the evangelist at Samaria (Acts. 8) to ensure that this vital part of the gospel was not neglected; Paul had the same concern at Ephesus (Acts. 19) consonant with his personal blessing as a new convert in Damascus (Acts 9).

Not long ago A. C. Valdez, Jr., conducted a successful campaign in Leicester, England. Imagine my joy when I was informed that, more recently, numbers of the new converts had attended the Easter Convention of Assemblies of God in the neighboring city of Coventry, and had there received the baptism in the Holy Spirit in scriptural fashion. Our fears that such converts will cease attending the meetings have dwindled almost to vanishing point. God's way is the best way, and God's way with new believers is to immerse them in the fullness of the Blessed Spirit. Then we do not need to "keep" them, for they are KEPT—"by the power of God."

### WACO DISASTER A SOLEMN WARNING By Rev. A. C. Lane

(Continued from Page 5)

#### UNSAVED AND SAVED ALIKE INSTANTLY KILLED

While many, surely, were living in sin; others were ready to meet Jesus. For instance, there was a pool hall filled with young men. This place of profanity and drinking was always filled, even on Sunday while church services were going on. Some husbands, defiantly, would take

their wife and children by some church and leave them there, while they were amusing themselves in these pool halls, cursing and drinking. At 4:40 p.m. on May 11, it was filled. Within a few seconds, from this place, nineteen young men were called into the presence of their Maker. Others were following business as usual. "How many were ready for this to happen?" one thoughtfully asks now.

Some were ready, praise God! At Faith Tabernacle, on Sunday evening before the tornado struck, Cecil Berry (a Spirit-filled business man who led a prayer

band called Crusaders) stood before his group and said: "Oh! I get so homesick to see Jesus. I am longing to see Him. Would that He would come now!" Perhaps little did he think that the very next day he would be in Paradise with his Lord, whom he was so ready to meet. On Thursday before the tornado came, he left his business long enough to attend the hour of prayer at the church. By his side were two other Spirit-filled saints, his brother-in-law and his wife. These three were crushed in one spot. They

# PROPHECY MARCHES ON!

Howard Rusthoi, internationally known Evangelist, former Army Chaplain, and Prophetic analyst, contributes the "Prophecy Marches On" column regularly in TVH.

## TRAITORS

**P**RESIDENT EISENHOWER set up recently a broad new loyalty program for Federal employees which gives all departments and agencies authority to discharge workers as "security risks." The President's executive order establishes rigid standards under which employees may be fired in the interests of national security.

Attorney General Brownell explained the new program is intended to weed out of the government anyone whose employment is "not clearly consistent with the interests of national security." Before issuing the order, Mr. Eisenhower discussed it with congressional leaders, including chairmen of committees probing Communist infiltration.

The current exposure of Red spies and traitors within the framework of government, industry, labor, education and even religion in this country, Canada, England, France and other countries is certainly alarming. It is no doubt the fulfillment in part of the prophecy in *II Timothy 3:1-4*—

*"This know also, that in the last days perilous times shall come. For men shall be . . . trucebreakers . . . traitors."*

## SPOTLIGHT ON IRAN

The situation in Iran, where the Tudeh (Communist Party) has been entrusted with the major part of the present agitation, is becoming increasingly tense, according to Constantine Brown, noted foreign news analyst. The Kremlin disclaims any involvement in the confusion which exists in Iran today. But, it has been established that all the major outbreaks in that country have been instigated and supported with gold by the Red embassy

in Teheran. This is quite significant in the light of *Ezekiel 38:5*, where "Persia" (Iran) is declared to be under the control of "Gog" (Russia) when the invasion of Israel takes place in the last days.

**NOTE:** A detailed, secret report of trends in the Middle East today, showing what is taking place behind the scenes in Iran, will be mailed free upon request.

## EUROPEAN CONSTITUTIONAL ASSEMBLY

At Strasbourg, France, on March 10th the special European Constitutional Assembly submitted to the foreign ministers of France, Germany, Italy, the Netherlands, Belgium and Luxembourg a completed draft treaty to link these six European states in a political federation. The idea is to join the six signatory states in a "federal or confederal structure." At about the same time Tito's representative signed a "mutual defense pact" with Turkish and Greek representatives in Ankara, Turkey. The agreement links Yugoslavia, Greece and Turkey in a binding military plan of defense. These recent moves in Europe are quite significant as we consider the "ten toes" of Daniel's image which represent 10 European countries that shall be united in an alliance for self-defense in the endtime. See *Daniel 2:41; 7:24*, and *Revelation 17:12*.

