Divine Deliverance in the Local Churches

By **THOMAS N. FOSTER**
Pastor, 'National Revival Crusade,
Melbourne, Australia

THE PRESENT WORLD-WIDE MINISTRY of deliverance is not only for the sick and the sinner; it is also for the saint, the pastor and Assembly.

During the past six months I have visited a number of countries throughout the world, including Egypt, Palestine, Italy, Britain, Sweden, Denmark, Germany, Canada, and the U. S. A. In these lands I have met many pastors, laymen and members of all types of Holy Ghost Assemblies. All of them agree that Christians, and even Spirit-filled believers, can be severely oppressed by evil spirits. Many have told me of their experiences in deliverance.

POSSESSION AND OPPRESSION

There is a vital distinction between being possessed by evil spirits and oppressed by them. When a person is "possessed," it means that he loses control of himself and the evil spirit has full or partial control.

Have we not met Christians who habitually lose their temper? This can be the work of an evil spirit. Thank God, they can be set free by deliverance!

Have we not seen Christians who are "bound" by the smoking habit? Some of these have been filled with the Holy Spirit and lost the victory. Praise God, they can be set free. Christians can also be bound by fear, jealousy, envy, hate, unforgiveness, resentment, and a hundred other things, but none of these can resist the ministry of deliverance in the power of the Spirit.

SISTER FREE FROM LYING

Last year in Australia I saw a sister set free from a lying spirit. This woman had received the gift of the Holy Spirit several years before, but was backsliding because of a defeated life. When she confessed to lying, she was prayed for and completely set free. Her body convulsed during deliverance and she seemed almost to choke as the evil spirit left her body. Jesus said, in *Mark 16:17*—"And these signs shall follow them that believe; In my name shall they cast out devils. . ."

SISTER SET FREE FROM FEAR

In Melbourne I saw a sister set free from a spirit of fear. She felt this thing come upon her in her unsaved days when attending a cinema. Even after receiving

PASTOR THOMAS N. FOSTER is shown outside Buckingham Palace, broadcasting in the B.B.C.'S Radio Newsreel to Australia and New Zealand on Coronation Day morning.

PASTOR FOSTER has enjoyed an unusual ministry of deliverance in Great Britain, Europe, Egypt and Palestine. We were happy to have Brother Foster visit us recently at **THE VOICE OF HEALING** Offices.—**EDITOR.**

the Gift of the Holy Spirit she was still plagued by this spirit of fear. Her life was blighted and her nerves shattered. One day during a healing wave, she knelt down and cried aloud, "Go, you evil spirit of fear." She kept this up for some minutes, then her body stiffened, her head went back and she gave a tremendous gasp. This sister then shouted, "Thank you, Jesus. It is gone." She broke forth into speaking in tongues, laughed in the spirit, and was set completely free.

How many Spirit-filled Christians are there today who need a similar deliverance from fear!

Thank God, the ministry of deliverance is not only for the sinner. It is also for the saint. It is a ministry for the local church.

DELIVERANCE FROM OPPRESSION

Oppression is different from possession inasmuch as the sufferer is not controlled. In this case, but is vexed and disturbed.

When Spirit-filled believers allow their health to run down, or are weak after a big battle with the enemy, they are prone to severe attacks of oppression. This leaves them defeated, gloomy, despondent, downcast, discouraged and weak. Pastors and evangelists are well acquainted with this experience! Sometimes this condition can last for weeks or months. The longer it lasts, the harder is the battle for deliverance and healing. However, *there is victory for all!* Here it is, from *Acts 10:38*—

"God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him."

How many pastors, evangelists, teachers, and ministers are there today who need deliverance from oppression!

I had a remarkable experience along these lines myself last year. I had been through severe times of testing, ill-health, and was seeking God for a deeper experience in holiness and sanctification. Scores of things in my life which had oppressed me were brought to my mind and then I was completely released. I had a marvelous physical experience of release and was able to name many of them. They oppress me no more!

God brought to light and set me free from some sins of which I was not conscious. Among these was spiritual pride. It was one of the few times in my life when God spoke to me and I heard His Blessed Voice.

How many spiritual leaders today need to be cleansed from spiritual pride!

Thank God the ministry of deliverance today is not for only the sinner. It is for the spirit-filled believer, the pastor, the evangelist, the elder, the deacon, and all who are "oppressed of the devil." Many who oppose this message are the ones who need deliverance most of all!

DELIVERANCE FOR THE ASSEMBLY

In my travels I have seen many Assemblies that need a ministry of deliverance themselves before launching out to others. When you go into the building there is no revival power present. The faith is low, the fire on the altar is almost out. Thank God, this ministry can change an entire assembly. In England a pastor was burdened with this message and preached deliverance. Many were filled with the Spirit and revival fires burned brightly.

"A ROOT OF BITTERNESS"

DONALD GEE

Editor of the quarterly magazine PENTECOST, which gives a review of world-wide missionary and revival news.

A CORRESPONDENT has given me permission to publish the following—"You will no doubt be surprised at the contents of this letter. I am enclosing a small gift of thirty shillings (about \$5.00) to the Bible School, and am sending it through you personally because I have harboured ill-feeling against you since July, 1952. A remark you made in the course of one of your addresses seemed a disparaging remark about the people from . . . , or so the enemy of souls made it appear. At the time it went like a stab to my heart; but it has grown, I'm ashamed to say, into a root of bitterness. So much so that I could not think a kindly thought of you. Now during prayer this morning I was inquiring of the Lord regarding Revival in this place, and He seemed to say to me 'Put right what's wrong first.' Of course, as I honestly searched my heart I had to confess THIS towards you was anything but right, and so I am making a clean breast. Please forgive me, brother, and pray for me and for . . . Your sister in repentance."

One cannot but be deeply moved on receiving such letters. I am certain that already the writer has been richly blessed by the God of all grace, and who can tell how far this may extend? Incidents like this commence Revivals. It blessed and humbled me also as I wrote and asked for forgiveness for an offence committed all unwittingly. One can be sincerely sorry for the most unintentional wound given to others.

"In many things we offend all," or, "We all make many a slip" as Moffatt translates James 3:2. We preachers are of all men most to be pitied in this matter. It is battle enough for our souls that we have to contend with our common human

weakness that so readily injects personal prejudice into our ministry; but the double burden of us preachers is that so often our hearers misunderstand us and clothe our words with an offensive significance we never intended. For us it comes with special force that "If any man offend not in word the same is a perfect man." Can such ever be a preacher?

The receiving of such a frank confession, either written or spoken, always arouses in my mind an uncomfortable query as to how many more people there are walking around whom I have offended, and they have NOT told me about the matter. One fears that if our ministry has been at all wide it may be more than we care to imagine. Where they have genuinely forgiven the slip the matter can profitably be forgotten, but so often personal attitude and relationship will always remain impaired unless there has been frank speaking. In many cases the animosity lingers and sinks ever deeper until, to quote my correspondent's words,

it has "grown into a root of bitterness." Whether the original matter of offense was justified or not, the resultant bitterness of feeling becomes a defiling thing to an increasing circle, and cannot but grieve the Spirit of God and hinder the freedom of His working. It is a universal fact of all true Revival that this kind of thing is among the first to be dealt with by the Holy Spirit when time is given to importunate prayer.

The matter seemed to me specially suitable for reference in this column because of James 5:16—"Confess your faults one to another, and pray one for another, that ye may be healed." It would be very mistaken to attribute all failure among Christians in receiving Divine Healing to neglect of the mutual confession of faults. But it is equally mistaken to think that the plain word in this matter can be ignored with impunity. J. B. Phillips' translation is particularly pungent—"You should get into the habit of admitting your sins to each other, and praying for each other, so that if sickness comes to you you may be healed."

After considerable experience of these things I think I am prepared to affirm that more harm has come to us from reluctance to confess than from too much aptitude in that direction. Few spiritual factors are more likely to hinder health and happiness of body and soul so much as a sullen, smouldering resentment against another.

—Donald Gee.

Greetings from William Branham

Many people are asking what my plans are for the present time. As I send this word of greeting, Brother Gordon Lindsay is here with me. We have had several hours of wonderful fellowship together. I am now sending this message to THE VOICE OF HEALING readers.

First, I want to say that I am asking God that by His grace I may stay humble in His presence and before the people. For I think that the greatest need of the day is for God's servants to stay humble and obedient to His

will. Recently I have been mightily moved of God to get closer to Him. I feel that I have in some measure neglected to walk as softly before Him as I should. By God's grace I am asking Him to keep me in the center of His will.

As many of you know, I have felt pressed in the Spirit for some time to return to Africa. My plans are to go as soon as my itinerary is completed. I intend to visit India, Palestine, Germany, and perhaps Japan, while on the trip. I am trusting by

God's grace to lead many souls to Christ. I solicit the prayers of all the readers of TVH that this missionary trip will be a success for the glory of God.

You will be reading the story of our trip from time to time, as it will be carried in THE VOICE OF HEALING.

I want the readers of TVH to know how much I appreciate Brother Lindsay, and that I am wholeheartedly back of the great work that THE VOICE OF HEALING is doing.

Christ, the Healer Divine

Sermon By

Evangelist Everett Parrott

REV. EVERETT B. PARROTT

I AM QUOTING from one of the greatest texts in the Bible. Here it is — *“For this purpose the Son of God was manifested, that He might destroy the works of the devil.”* (1 John 3:8.)

For this purpose the Son of God (Jesus Christ) lived, loved, labored and died on a cross, to destroy the works of the devil. Isn't that wonderful?

THE CURSE

I believe that sin and sickness are of the devil. There was no sickness in the world before sin came into the world. *“God saw everything that He had made, and, behold, it was very good.”* (Gen. 1:31.)

There will be no sin or sickness in the Millennium when Jesus shall reign supreme in this world with His saints. *“They shall not hurt nor destroy in all my holy mountain; for the earth shall be full of the Knowledge of the Lord, as the waters cover the sea.”* (Isaiah 11:9.)

There will be no sickness or sin in Heaven. *“God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things are passed away.”* (Rev. 21:4.)