## CRIME INCREASING

According to the Uniform Crime Report, issued by the office of J. Edgar Hoover, Director of the FBI, "1952 was

the worst recorded crime year in the nation's history." There was a sharp upturn in violence and increases in every major type of offense. A record-breaking 2,036,510 major crimes were committed last year, showing an 8.2 per cent increase over 1951. The Bible declares in *II Timothy 3:1,13*—"Evil (wicked) men and seducers shall wax worse and worse, in the last days."

## FAMINE IN CHINA

Nationalist China's defense ministry recently reported at least 2 million Chinese are starving to death in the Red China mainland Provinces of Yunnan, Sikiang, Szechwan, Kweichow and Kwantung. Other terrible famines raging in parts of India and other countries seem to be a fulfillment of the prophecy of Jesus, "There shall be famines" in the endtime. *Luke 21:11*.

## ATOMIC OUTLOOK

"For all we know it may be the incomprehensible and the inscrutable will of God to make the 20th Century closing time for the human race," said Thomas E. Murray, atomic energy commissioner, "and mankind now has within the range of his grasp means to exterminate the human race." This statement should carry weight in the light of *II Peter 3:10*—

*"The day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up."*

We've apparently actually come now to the day when this scripture could be fulfilled through nuclear disintegration.

## ITALIAN COMMUNISM DECLINES

The strike called on March 30th by the Communist General Confederation of Italian Labor will go down in history as the beginning of the end of Communist domination of Italy's trade union movement. The Reds no longer run the show—now they have to reckon with democratic labor, according to veteran labor reporters in Rome.

Milk deliveries, gas, lights, telephone, telegraph, mail and other public and private services functioned normally—for the first time in a strike, although the Reds called out all categories of workers. The new, firm attitude of Italian labor is to no longer take orders from Moscow's Italian trade union agents. This agrees with the prophetic forecast for the endtime as Italy will be on the side opposing Russia.

## WACO DISASTER—A. C. Lane

(Continued from Page 28)

were on earth one second, and in the arms of Jesus just a second later. We had a triple funeral for them.

On the morning of the storm, ground was broken for a new Educational Building for Faith Tabernacle Sunday school. It will now be named as a memorial to this man of God, a soul-winning business man.

One could thus go on and on telling incidents of this disaster many of them sad, but a few of them filled with light and hope.

## GREAT DESTRUCTION WROUGHT!

There was a path, generally a mile wide, swept right across the City from one side to the other. It was all over

so quickly that many living in the City did not know about it for an hour or more after it had happened. But those who were in this ill-fated path of ruin and destruction were awakened to the awful nightmare of misery. Hundreds were homeless, other hundreds were jobless, for their jobs had gone with the wind! Hundreds were in the hospitals being treated for varied injuries.

The magnitude of property loss is indeed staggering! Entire business blocks are now level. One six story building, in which twenty-one lost their lives, was flat with the ground. It was not long until rescue crews, with bulldozers and draglines, were busy moving away the debris. All night long one could hear the doleful shrieking whine of ambulances carrying the dead and injured to the hospitals

or to the morgues. This continued for the greater part of a week.

## THIS DISASTER A SOLEMN WARNING!

This all presents a striking picture, no doubt, of what will happen in many places when atomic bombs one day will fall.

I was a chaplain during World War II and was with the army when Manila was taken from the Japs. This destruction in Waco was much like that except that in Manila was more general. There, added to the explosive destruction, was the following destruction by fire.

When we think of all this, one can say—in the words of Jesus: "Be ye therefore ready, for in such an hour as ye think not . . ."

### 3. RAISED FROM DEATH BED—RHEUMATIC FEVER—Gayl Wickham (Evangelist Alton Hayes)

FROM THE GRANTS PASS COURIER  
FRIDAY, FEB. 27, 1953 (CHURCH PAGE)

#### LOCAL GIRL REPORTED CURED THROUGH PRAYER

"The amazing rapid recovery of an eleven-year-old girl from a combination of ailments through mass prayer by members of her family's religious faith, is being claimed by her parents, Mr. and Mrs. Jesse H. Wickham, Box 81B, Murphy Stage Road. "The child, Gayle Wickham, after coping with rheumatic fever for four years, neuritis for three months, and more lately, St. Vitus dance, her parents said, was hospitalized February 3rd.