We are taught to pray in the Lord's prayer, *“Thy will be done on earth as it is in Heaven.”*

In the beginning God planted a garden Eastward in Eden. This garden as it came from the hand of God was so beautiful, so perfect, no mind has ever been able to fully comprehend its beauty; no tongue has ever been able to describe its wonders. God placed a man and a woman made in His own image in this garden, to care for it and to enjoy it. But

***“Just one touch as He passes by,
He will heed to the faintest cry,
Come and be healed for the Lord
is nigh
Christ is the Healer Divine.”***

Lucifer (Satan) a fallen angel, being angry with God, saw God's beautiful creation, the joy, peace, innocence, happiness and health, reigning supreme, tempted our first parents to disobey God's word. *“But of the tree of knowledge of good and evil, thou shalt not eat; for in the day that thou eateth thereof thou shalt surely die.”* (Genesis 2:17.)

Because of their disobedience, the world was plunged into darkness and immediately, two dark enemies came into the once beautiful garden and into the world—sin and sickness. The two go hand-in-hand, bringing confusion, darkness, sorrow, trouble and everything that the curse implies. Where you find sin the deepest tonight, there you will find sickness the deepest. The sickness that no doctor can prescribe a cure for, is often caused by a direct act of sin.

SICKNESS IS THE CURSE OF THE DEVIL

Many times in these meetings, I have seen mothers carrying in their arms poor, little, sick and crippled babies, born sick, with twisted, diseased little bodies, born into this world without a chance. Would you say that was the work of our Loving Heavenly Father? No, I would say, that is the work of the devil.

You ask, is it because of the sins of these persons who are here to be healed tonight that they are sick? Not necessarily; their sickness may be caused by the sins of their fathers. *“Visiting the iniquity of the fathers upon the children*

unto the third and fourth generation.” (Ex. 20:5.) Or, it may date back all the way to Adam. Sin and sickness are in the human family. But remember the text, *“For this purpose the Son of God was manifested that He might destroy the works of the devil.”*

THE CURE

Divine healing is as old as human need. Man plunged the world into darkness through disobedience. But God made a way out through His Son, Jesus Christ. *“The Lamb (Jesus) slain from the foundation of the world.”* (Rev. 13:8.)

You will remember when the Children of Israel marched out of Egypt toward the promised land with Moses, their leader; God gave them a promise He would be with them, if they would diligently harken to His voice, and would do that which was right in His sight, and would keep His commandments and His statutes, He would not allow any of the diseases to come upon them which came upon the Egyptians. *“I am the Lord that healeth Thee.”* (Exodus 15:26.) As long as the children of Israel walked in obedience before God, they ate manna from the sky—they drank water from the rock—and, they were kept in health physically.

But, one day sin was found in the camp. It was found in the heart of Miriam, the sister of Moses; and, the dreaded disease of leprosy came upon her. What was her sin that she should be stricken with leprosy? All she did was criticize the preacher (Moses). I sometimes think if everybody who criticized the preacher were stricken with some terrible disease like leprosy there would not be enough people in church Sunday morning to sing the Doxology. Miriam was

penitent and confessed her sin: and, Moses went before God in prayer and prayed, "Heal her now, O God, I beseech thee." (Numbers 12:13.) God heard and answered Moses' prayer and healed Miriam of leprosy.

As the children of Israel continued toward the promised land, they began to murmur and complain, and again physical sickness came into the camp. This time in the form of fiery serpents' bites. They were dying on every hand. Again they confessed their sins, saying, "We have sinned, for we have spoken against the Lord, and against thee." (Moses.) (Numbers 21:7.)

Moses went before God in prayer in behalf of the people. God said, "Moses, make thee a fiery serpent, and set it upon a pole; and it shall come to pass, that every one that is bitten, when he looketh upon it, shall live."

And Moses made a serpent of brass, and put it upon a pole; and it came to pass, that if a serpent had bitten any man, when he beheld the serpent of brass, he lived." (Numbers 21:8-9.)

"WITH HIS STRIPES WE ARE HEALED!"

Jesus said: "As Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up." (John 3:14.) (His death on the cross.) The children of Israel were healed physically by looking at a sign board, a type of Calvary. How much more are we healed by looking, not at a sign-board, a type pointing toward Calvary, but directly to Calvary. "With His Stripes we are healed." (Isaiah 53:5.) "There is healing for a look at the Crucified one."

The Psalmist in an ecstasy of praise exclaims: "Bless the Lord, O my soul, and forget not all His benefits:

Who forgiveth all thine iniquities; who healeth all thy diseases." (Psalm 103:2, 3.)

There go our sins and our sickness.

The prophet Isaiah looks down the vista of time, through the prophetic telescope and sees Jesus hanging on the cross, and declares, "He (Jesus) was wounded for our transgressions, He was bruised for our iniquities; the chastisement of our peace was upon Him; and with His stripes we are healed." (Isaiah 53:5.) This prophecy of Isaiah is explained in the New Testament: "When Jesus was come into Peter's house, He saw his wife's mother laid, and sick of a fever."

And He touched her hand, and the fever left her: and she arose and ministered unto them . . . and He healed all that were sick:

That it might be fulfilled which was spoken by Isaiah the Prophet, saying, Himself took our infirmities, and bare our sicknesses." (Matthew 8:15-17.)

*"Who (Christ) went
about doing good, and
healing all that were
oppressed of the devil;
for God was with
Him." (Acts 10:38)*

THE RECIPE FOR HEALING IS SIMPLE

One night at the close of one of the meetings, a refined, cultured lady, leading a beautiful baby girl by the hand, came to the platform and said: "Brother Parrott, I am enjoying these meetings immensely. I do so enjoy the singing of the gospel songs. I enjoy your sermons. I feel the presence of Jesus here. But there is just one thing I do not understand—I wish you would explain—and, that is this praying for the sick. My church does not pray for the sick as you do and it bothers me."

I said: "Well, Sister, suppose you were taking a trip by auto across the country. Suppose your car broke down in the desert, thirty-five miles from any village, drug store, doctor, or human aid. And, suppose this beautiful baby of yours took sick in the middle of the night, and she was at the point of death—you are thirty-five miles from any human aid—What would you do?" She looked at the floor for a moment, then she looked up at me through tears and said: "Brother Parrott, I would pray and ask God to heal her." I said, "That is all I do—I pray. Most of these dear sick people who come for Divine healing are beyond any human aid."

HAVE FAITH IN GOD!

*"Oh Touch the hem of His garment,
And thou too shall be free,
His healing power this very hour,
Shall give new life to thee."*

We have a very simple recipe for healing the sick in the New Testament, as follows: "Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil, in the name of the Lord:

And the prayer of faith shall save the sick and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him." (James 5:14, 15.) There go our sins and our sickness.

SOME OBSERVATIONS

There are many wonderful promises we find in the Bible that do not directly refer to Divine Healing; yet, there is enough healing in any one of these to heal the world, for example:

"If two of you shall agree on earth as touching anything that they shall ask it shall be done for them of my Father which is in Heaven." (Matt. 18:19.) The word ANYTHING includes divine healing.

In one of the tent meetings a young woman was seen kneeling at the altar of prayer, seemingly in great sorrow. One of the lady workers knelt by her side and asked her what she had come for, and if she wished her to pray with her.

"Oh," she said, "my husband is dying tonight of tuberculosis, within three blocks of this tent. I am so disturbed, I am not sure his soul is prepared to meet God, and I am asking God to give him a safe passage over the river of Death." "He is just a young man, isn't he?" inquired the Christian worker. "Yes, he is a young man and I need him so much," she replied. "Well," said the worker, "let us ask God not only to save his soul, but to heal his body also."

These two young women agreed in prayer.

When the young wife returned home, instead of finding her husband prostrate on his bed as usual, he was sitting up on the edge of the bed. He said, "Wife, where have you been?"

She said, "Down at the big tent revival."

He said, "Did they pray for anyone down there tonight?"

She said, "Yes, they prayed for a lot of people."

"Did they pray for me?" he asked.

"Yes, they prayed for you," she replied.

"At about what time was it when they prayed for me?" he inquired. She told him the approximate time. He said, "At about that time, I was lying here prostrate, as usual, when I felt a warm tingling sensation enter my head, it came on down through my lungs and continued through my entire body, and I believe I'm healed."

He was so sure he was healed, that they immediately called their attending physician. The doctor came and examined him repeatedly, and exclaimed with utter astonishment that he could not find a trace of the disease in the young man's body.

Again—"All things, whatsoever ye shall ask in prayer, believing, ye shall receive." (Matt. 21:22.) "If thou canst believe; all things are possible to him that believeth." (Mark 9:23.) The "all things" include divine healing.

Startling Incidents and

A VISIT FROM "THE GREAT PHYSICIAN"

At the funeral of Captain Pierce, Pastor Leonard W. Doolan related the following:

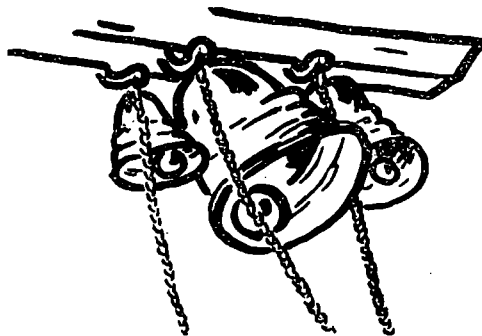

Years ago on one occasion something went wrong at the mine. When the difficult task of repair was completed he was so overcome by fatigue and exposure that he had a congestive chill. He was hurried to the home of a near relative. In that sparsely settled country no doctor could be had for hours especially on a dark stormy night which was then coming on. They packed him about with ice to reduce the high fever then known to be exceedingly dangerous. He felt sure that the end was near and, with his relatives, earnestly prayed that relief might come and above all did they pray that the Great Physician (Jesus) might come.

Shortly after their season of prayer, what was the good housewife's surprise to hear a knock at the door. When it was opened, there stood before her an exceptionally dignified gentleman, well-dressed despite the furious storm through which he must have come. He explained that in the darkness and driving rain that he had turned aside from his way, and wished to stay for the night. She told him that, with such sickness then in the home, it was not convenient to them; but that she could not turn him away out into a raging storm. He replied: "Yes, I know you have a sick man here, and that's one reason I came, and as I am a doctor of some experience, I'll help you to cure him. Let me see him now, if you please." On entering the sick room, all saw instantly that the newcomer knew whereof he spoke. Stranger still, he asked for a tub of hot water (instead of the ice they had used) and then ordered them all to withdraw while he treated the patient. Capt. Pierce said that though he then weighed some 225 pounds, the guest handled him alone as if he were but a babe. After a thorough hot bath, the stranger singlehanded wrapped Bro. Pierce in a blanket and replaced him on his bed with the words: "You will sleep well now, and be well by morning." He was then shown to his guest-chamber, and as usual, in that lonely mining place, the doors were securely locked. As all went well with sick and strong alike, they all slept well till sunrise. On investigation it was soon found that the guest-bed had not been used, and—strangest of all—the stranger had departed in the night, leaving all doors barred on the inside. None ever knew who he was, or why or whence he came in such a time and way, but they always believed that it was a visit of the Great Physician who had heard and answered prayer. Why might it not have been?

"Prayer will make a man cease from sin!"

SPURGEON SAID, *"Prayer pulls the rope below, and the great bell rings above in the ears of God. Some scarcely stir the bell for they pray so languidly; others give an occasional pull at the rope; but he who wins with heaven is the man who grasps the rope boldly and pulls continuously with all his might."*

"GOD FOOTED THE BILL" FOR MY BIBLE SCHOOL TRAINING

Another young lady and I were doing pioneer work with no remuneration, except to meet expenses and barely exist besides.

It was at this time that the Lord spoke to my heart about attending Bible school. I then wrote for information to a school to which I felt the Lord was leading me. To my great joy, they were willing to accept me "On Faith," expecting me to pray in the necessary funds.

The opening date drew nearer and nearer until at last it arrived. Still I had none of the articles necessary and not even the money for my fare. Had God failed, or was I just dreaming? Hadn't God called me to Bible School after all? I decided to stay up all night and pray about the situation. The devil whispered that I was crazy and that I had made a fool out of myself by telling folks I was going to Bible School. He said, "See, God didn't do it at all!" Then the Lord spoke,

asking me if I believed He had promised to send me. I said, "Yes, Lord," and He told me to go to bed as it would be unbelief to beg all night for something He had already said He would do.

The next morning was Sunday and the Holy Spirit took complete charge of the morning service. After the service many folks came to me saying God had spoken to them to help me and they were eager to speed me on my way. In a couple of days I was enrolled as a student at Eastern Bible Institute.

It was then my intentions to get a job in order to secure the money for my second year's tuition, but this was not God's plan. Instead, I found myself labouring in a little outstation work with no remuneration except for a little "pin money," but I was contented to do God's will.

As the Fall term drew near, I longed to return to Bible School, but surrendered my desires to His will. Then I received the wonderful news that my tuition had been paid for the entire second term by a lady whom I had never seen or known.

The third year I started for school with only \$1.03 in my purse, without even having sent in the fee for a room reservation. I had no promise of help or no backing, except God. When I arrived I was handed receipts amounting to \$89.00. Afterwards the money came in different amounts until all was paid and I never found out who paid any of it.

God had proved Himself by "Footing" the bill for the entire three years!

This is an actual experience that I have had, and can be verified by Rev. Allan A. Swift, of Elizabeth, N. J., who was principal of Eastern Bible Institute at that time.

PRAYER MIRACULOUSLY SAVES SAILOR'S LIFE

Tom Dawson tells this story of his narrow escape:

"Our vessel was on a African river, and I had been drinking. While half intoxicated I went for a swim, without thinking of the dangers to which I was exposed.

"As I was swimming some distance from the ship, an alligator made after me. Some of the crew saw the fix I was in and fired at the formidable creature, but without effect. I was getting near me, and with all my might I made for the shore. I was thoroughly sobered by my dangerous position.

"When within a short distance from some canes and shrubs which covered the bank, a furious tiger sprang at me, the alligator being close behind me, his jaws wide open to devour me.

"Death stared me in the face, and the sins of a lifetime appeared in an instant before me, like an immense mountain. With my sins came a recollection of my mother's prayers, my father's instruction,

Amazing Answers to Prayer

and my Sunday School teacher's earnest entreaties, all of which had been despised. In a moment my life came in review, and in sheer desperation I cried, 'God be merciful to me a sinner!'

"That prayer was answered in a marvelous way, and my life was preserved. The eager tiger overleaped me, and encountered the monster at my heels. A fight took place, and the water was colored with the blood of the tiger, whose efforts to tear the scaly covering of the alligator were unavailing, while the latter had the advantage of keeping his adversary under the water, which soon effected his death. They both sank to the bottom.

"Some of my mates had watched the scene with deep anxiety, and when they saw that I was safe they rowed to me and conveyed me on board. As soon as I reached the deck I fell on my knees and thanked God for His merciful interposition.

"The Bible which lay at the bottom of my trunk I got out, and since then it has been my constant companion; and as I read the sacred pages the Spirit of God enlightened me. I saw the wickedness of my heart, and, confessing my sins to God who had delivered me, I found peace with Him through the sacrifice of His Son. And from that time I love to sing the hymn which was my father's favorite—

"There is a fountain filled with blood,
Drawn from Immanuel's veins,
And sinners, plunged beneath that flood,
Lose all their guilty stain.'"

TVH PRAYER SERVICE

Acts 19:11-12—"And God wrought special miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them."

WE ARE asking all our associates to daily pray with us for these requests. Also we are asking our readers to form a great prayer circle!

Two things we ask each one to pray for daily:

First, for these many requests that come to us.

Second, for world-wide revival!

**WHEN MAKING YOUR PRAYER REQUESTS,
REMEMBER THE FOLLOWING:**

1. When sending in your request, you must be willing to serve God with all your heart, and believe God with us for your deliverance.
2. State your need simply and not at too great length, so a lot of time will not be required to read it.
3. Send us a handkerchief or cloth in your letter, and enclose a stamped self-addressed envelope.
4. Your handkerchief will be prayed over according to Acts 19:11-12, as quoted above.
5. When you receive your healing, be sure to write us and tell us about your deliverance.
6. This service will be entirely free, although free-will offerings will be accepted to defray expenses of this department.

MASTOID TROUBLE VANISHES

DEAR TVH Editors:

I want to tell you about the healing of my little friend, Shirley Reeves (13 years of age), through your healing cloth service.

Last winter I wrote to you for an anointed cloth for her. *She had mastoid trouble*; from which she

After I received the prayer cloth from you, we prayed and pinned the cloth on her body. **SHE IS NOW**

HEALED, and has had no further trouble since receiving the anointed cloth!

A Vision of the End-Time

and

God's Message To Me!

By Evangelist Kenneth E. Hagin

A REMARKABLE VISION in which an evangelist was caught away and shown scenes of both heaven and hell, and in which an Angelic Messenger gave him a special message concerning events which are to transpire in the end-time.

WHILE I was conducting a revival in Rockwall, Texas, during the latter part of August and the first part of September, 1950, I called the people around the altar for prayer at 10:00 P. M., September 2. As I was praying the Spirit of the Lord came upon me in a wonderful way, and I began to pray in other tongues. In a few minutes I heard a voice saying unto me, "Come up hither." I looked up and saw Jesus standing with a crown in His hands. He said, "This is a soul-winner's crown." The crown was most beautiful and human language could never describe it. He said to me, "My people are so careless and indifferent. This crown is for everyone of my children. I speak and say, 'Go speak to this one' or 'pray for that one,' but my people are too busy. They put it off, and souls are lost because they will not obey me." I wept before Him and repented of my failures. Jesus then said to me, "Come up hither," and it seemed I went with Him through the air till I saw a beautiful City.

We did not go into the City, but beheld it at close range. How beautiful and indescribable it was. Jesus said, "My people are so selfish; they say they are ready and talk about their mansion and the glories of Heaven while many all around them are in darkness and have no hope. Share your hope with them and invite them to come with you."

VISION OF HELL

Then He took me down to Hell and as I beheld it, I said, "Lord, it looks just like it did when I saw it on April 21, 1933 at 7:30 P. M., when I died and my soul went to this place and You spoke and my soul came back into my body. I then prayed through and You saved me. Only now I'm not afraid nor horrified as I was then. I saw what seemed to be human bodies wrapped in flames. Jesus said to me, "Warn men and women about this place," and I cried out with tears that I would. Then He brought me back to earth and as He stood by my side, He talked to me about my ministry and told me some things in general that He later explained in detail in another vision. Jesus disappeared and I realized I was still kneeling on the platform. I heard people crying and praying around me.

EVANGELIST KENNETH E. HAGIN

THE MESSAGE OF THE HORSEMAN

About that time, the Holy Spirit came upon me again and I fell flat on my face on the platform. As I lay under the power, I saw a horseman riding at full speed toward me. He held a scroll of paper high in his left hand. I was not conscious of my earthly surroundings, but seemingly was off in space somewhere. When the horseman came to me, he stopped; passed the scroll from his left hand to his right then handed it to me saying, "Take and read." I opened or unrolled it and saw at the top of the page in big, bold, black print these words: "WAR-DESTRUCTION." I was struck dumb and unable to speak. He laid his right hand on my head and said, "Read in the Name of Jesus Christ," and I began to read what followed on the paper; then I looked as the words instructed, and saw what I had read about. I saw thousands and thousands of men in uniform marching to war. I saw many women, old, white haired, middle aged and even young women with babies in their arms, bowed together in sorrow and weeping profusely. I saw the skyline of a large city and when I looked again the skyscrapers were burned out hulls, the city in ruins. There was

written that not just one city would be thus destroyed, but many. I continued to read the scroll. It was written in the first person and was just like Jesus Himself speaking. He said, "America is receiving her last call. Some nations have already received their last call and will never receive another. THE TIME OF THE END OF ALL THINGS IS AT HAND," was repeated at least four or five times. He said also that this was the last great revival.