"Three days later, with Mrs. Owen T. Fanning, 1419 Highway 199, praying at the patient's bedside, and a number of others, by arrangement, praying in their homes at the same time, the child declared that her neuritic pains had disappeared.

"A short time later, a visiting evangelist, Alton L. Hayes of Dallas, Texas, offered prayer at her bedside, and two days later, the child was sufficiently recovered to be released from the hospital.

"The attending physician told the Daily Courier that, following an examination of Gayle yesterday, he was prepared to say that she had shown '100 per cent improvement.'

"The family belongs to the Assembly of God church, which maintains a tabernacle at Oregon and A Streets."

#### Testimony from parents:

OUR LITTLE GIRL is eleven years old. She has been ill the greater part of her life, suffering from allergies and other ailments.

*Four years ago she became ill with rheumatic fever and was placed under a doctor's care.*

She was never able to go to school a full term without being absent so much she could barely pass her grades. Last year she was sick so much she did not pass.

We started her in another school this year, still under the doctor's care, and she seemed to be doing fine, when suddenly her legs began troubling her. *She began dragging her right leg, then had to walk with crutches. At times, she could use neither leg. Her right leg became so sore she could not bear for anyone to touch it. Her right foot then began to draw and the leg would draw backwards until her foot was under her arm. Another spasm of pain would come and her leg would draw forward until it would be over her shoulder. The pain would become so terrific, she would pass out!* We, of course, would then call the doctor. He came and only gave her a sedative and left some for us to give her when she had another spell. The spells then began to come more often, and we were forced to take her to the hospital, for she was more dead than alive.

We were desperate and sought God's help. We called Sister Fanning, a Christian worker we knew to have much success in praying for the sick. She, in turn, called other Christian workers to pray with her for our little girl. When Sister Fanning went to the hospital and prayed for our daughter, the Lord did definitely touch her body, and she began feeling better.

*We were negotiating to get her into the Shrine Hospital in Portland, Oregon, as the doctors said she must have a specialist's care for some time to come!*

Therefore, we were sent to a man who was to make the arrangements for us to take her there. He asked us if we believed in prayer. We told him that we did. *He then told us about Brother Alton Hayes, and said that he would bring him*

to the hospital to pray for Gayl.

We were at the hospital promptly at 2:00 o'clock that day. Brother Pete Fredrickson and Brother Alton Hayes, and his father, came in as promised. *Our little girl was dying by that time. Her eyes were nearly closed and were becoming glazed over, as in death!* My wife shook her several times and called her name but she did not respond.

At that time, *Brother Hayes stepped up to the bed and said, "I want to pray for her now."* He rebuked the devil and commanded him to loose his hold on her, *"in the Name of Jesus."* Praise God, she came back to life with a big yawn and the sweetest smile. *In less than a minute she was sitting up, laughing and talking with us!*

The next evening, before going to the hospital, my wife and I were praying and we made a vow unto God. That was at exactly 6:30 P.M. At that very moment, *Jesus appeared to our little girl and, at first, she was frightened but soon regained her composure and said, "Who are you?" He replied, "I am Jesus. I have come to heal your body. You will have no more hurts nor pains."* He then disappeared.

She felt of her leg, and surprisingly thought, "Can it be?" However, she found no soreness or pain. She kicked it against the bed and still felt no pain.

*The doctor came to see her the next morning and said he could find no symptoms at all! He, therefore, released her from the hospital, so she could go give her testimony at the tabernacle, which she did, giving all the glory to God! She was up until 1 o'clock A.M., without any ill effects.*

She is now walking everywhere, and is perfectly normal again! Praise God!

### THIS IS THE VICTORY

(Bible Studies)

By Evangelist A. S. Teuber

An invaluable source of help for personal workers, Sunday School Workers, and Evangelists.

How would YOU answer these questions?

1. Is the baptism of the Holy Ghost scriptural and for us today?
2. How do we know that divine healing is for the day in which we live, and dare we be sure that it was not only for the Apostles' time?
3. Why do we speak of hell? Does it exist? Where is it?
4. What rules would you give a new convert?

These questions are answered through the scripture, in a truly inspirational fashion, by Evangelist A. S. Teuber!