GIFTS TO BE RESTORED TO THE CHURCH

All of the Gifts of the Spirit will be in operation in the last days and the Church will do greater things than even the early Church did, and have greater power, signs and wonders than were written in the Acts of the Apostles. He said we had seen and experienced many healings, but would now behold amazing miracles such as had not been seen before. More and more miracles will be performed in the last days which are just ahead, for He said, "It is time for the Gift of Working of Miracles to be more in prominence. We now have entered into the era of the miraculous. Many of my own people will not accept the moving of my Spirit and will turn back and will not be ready to meet Me at my coming. Many will be deceived by false prophets and miracles of Satanic origin. But follow the Word of God and the Spirit of God, and follow Me and you will not be deceived. I am gathering my own together and preparing them, for the time is short." There were several exhortations to watchfulness, to awake, to pray and not be deceived.

THE 7 DAYS BEFORE THE FLOOD

Then He said, "As it was in the days of Noah, so shall also the coming of the Son of Man be. As I finally spoke to Noah and said yet seven days and I will cause it to rain upon the earth forty days and forty nights, and every living substance that I have made will I destroy from off the face of the earth, so today I am speaking and giving America her last warning and call to repentance and the time that is left is comparable to the last seven days of Noah's time.

"Warn this generation as did Noah his generation for judgment is about to fall, and these things shall be fulfilled shortly, for I am coming soon." He said again, "This is the last revival and I am preparing my people for My coming. Judgment is coming but I will call my people away even unto myself before the worst shall come. But be thou faithful; watch and pray," were the concluding remarks, "For the Time of the End of all things is at hand."

VISION OF THE THRONE

Those who were present at the time of my vision said I read the scroll aloud for about thirty minutes. I cannot recall all of it at the present time. I handed the scroll back to the rider and he rode away in the same direction from which he had come. Then I was conscious of the fact that I still lay on the floor flat on my face. I lay there in the glory for a few minutes and then heard a voice saying, "Come up to the throne of God." Looking up, I saw Jesus again and went to Him, it seemed, right through the air. We came to the throne of God and I beheld it with all its splendor. I was not able to look upon the face of God but only beheld His form. I saw the rainbow around about the throne. I saw the winged creatures on either side of the throne. They are peculiar looking creatures and have eyes of fire that look in all directions. I stood with Jesus in the midst and He talked with me for nearly an hour. I saw Him as plainly as I ever saw anyone in this life and heard Him speak. I will not go into detail as to what He said to me for it concerns only me and my ministry. The following account, however, covers the main points.

PERSONAL MESSAGE

He said that He had called me to a special ministry and had kept me through the years. Though Satan had tried to destroy my life many times, His angels had

watched over me and cared for me. He talked to me about some things that the Holy Spirit had said to me almost two years before. He showed me where I had missed Him and doubted His dealings with me. I fell at His feet and repented with tears. Then He spoke about speaking to me again, this time by prophecy and also by that still small voice in my heart. He said that I had been faithful and believed and obeyed this second time and at that time entered into the second phase of my ministry. He said that I was now to enter into the third phase of my ministry. And if I would be faithful to what He had said to me; believe and obey Him, He would appear to me again and talk to me; then I would enter into the fourth and final stage or phase of my ministry. He laid His finger in the palm of each of my hands and then laid His hand on my head and said, "Go, for I have called thee, sent thee and given thee a special anointing to pray for the sick." My hands burned like I had fire in them. He said, "When you lay your hands on the sick, lay one hand on each side of their body. If you feel the fire jump from hand to hand, there is an evil spirit or demon in the body causing the affliction or trouble. Call him out in My Name. The demon or demons will have to go in My Name. If the fire does not jump from hand to hand it is a case of healing only. Pray for them in My Name; if they will believe and accept it, the fire will leave your hands and go into their bodies and drive out the affliction or sickness. When the fire leaves your hands and goes into the body, you know they are healed." I fell at His feet and cried out in tears, "Lord don't send me; send somebody else. Please, don't send me. Just give me a little church to pastor, but don't send me; I'd rather not go, Lord, I've heard so many of our own ministers and folks criticize those who pray for the sick. Lord, just give me a common-place ministry."

THE LORD'S REBUKE

Jesus rebuked me and said, "I'll go with you and stand by your side as you pray for the sick; and many times you will see Me. Occasionally I will open the eyes of someone in the audience and they will say, 'Why I saw Jesus standing by that man as He prayed for the sick.'" I said, "All right, Lord, I'll go if You'll go with me. I'll do my best and be as faithful as I know how." There came a love that I had never known into my heart for those who criticize this type of ministry. I said, "Lord, I'll pray for them, for they don't know, or they would not say the things they do. Lord, I've said similar things, but I didn't realize nor see as I do now, and neither do they. Forgive them Lord."

Then He said, "Go thy way, My son; fulfill thy ministry and be thou faithful for the time is short." As I walked away from the throne of God, Jesus said just another word or so—"Be sure to give Me all the praise and glory for all that is done, and be careful about money. Many of My servants whom I have anointed for this type of ministry have become money-minded and have lost the anointing and ministry I gave them. There are many who would pay much to be delivered. Many parents in the world have children whose little bodies are twisted and they would give thousands of dollars for their healings. Many of them shall be delivered as you lay your hands on them, but you must not accept a charge for your ministry. Accept offerings as you have been doing. You must go your way; be faithful, for the time is short." Jesus then journeyed with me back to the earth, and I realized that I still lay on my face on the floor. He talked with me there a moment and then disappeared.

My hands burned for three days just like I had a coal of fire in them. Now, when I wait upon Him in prayer and fasting, the same anointing comes upon me again.

My Testimony and Call

By

Stanley Karol

(Chapter 12—From the book **MEN WHO HEARD FROM HEAVEN**
Available at **THE VOICE OF HEALING**)

Evangelist Stanley W. Karol

AS I WRITE my testimony, I am humbled, for in every experience I see the miraculous hand of God or the familiar foot-print of my Saviour by my side. "Glory to God in the highest."

MOTHER PRAYED FOR A SON TO GIVE BACK TO GOD

You see, by all process of reason, I should not be existing much less writing this article. For there was a time when the medical men examined my mother and informed her that she would never have another child. Oh, yes, she had children but they all died. None lived very long. A few days, weeks, months, and they were gone. And now according to the physician there would be no more.

Words would fail me to express her feeling but every time I read of Hannah in the Old Testament, I re-live her experience. For mother did just as Hannah of old. With the doctor's statement ringing in her ears, she went to church and prayed. There she vowed to God that if He gave her a boy, she would give him back to the Lord as a minister for His glory. Some say that miracles do not happen today. However, I am a living miracle that refutes that teaching and shows that miracles do happen today.

WHEN FIVE YEARS OLD MY LIFE WAS DESPAIRED OF

At the age of about four or five, I took ill and everyone despaired of my life. The fever raged and I moaned and cried day and night. Every cry left a new scar on the heart of my mother. My parents began to seek the best medical help for me. There were three doctors that examined me within a period of a few hours. But one after the other had the same thing to say, "No hope. Your boy cannot live any longer than twenty-four hours." Once again my folks faced the impossible. It was Sunday and I was getting worse and my life was slowly ebbing away. Frantically mother tried to call another doctor, but one after the other was out, or busy. Those that were there previously, only reminded her that it was no use. What could she do?

HEALED BY THE GREAT PHYSICIAN

In desperation, she wrapped me up in a blanket and said, "If no one will come here, I will go to them." She started out on foot, with a fever-ridden child in her arms, and a broken heart in her bosom. All offices were closed and no one would give her an audience. Still seeking, she looked up and saw a church, and remembered that this was the very place in

which she made her covenant with Him. Also that I was a gift of God and an answer to her prayers. He gave me to her, and now she had brought me back. It was up to Him. He was her child's last hope. If God would not undertake then this was the end. She would rather have me die in a church than in a doctor's office, so she entered to pray. When she finished praying, she came over to where I was and noticed that her boy was smiling again. Wrapping me up, she carried me back home, confident that the impossible had happened again. I am a living proof of that. "Glory be to God."

MY BODY ATTACKED AGAIN— PARALYZED FROM WAIST DOWN

Bear with me as I recount another incident out of my life for the glory of God. Once again I found myself bedridden and, as a result of this new attack upon my body, I lost the use of my legs. Yes, I was paralyzed from the waist down. Every time I looked into the face of my parents, I could see their expression as they were asking themselves the same question over and over again, "Will our boy ever walk again?" This was another impossibility. I know what it is to look out of the window and see other children playing ball or tag, to see them running, hiding, or climbing a tree, and there I was, upon my cot, helpless. Many a hot tear found its way down my cheek. Life can seem cruel and fate a tryant, during such an experience. As clouds at times rob the sun of its glory so also the glory of God is hidden by tear-bedimmed eyes. But we know that in spite of the clouds, the sun is shining and the heart full of faith knows that in spite of pain and tears, there is a God on the throne Who sees all and loves all.

AGAIN FAITH CONQUERED— HEALED MIRACULOUSLY

So once again, faith conquered and there was the happy day when I took my first few steps. Only a few you say. Well, yes, a few, but they were the promise of more to come. My father often urged me, in later days, when he saw me playing ball, to take it easy. How could I take it easy? Ha, I had to make up for lost time. Can you stop a man who has been blind and tell him not to look at the flowers so much; or a man who was deaf not to listen to the birds? So, I had to run, and run I did.

ENTERED THE MINISTRY— BUT DENIED MIRACLES

One would think that a man with these experiences would surely be a firm believer in miracles and also Divine healing. But that was not so. You see, I became the minister that mother wanted, but, during my training at the seminary, rationalism crept in. Oh, yes, miracles were in the Bible, but these things did not happen today. I began to think that these things were an exception and not a rule. Years later, in the ministry, I found myself a physical wreck, my nerves shattered by a break-down, sinus, ulcers, weak eyes, and a hernia. Surely there was no healing now, for I was a minister and, if anyone should be healed, I deserved to be. This was my theology.

WHEN I REPENTED—A HEALING MINISTRY WAS GIVEN ME

Then reports began to trickle in. I heard of William Branham and Gordon Lindsay. I met people who were healed through their prayers. Secretly I began to fast and pray. I repented before God. Then I decided to launch a healing campaign in my own church. Many told me that it would not work. People would not go for it in our section. However, we launched out in our first healing revival. Our church saw the greatest revival in all of its history. My people were healed. I was healed of all my troubles. I realized that truly "Bible Days are here again." The miracle-working God of my youth became the God of this minister once again. Now the rocks and stones were transformed into monuments of God's grace and healing power testifying to all,

as in the Bible times, that "Hitherto hath the Lord helped me." As I write this, I am thrilled beyond words. Think of it; it happened to me.

Immediately after this visitation, God began to deal with me about launching out in a healing ministry. I accepted my first such meeting about three years ago in New York City. The prophet's mantle touched me and I followed him across Jordan's River. Now the question was, "Would I be able to come back the way I came?" (II Kings 2:9-14).

ASKED GOD FOR EASY CASES—

A "POND" NOT A "RIVER"

I asked the Lord to give me some easy cases when my first prayer line was formed. I wanted to try this mantle on a "pond," rather than a "river" such as Jordan. I am so thankful that God did not answer my prayer! When I looked up at the people, who had come for prayer that they might be healed, the first man I saw in line was the hardest case in the building. He was a big man, suffering from partial paralysis from his waist down. Not able to kneel nor walk in some time, he was expecting God to heal him. Here I was face to face with Jordan itself. How this crippled man was able to be first in line; I will never know.

"JORDAN" CONQUERED—GOD HEALS THROUGH ME

Placing my hands on this man, I bound that spirit in Jesus' Name and felt the healing virtue flowing into his body. Testing his legs, he found he could bend them. The Spirit of God uttered through me a command for him to run. What a thrill to see that man running up and down the aisle with hands upraised, giving God the glory. Jordan had been conquered. Thanks be to God!

Thank God for this ministry of deliverance. I am happier now than I have been in all of my ministry. My joy is not founded only on the fact that it has meant so much to me personally but because I have seen what it can do for others. In the past three years, I have seen more people converted and brought to God than in all of the past 13 years that I ministered. Previously I wondered but I know that, "WORLD EVANGELIZATION NOW," is possible through healing and miracles.

DELIVERANCE IN THE LOCAL CHURCH—Sermon by Thomas N. Foster

(Continued from Page 2)

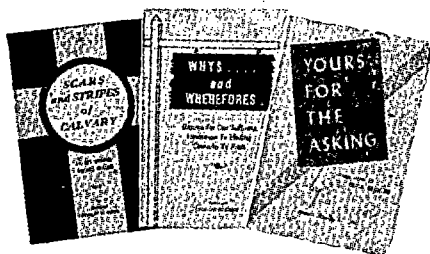

Everyone knew it: Outstanding healings took place.

How many Assemblies today need the preaching of deliverance to revive them once more!

DELIVERANCE AND SANCTIFICATION

There is a close link between these two. While it is not claimed that deliverance is sanctification, nevertheless it is one of the channels which God is using today. The believer who has been possessed or oppressed in the past can now live a life of victory rather than defeat. He has been set free from things which bound him or oppressed him.

In some quarters the impression has been given that once you received the Gift of the Holy Spirit, it was the end of the

TAPEWORM PASSED FROM BODY AFTER EVANGELIST PRAYED

DEAR Brother Karol:
Christian Greetings!

Almost two years ago, you were holding services in a church in New York City. Three of us were urged by the Spirit of God to attend one of your services. We felt the moving of God's Spirit that night in an unusual way.

When you prayed for me, you told me that, the night before, God had shown you a tapeworm which had caused me much suffering a long time. You cursed it, in the Name of Jesus, and since that time it has passed from my body. It was

a yard long and each piece I passed was rotten, thus proving it was cursed of God. On March 9, after you prayed, I passed about three feet of it and, on March 10, the only thing that passed from my body was the head itself!

I have been told that the natural reaction should have been intense cramps and nausea, but I did not have one pain, or the slightest degree of sickness. The fact that the head came out alone was a miracle itself. Hallelujah!

Brother Karol, I owe you a debt of prayer. May God continue to use you mightily for His glory.

Evangelist Martha Reed,

road and you were now qualified for heaven. However, in many cases it has been found that it is the beginning of the road.

Many spirit-filled believers have had a difficult childhood. Parents were cruel, conditions were hard, handicaps became real and complexes crept in.

The psychologist and psychiatrist know these conditions and do their utmost to remedy them. However, they have their limitations because their ministry is not necessarily in the name of Jesus.

The ministry of deliverance meets the need as no other can. Where such needs are apparent, there are several steps which have been found very helpful.

1. Confess the fault, sin, oppression, weakness, or whatever it may be that hinders.

2. Plead the blood of Jesus and the power of His Name.

3. Tell it to go from you in the Name of Jesus and oppress you no more.

4. Stay there until it is gone.

In some cases there is a physical mani-

festation. If the person is fully surrendered, there may be none, but there will be a great sense of release and relief. Very often when the spirit is set free, there is immediately joy in the spirit, holy laughter, and tongues of praise, worship and adoration.

How many Christians today are battling over something in their lives for sanctification when the ministry of deliverance would give them victory!

There is no hindrance, weakness, sin, fault, oppression, complex, or setback which can resist the ministry of deliverance today. Praise God for this mighty weapon which can be in the hands of every spirit-filled believer. Hallelujah.

This may well be the last revival before Jesus comes. Let Satan be overthrown, every evil spirit cast out, and obtain full victory in the Name of Jesus.

"And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ." (I Thess, 5:23)

KAROL CAMPAIGNS PROVE BLESSING TO SUNDAY SCHOOLS AND CHURCHES

PASTOR REPORTS—"All S. S. and Church Records were broken."

*By Rev. William Eaves, Pastor
Assembly of God Church,
Berwick, Pennsylvania*

WE HAVE JUST CLOSED our first revival campaign with Brother Stanley Karol. God moved in our midst and moved through the town. Many nights there were more outsiders from the town than there were of our own folk. For this we are grateful as it has been very hard to break through in this community.

Many have been saved and 19 received the infilling of the Holy Ghost according to Acts 2:4. Also, *many have received remarkable healings.* All Sunday School records were broken during the meetings. Also, all records in the offerings for the support of the church and the evangelist were broken. We are indeed grateful to our Lord for these fruitful meetings.

The dynamic preaching of our Bro. Karol reached every avenue of our lives and the lives of the unsaved and has sowed good seed which will bring forth even greater harvests.

PASTOR SAYS:—"Whole Church Stirred from Center to Circumference."

*By Rev. H. C. McKinney, Pastor
First Assembly of God,
Peoria, Illinois*

I HAVE NEVER had the privilege of attending such a revival as Stanley Karol held at the First Assembly of God, 1201 Main St., Peoria, Illinois. It was a real Heaven sent, Holy Ghost revival. The whole church was stirred and revived from center to circumference. The Power of God swept through like a scythe cutting down all before it as it moved through the church. Night after night half the church would be at the altar and the other half crying and praying in their seats. The presence of God was so real and mighty.

Very few evangelists have ever helped a church as much as the Karol revival

did the First Assembly of God. Stanley Karol is one of the very best preachers on the evangelistic field today. Few are his equal in presenting truth vividly and powerfully. *God has given him marvelous discernment and he is a man led of God.*

There were outstanding healings and many saved, as the people came from everywhere to enjoy the revival. His radio messages over the air every day were also an inspiration and blessing.

Evangelist Karol is a fine Christian gentleman and a prince to work with. I highly recommend him anywhere without reservations!

15 CORNS. CALLUSES HEALED THROUGH PRAYER

Dear Brother Karol:
Ever since an attack of measles two years ago I had very weak eyes. For that reason I entered your prayer line. Although God touched my eyes, my testimony has to do with another unusual happening.

My work is such that I have to stand on my feet and, due to this fact, my feet were full of calluses and, without exaggeration, I had developed about 15 corns. This gave me pain and no matter what kind of shoes I wore they did not help. All knew of this condition for the topic of greeting and conversation was "How are your feet today?" They all were very considerate and knew what I was going through.

Standing in that prayer line in your tent in Williamsport, Maryland, I felt the touch of God upon my body and my eyes were better immediately. I went back to work happy and feeling good.

EVANGELIST KAROL is shown with **CALVIN SLUSSER** holding knee-brace which Bro. Slusser no longer needs to wear, because God healed him.

SERIOUS KNEE INJURY NOW GONE

I WILL NEVER BE ABLE to thank God enough for the healing I received in my knee. About six years ago I had my knee injured in the mines, which resulted in a permanent injury. Because of this my knee slipped out of place and that necessitated my wearing a brace night and day.

A doctor's visit produced very little encouragement. He said that the only thing which could help me would be an operation. However he said that I would be left with a possible stiff leg.

On July 22, I attended the tent meeting in Hazelton, Pennsylvania, and had Brother Karol pray for me. I took the brace off and have not used it since! I certainly want to thank God for what He has done for me.

Calvin Slusser,
Freeland, Penna.

Note from Evangelist:

I watched this man play ball at the Sunday School picnic, sponsored by the Hazelton Assembly of God church, without any sign that he ever had trouble. He ran like any young man that day.

Stanley Karol.

About two days later, someone asked me about my feet. *It was then for the first time that I realized they had not bothered me.* I could not wait to take my shoes off and see what happened.

When I did, to my amazement, I found that the dead skin from the calluses was peeling off and that the corns were gone! Glory to God. His touch of virtue went down to my feet. I never asked Him for this, but He not only healed my eyes but also took my corns away.

I feel wonderful and am happy beyond words. I thank God for what He has done for my body, and in my spiritual life, at your meetings.

"CHRIST IS LIFTED UP IN MICHAEL MASTRO MINISTRY" — IS COMMENT OF PASTORS

GOD'S POWER MIGHTILY MANIFESTED IN MASTRO'S CARROLLTON CAMPAIGN

By Rev. D. W. Kyser, Pastor
Carrollton Assembly of God Church
Carrollton, Texas

WE HAD EVANGELIST MICHAEL MASTRO with us for a three-week Salvation Healing Campaign. Our church, the Carrollton Assembly, cooperated with the Forest Lane Assembly of God Church in sponsoring this meeting.

Truly we witnessed the greatest manifestation of the power of God during this revival this area has ever seen and it has stirred more of our people and has been the greatest help to our church of any we have ever had.

Many souls were saved, several received the Baptism of the Holy Ghost and a great number were healed. Our Sunday School has increased from Sunday to Sunday!

Everyone enjoyed the wonderful messages and the preaching of God's Word by Brother Mastro, under the mighty anointing of the Holy Ghost, and many were encouraged to believe the Word of God as never before.

The Gifts of Knowledge and Discernment manifested through our Brother Mastro were such a revelation to our people, as the Lord—through him—discerned the afflictions in their bodies and then healed them by His mighty power, as Brother Mastro prayed for them! The manifestation of those gifts alone had a tremendous effect upon our community, and caused many to believe that truly "Jesus Christ is the same yesterday, and today, and forever."

Many have said that this was the greatest and most soul stirring revival they were ever privileged to attend. The power and presence of God were manifested in an unusual way in every service.

I can recommend Brother Mastro as a man with the Spirit of Christ, having a burden for lost souls and a compassion for the people! Our church feels that we have been greatly blessed and privileged to have this man of God in our midst, and trust that we shall have him with us again in the near future.

DIABETES AND SPINAL INJURY HEALED THROUGH PRAYER

DEAR BROTHER MASTRO:

I want to thank the Lord for healing my body when you prayed for me, in Miami, Florida.

I had sugar diabetes and, also, a vertebra had slipped in my back. I was unable to move my spine. My daughter asked you to pray for me one night, because I was unable to even attend your service. **I WAS HEALED INSTANTLY—WHILE SITTING IN A CHAIR AT HOME!**

You may use this letter as a testimony to help others, if you wish, for I am not ashamed to witness to God's power!

I thank the Lord for your ministry and thank you for your prayers. May God bless you!

REVIVAL RESULTS REMAIN AFTER MASTRO MEETING CLOSES

By Rev. J. E. Wilson, St. Joseph, Mo.
Sectional Presbyter of
West-Central District

IT WAS OUR PRIVILEGE to have Evangelist Michael Mastro with us in St. Joseph, Missouri, through the month of May. Every service was saturated with the presence and power of God.

His ministry among us caused all to fall more deeply in love with "That Man Called Jesus," as he so powerfully exalted Him to the people every night. *Because of his humble spirit we saw Jesus, and not Brother Mastro, as he ministered in our midst!*

Most important is that many souls were saved and are continuing on with the Lord. We are praising the Lord for these souls. Also, many sick bodies were healed by the power of the Lord working in our midst.

The people came back night after night, many not missing a single night, eager to hear more about that wonderful Man called "Jesus." *This meeting has marked a real milestone in many lives!*

We praise God for the many things He has done here, through the consecrated ministry of our Brother Mastro. Truly has Christ been lifted up among us!

HEART TROUBLE IS GONE SINCE EVANGELIST PRAYED

DEAR BROTHER MASTRO:

I had suffered from leakage of the heart since I was two years old. *I had to take two nitro-glycerin tablets and one strychnine tablet daily. The doctors had said there was no hope for me.*

You prayed for me in your Carrollton-Dallas meeting in January and **THE LORD PERFECTLY HEALED ME!** I am now enjoying good health. How I praise the name of Jesus, our Saviour and Healer, and I thank you for praying for me.

GOD'S MIRACULOUS POWER ACCOMPANIES **HARDT** MINISTRY IN CANADA AND THE UNITED STATES

AFFLICTED SINCE BABYHOOD WITH POLIO—NOW HEALED. FRIEND'S STAMMERING HEALED

DEAR BROTHER HARDT:

Do you remember me from the Ottawa campaign in November? I was the "polio" chap with the cane who, with my wife, sang a duet.

I want to send a word of testimony to help others build their faith in God for healing.

The very next day, after you prayed for me, I was able to move my whole right foot up and down. This I have not been able to do since a baby. I am now forty years old.

I have a quickening in my body and strength that I have not enjoyed since I was fifteen years old. Oh, I can't praise God enough for saving my soul just six months ago, for healing my body of polio, and also of a kidney condition. *That is all gone now*, PRAISE HIS HOLY NAME!

My friend for whom you also prayed, who was afflicted with a stammering tongue, is also completely delivered.

Thanks for coming to Ottawa. I pray for your healing ministry continually.

Yours in Christ,

YOUNGSTOWN, OHIO, CHILD IS HEALED THROUGH PRAYER

DEAR BROTHER HARDT:

About two years ago when you were conducting healing services in The Assembly Of God church in Youngstown, Ohio, my small boy and I sat on the front row. He coughed continually during the services; had coughed like that for a number of weeks. We had treated it like any ordinary cold, but it did not quit. My relatives were constantly urging me to take him to a doctor and I knew that, if the Lord did not intervene, I would have to have medical advice.

When you asked for the sick to come forward, I carried him to the platform. After you prayed for him his coughing immediately stopped and he is still healed!

A friend, who had accompanied me to the meeting that night, and his wife were both saved! He is my life long buddy and his wife was a Roman Catholic.

PASTOR'S LETTER REPORTS REVIVAL CONTINUES AFTER EVANGELIST HARDT LEAVES

Dear Brother Hardt:

Greetings from the land of fish and fog!

Since your meetings we have been exceedingly busy. We are receiving a lot of extra radio mail as direct results of your meetings. The spiritual tide is still very high and the attendance remains good. We baptized ten in water last Sunday night and there are many more that have expressed their desire for baptism.

Mrs. Mary McDermott, the lady who was healed of that hideous tumor is testifying on the radio; consequently much interest is being stirred and many are being healed and helped, through it. Many testimonials are coming in and giving good proof of the reality of healing in their bodies. That was indeed a great meeting and the effect has been far reaching.

The church board is well pleased with the outcome of the meetings and is very happy with the way you handled the offerings. The church with its board, pastor and people, extend an invitation to you and your party for a return campaign at your convenience.

May the Lord's blessings continue on your ministry of deliverance. We sincerely enjoyed the sane, sound Bible messages which seem to be the greatest means of inspiring faith for deliverance. God bless you!

Yours in Him,

HEALED OF TUMOR, KIDNEY TROUBLE

PRAISE GOD for sending Evangelist H. E. Hardt to St. John's, Newfoundland.

I have suffered for many years with kidney trouble and a tumor in my stomach. I was afraid of Doctors because they always told me I had to have an operation and I refused to have one, believing that the Lord would heal me. My stomach was so big that I could not tie my shoes in comfort.

I went to Brother Hardt and received a healing card, filled it out and was prayed for. My pains disappeared and in a few days I noticed that my stomach was soft and the tumor was all gone. I can not praise my Lord enough for healing me. Glory to His Name!

EVANGELIST HARDT—

Evangelist **HARDT** Writes of Recent Evangelistic Tour To Newfoundland; Nova Scotia

DEAR EDITOR:

No doubt the TVH family will enjoy a brief word describing our recent visit to Newfoundland, the land of fog and fish.

We sailed from Boston, Massachusetts, May 15th aboard the English steamer "Newfoundland." After twenty-two hours of smooth sailing, we docked at Halifax, Nova Scotia, on Sunday morning.

We soon found a Full Gospel church. Although we tried to hide our identity, we found it a hopeless task. Folks had read about us in **THE VOICE OF HEALING** magazine; consequently we were asked to speak for them both morning and evening services.

Monday was the Queen's birthday, and a holiday. A new church was being dedicated at Windsor, Nova Scotia, a distance of about fifty miles inland. We were pressed into service and spoke to them for all three services. This gave us quite a full week-end at Halifax.

Late Tuesday evening our ship set sail for St. John's Newfoundland, a distance of thirty-two hours sailing. Much of this distance was rough going and my song leader, Boyd McClellan, failed to show up in the dining room for one full day—nothing but dry crackers. We arrived in St. John's Thursday before noon and were met by pastor and Mrs. Harold Snelgrove.

Elim Tabernacle is the largest Full Gospel work on the Island of Newfoundland, and accommodates about 700 or 800. Our first meeting was on Thursday night and the church was well filled, consequently we got off to a good start. *Each night the spiritual tide rose higher and higher.* On Sunday nights the tabernacle was filled, with many standing. Some

were turned away because they could not secure seats. *Many were saved and numbers were healed.* People came for more than fifty miles, some by car and others by chartered buses.

One lady was healed of a tumor, of long standing, and is now speaking on the broadcast. She is attracting considerable attention.

Reverend and Mrs. Snelgrove have labored hard and their labors are being rewarded. *Pastor Snelgrove conducts a Provincial-wide broadcast which he calls, "Tell me the Old, Old Story."* Everywhere we met people that were attracted by this great broadcast.

The Island of Newfoundland covers perhaps as many square miles as the State of Texas. There are only fifty miles of hard surface road on the Island. St. John's is the capitol and the center of gravity and the largest city, with a population of some seventy thousand, with a beautiful port and many docks where ships of all nations are frequently seen.

Hundreds of small towns in Newfoundland are reached only by small water crafts following the rugged coastline. A very large airport is located at Gander. This seems to be the spring-board for some of the world's largest planes, as they are re-fueled for the last time before hopping off to European points. This airport is equipped to handle the world's largest planes, such as the Globe Masters. The United States maintains several air bases in Newfoundland, which seems to be one of our Northeastern outposts.

There is much to be seen and enjoyed on this Island of wonders.

MOTHER HEALED OF ECZEMA SON HEALED OF GLAND INFECTION

DEAR BROTHER HARDT:

I am praising God, from whom all blessings flow, for the great miracle in my body and mind.

How I thank the Lord for the Spiritual help I've received from your meetings.

The Lord wonderfully touched my body and healed me of eczema which I had on my hand and arm for over a year. I had taken several bottles of nerve vine to enable me to sleep, because the pain and burning were so severe. I did not get much rest day nor night and my nerves were almost entirely gone. How I praise the Lord for the blessed rest He now gives.

The Lord also healed my son of a glandular infection under his chin. What a Great Physician we have!

I give all the Glory to Him.

Mrs. Barbara Yinger

Statement from Evangelist:

The glandular infection referred to in this testimony was the worst that I have ever seen. It was as large as an orange and very hard, dark and angry. In a few days the child's face was perfectly healed and smooth.

Miracles of Salvation and Deliverance Accompany B. D. BENNETT Ministry!

"God gave great witness to his ministry"
Says outstanding minister.

By Dr. A. G. Canada
President of the Golden Gate Pentecostal
Fellowship, Oakland, California

UNTIL A FEW WEEKS AGO very few people in the Bay Area had ever heard of Evangelist B. D. Bennett; however, most of them know about him and his party by now.

We were praying here for a revival in our Chapel which is run in connection with our Gospel Broadcast. A lady drove in from Santa Rosa, called us by phone and told us about the Bennett Party and about their meeting in Santa Rosa. She said they had two weeks open for meetings. I, at once, asked that Brother Bennett come to see me. He did and we arranged for them to begin a meeting with us on the following Sunday, July 5th. The meeting continued through last night, July 19th. It was a short meeting, but a gloriously sweet one.

From the very first service God gave witness to the ministry of the Bennett Party. Their music was full of spirit and victory, and when Rev. Bennett opened his Bible and began to preach, he held the audience spellbound. God gave great witness to the ministry of this party!

Brother Bennett began to pray for the

sick from the very first service, and believe me, God wrought miracles along all lines in healing sick bodies, and many demons were cast out, with such obvious manifestations that no one could doubt it!

A woman with a large goiter on the side of her neck came up for prayer, and after Rev. Bennett prayed, she went back to her seat. By the time she sat down she jumped up and shouted, "It's gone, it's gone!" Praise the Lord, it was gone!

Another lady had lost the power of smell for five years, and after Brother Bennett prayed for her, he put a bunch of flowers to her nose; the look of joyous surprise on her face will never be forgotten by the people in that service. She followed that bunch of flowers just drinking in the sweet fragrance.

There were many very remarkable cases of deliverance from demon possession. The great deliverances were too numerous to tabulate here, but were wonderful to behold. Great numbers of sinners were saved, and people were Baptized with the Holy Ghost all over the place.

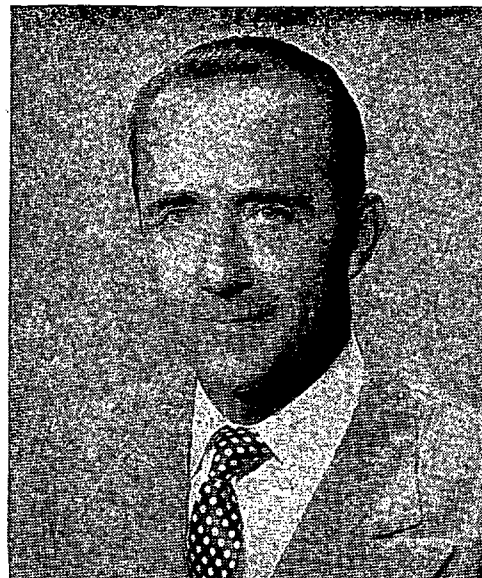

Rev. Bennett is an all-round Full Gospel preacher, with a deep passion for souls, and I have never seen a man with a greater passion for the sick than he has. The Bennett meeting here was not pre-arranged and we did but little advertising, except over our twice daily broadcast, but the building was full at all times after the first few services, and during the last week, standing room was in demand, with many being turned away.

The entire Bennett Party are consecrated people who work hard and do a fine job for the Lord. We could not continue the meeting because of previous appointments by the party, but we will be glad to have them come this way again when it is the will of our heavenly Father.

THE VOICE OF HEALING, or any other group with whom the Bennett Party is associated, may well be proud of them, for they are not only good preachers and singers, but they are also good people to know personally.

We feel here at Radio Revival Headquarters that we have been greatly honored by having them with us. We have all been greatly refreshed and blessed in soul and body as a result of their having been here. Oakland will long remember the great blessings brought to us by the B. D. Bennett Evangelistic Party.

The meeting is closed and the party has moved to another meeting but the blessings that came to us from heaven,

Evangelist B. D. Bennett

through their ministry, will long linger here. After sitting under his ministry for two full weeks, and the many personal conversations I have had with him, I do not hesitate to say that I highly recommend The Rev. B. D. Bennett and his entire Party as being among the best on the field today, and no pastor will go wrong by having them for meetings.

This is the first VOICE OF HEALING Evangelist that we have had in our work here but, if they have others like them, we will be glad to have them come our way anytime. May God always bless Brother Bennett and his Party!

FATHER AND DAUGHTER BOTH HEALED IN BENNETT CAMPAIGN

ALLOW me to testify for my wonderful and blessed Savior.

As Evangelist B. D. Bennett was holding a Salvation-Healing meeting in our Assembly Church here in Elsinore, God wonderfully healed me of kidney trouble of long standing. Oh! I thank and praise my Saviour for all He has done for me and my family.

We will never forget the ministry of our Bro. Bennett and his party night after night. That was a great awakening meeting for our town. No longer can people deny the healing and saving power of our God. I will never be the same again. The church was lifted and stirred so in the meeting.

My daughter had been told by our physician she would never be able to have a child. She was burdened greatly, as she and her husband both wanted children. After witnessing the power of God in that meeting, she decided to ask Bro. Bennett to pray for her that God would undertake for this condition. Shortly after prayer was offered for her by our Bro. Bennett, the doctor informed her she was to have a child. Our grandbaby is due any day now.

May God continue to bless our Brother Bennett and his family, give him many more souls for his hire, and continue to heal sick bodies through his ministry as he did here in Elsinore.

Salvation, Signs, Miracles Accompany KELLNER Ministry!

PLAINFIELD, N. J. WITNESSES THE MIRACULOUS

By Rev. J. L. Roney, Pastor
First Assembly of God Church
Plainfield, New Jersey

ON APRIL 12TH, Evangelists John and Olive Kellner came to Plainfield, New Jersey; in the Divine will of God.

Before their arrival, one of the young girls of the church had a dream one night, in which she saw the Kellners walking in the front door of the church and, as they entered, God began performing miracles. Now that the meeting has come to a close, this dream has been fulfilled. God did just what she dreamed; He worked His wonders among us.

The messages of Sister Kellner were of great instructive value to the up-building of the church spiritually. From the first service, God began to work and continued to do so until the last service. Souls were saved,

filled with the Holy Spirit and many bodies were healed.

There were two outstanding miracles performed, in His Name:

First: One of the girls in our church had never had a knuckle on the ring finger of her left hand. It was the same length as the small finger. After prayer a knuckle appeared and, in a few days, the ring finger was an eighth of an inch longer and is still growing.

Second: Another girl had one leg about two inches shorter than the other and this leg was thinner, as well. After prayer, she took off her shoes and stood with both feet on the floor evenly. (See picture and her testimony on this page.) Her leg is developing and is now almost the same size as the other. Praise His Name!

Deaf ears were unstopped and blind eyes were opened. One man, who previously had no ear drum, was prayed for and God gave him a new ear drum and he was enabled to hear!

To climax the meeting, one of the business men of the church, who has been saved just about two years, wanted to

Evangelists Olive M. and John Kellner

get this message of salvation and deliverance to his unsaved relatives and business associates. He gave a banquet at the Park Hotel and invited 40 people to come. A program was given and talent from the church was used. The meal was served and a message from Sister Kellner on "The Atonement" was given. Needless to say, they were astonished at the truths they heard. I heard some say, "If I could only believe like that." One contractor promised to come to the church and visit us. We feel that definite fruit will come from this banquet given.

"Bible Days are Here Again" and the gifts of the Spirit are again being manifested in the lives and ministry of His servants. Thank God for the faithfulness of Brother and Sister Kellner in obeying the Lord to come to Plainfield, New Jersey.

POWER OF HOLY SPIRIT CONFIRMS KELLNER MESSAGES

By Rev. Ira E. Elliott, Pastor
Glad Tidings Assembly of God
Hornell, New York

MANY FOLKS TESTIFIED to deliverances during our three weeks' Salvation Healing Meetings in Hornell, N. Y., from May 17th to June 7th, with Evangelists Olive and John Kellner.

Night after night our hearts were thrilled, and moved upon as faith arose under the teaching ministry of Evangelist Olive Kellner. Never have I seen the Old Testament so packed full of Pentecostal truths.

God confirmed and honored the Word as souls were saved, others filled with the Spirit, and many healed. The church was greatly stirred, and reports are still coming.

It was our privilege to use 1,000 VOICE OF HEALING magazines in advertising these meetings.

One man, of another denomination, testified again and again of the healing of a back ailment of 55 years' standing. He had been unable to work, but was wonderfully healed by the Power of God. Many with internal disorders, of eyes, ears, and other conditions were healed.

The sinners, after accepting Christ, stated that it was wonderful. Those who partook of the healing power, stated, "I feel the quickening, as a warm, cool, life-giving flow," and then in referring to their former sicknesses, "It's gone, praise the Lord," as a big smile came over their countenances, which was surely an expression of gratitude as the tears and praises would flow together.

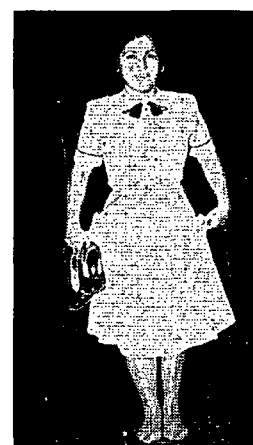

Truly the Lord was good and very precious, and I know the Kellners have a ministry marked of the Holy Spirit, which will be blessed of God in gathering in the Golden Grain before the harvest ends.

SHORT LEG MADE NORMAL THROUGH PRAYER

DEAR SISTER KELLNER:

I'm very happy to have a chance to tell what the Lord has done for me.

At one of our meetings in Plainfield,

New Jersey, on April 16, the Lord spoke to you about my left leg. It was about two inches shorter than the other one and I could never stand with it flat on the floor. But now, thank the Lord, after you prayed for me, I can. I also had no muscle in that leg, but that also is growing.

I thank the Lord for saving me and I know that, if we believe,

He is able to heal us and do so much more for us than we could imagine. Praise His name!

Mrs. Vito Amiano,
Berkeley Heights, N. J.

HEALED OF T. B. AND ARTHRITIS

I had X-rays made last October which proved I had T.B. I was prayed for by Sister Kellner during the meetings at South Buffalo Tabernacle, which were held from January 20 to February 10, 1952.

I was X-rayed again in March and Dr. Sidney Clayman phoned me to ask if I could stand some good news. Dr. Clayman then told me my lung was completely healed!

I also had my arm prayed for which was afflicted with Arthritis. I had been unable to raise it but after prayer, I could raise it. It is healed and has not bothered me since!

Praise Jesus for healing my body!

Mrs. Margaret Miller,
Buffalo, N. Y.

Evangelist's Note:

I talked with Mrs. Miller on the phone in March, 1953, and she said that she was still healed and has had no trouble with T.B., or with her arm.

PLEA FOR TVH READERS TO REMEMBER GERMAN CHRISTIANS

DEAR Brother Lindsay:

I received my first three issues of THE VOICE OF HEALING. This magazine is wonderful!

I was stirred by the article of Brother Osborn, "God's Message to the Church for This Hour." Brethren of America, do not forget your brothers and sisters in Germany. *We do not need planes and guns, but we need Jesus Christ!* It is clear that time is short, and that judgment is at hand!

What our people need is a return to the true source of life, which is in Him! Protestant churches of Germany rest on the things which happened 400 years ago. Martin Luther has become a national hero, but *Jesus Christ has become a stranger to the nation!* Educated people know Goethe's "Faust" very well, but *the Bible is an unknown book to them!* I am a student and know the situation of our universities, but I feel the spiritual hunger of the youth.

We live near the Iron Curtain and we do not know when the Russian armies will rush in. Time is short! There are very few believers of the Full Gospel, but among these people there is a great spiritual awakening and a great hunger for the power of God. We are all at the beginning. *What we need is Spirit filled men to teach us! Then we will go further!* We will not sleep and wait until a brother from overseas comes and does the work. That is our task! Just show us how to do the work and we will go out and preach the Gospel! Do not forget us! God bless you and your work!

Sincerely yours,
Adolf G.,

"TVH HAS MESSAGE AND MINISTRY FOR WORLD ATTENTION"

DEAR BROTHER LINDSAY:

Christian Greetings from India!

We wish to take this opportunity to express our heartfelt thanks to the responsible parties who have sent THE VOICE OF HEALING magazine to us.

For over one year, during our three-year stay in India, we have received this inspiring paper. It has been a source of blessing and help to us, as we are in "Satan's seat" in heathendom. *It has a message and a ministry worthy of world wide attention!*

Not one copy has lain carelessly about, but has been read in the home, in Bible classes, by many Indian peoples and often mended and sent on to other missionaries!

MATERIAL FROM TVH TRANSLATED INTO DUTCH FOR HOLLAND READERS

DEAR BROTHER LINDSAY:

Greetings in the Name of our Redeemer!

The articles, taken out of THE VOICE OF HEALING and published in Dutch papers, have opened many eyes and made hearts hungry for God's healing power. *The Branham and Osborn stories are getting known among the Dutch*, and this is working in them a great hunger for REVIVAL!

There is a big "strive" going on in the State and free churches in Holland. Especially about DIVINE HEALING.

THE VOICE OF HEALING is one of the great means the Lord is using in Holland to stir up the people and to reveal the lies of the many Baal priests.

For years I have heard the sound over Holland of an ABUNDANCE of rain. I believe the little cloud the size of a man's fist (hand) is arising in the sky.

Brother Lindsay, I thank you for THE VOICE OF HEALING I receive from you every month. It has been a blessing to me and many others!

Sincerely,

Your Dutch Brother in Christ,
J. Maasbach.

P.S.: My wife and I are laboring in Gouda, a town 20 miles away from Rotterdam. I started a new work there six months ago. We had never had a Pentecostal church in that locality before.

We are so grateful for the promises of God, and we are believing Him for complete victory here!

Brother Lindsay, we enjoyed your article about the weather changing.

Perhaps it is of interest for you to know that *the weather in Holland is all out of course!* This June has had the coldest days since 100 years!

TVH PROVES BLESSING TO HOSPITAL PATIENTS IN PENNA.

DEAR Brother Lindsay:

I do thank you for renewing my subscription to THE VOICE OF HEALING. We do enjoy the magazine very much, and ask God to bless you for your kindness.

We have been giving THE VOICE OF HEALING magazines out each month to others who are interested in reading them. *Several of the young people from the Greenwood Hill Full Gospel Church have been visiting in our Mount Alto Sanatorium here in Pennsylvania, and have been distributing THE VOICE OF HEALING and other healing papers to the patients there.* Quite a few of them have been saved and some have been healed!

One colored pastor, from Philadelphia, was healed of TB of both lungs and of paralysis in both legs! He has since been discharged from the sanatorium and returned to his home!

"REVIVAL IS NOW A REALITY," SAYS TVH READER

DEAR Editors:

Yours is a wonderful paper. The revival which you advocate is now a reality. I have been saying for years that the Holiness and Pentecostal churches are keeping God's power alive. Pentecost can not return but it can continue, when the conditions of faith and belief, that God purposes for us, are met.

I will venture this: Revival is a sweeping reality and, if the Methodist Church could catch fire, relegating its deadly liberalism and skepticism to the impostors described by Jude, it would be the denomination which God would use to sweep the world with a Holy Ghost revival! It has the potential in origin, tradition, doctrine and experience. I noted with interest, in recent issue, the possibility of your visits with associates . . . would the churches of Wilkes-Barre area be willing to come to our church if such could be arranged?

TVH AN INSPIRATION TO MISSIONARY

GREETINGS in the precious Name of our Lord Jesus Christ.

For several months I have been receiving "THE VOICE OF HEALING." It is a real inspiration to me and has encouraged me to seek God for greater outpourings of His Spirit in my own life and upon the life of many here.

I am a foreign missionary sent out by the Church of God, of Cleveland, Tenn.

I greatly appreciate receiving your fine paper. May the Lord richly bless you in your labour for Him.

Sincerely yours,

MISSIONARY EXPRESSES APPRECIATION FOR FREE COPIES OF TVH

DEAR EDITORS OF TVH:
Greetings in His Worthy Name!

Just a brief letter in acknowledgement of the copies of THE VOICE OF HEALING which are reaching me here in good condition and time. We received several issues, among them the January (1953) copy, on Easter Monday. It was an Easter blessing to have them, you may be sure.

I do thank God for the policy whereby you are able to dispatch your magazine free to missionaries such as myself. If this were not so, it would be most difficult to arrange for the forwarding of subscription dues!

The substance of your magazine is of great help to me. The reports of revivals in areas of the West Indies given in your magazine have deepened my conviction that these native people will soon experience the power of the Holy Ghost.

If it is reward enough for your labours on our behalf, please be assured that your splendid magazine is provoking us into prayer and effort that the Holy Ghost shall be poured out in great revival power!

I do especially enjoy the "Donald Gee Column." His words seem to be very heavily underlined with wisdom!

In return, please accept my assurance that I am one of many who are praying for you that God will enlarge your borders and use your publication to "bring deliverance to the captives" and edification to the saints of God and, best of all, glory to God Himself!

TVH BRINGS HEALING AND DELIVERANCE TO CRIPPLED DOPE FIEND, DRUG ADDICT

DEAR ONES IN CHRIST:

Greetings of Peace and Love, and THANKS in the name of Our Lord and Our Saviour and Healer, Jesus Christ, the Son of God.

The "thanks" is my heart-felt gratitude for those issues of THE VOICE OF HEALING which brought me, a hopeless cripple, healing and the New Birth, and I am still wonderfully healed. (Your May, 1950 issue, page 12, and 13, has my testimony.)

Because I have not written you recently is no sign that I have forgotten or that I am less thankful. I am thankful for this wonderful new life each and every minute, and I would rather die than go back to any part of the old life.

Thank you again and again.

Yours in His service,

TVH WINS CONVERTS TO FULL GOSPEL MOVEMENT

DEAR BROTHER LINDSAY:

I have cried and shouted many times while reading your magazine, THE VOICE OF HEALING. A precious Christian friend sent it to me.

Your articles are always so good, and two other people in this community subscribed when they read my copy. They live about two miles from me. Another person, who had scorned the Full Gospel people, since reading your wonderful magazine, has changed her opinion and now believes as we do!

SINFUL LIFE OF POLITICAL PARTY MEMBER CHANGED BY READING TVH

DEAR EDITORS:

I joined a political party in Central America and began to fight for "Central American unity, freedom and justice." One day I found myself with a gun in my hand and leading a band of volunteers. . . . I became separated from the main body of my unit and was lost in the jungle. I then lifted my heart to God and cried for mercy. Hallelujah! the Angel of the Lord stood by my side and spoke softly. He said, "Believe, obey, and the Lord shall be with you." They brought me down to Cartago, then in the hands of the enemy, and I was placed under guard. I began to read the Bible.

Then something happened that changed my whole plans. Your VOICE OF HEALING fell into my hands. One day I found myself reading it. Glory to God! I began to tell my friends about the Full Gospel, but most of them thought I was mad. "Poor brother," they said, "he is suffering the effects of the war, and is not in his right mind." Then led by God, I went into a Pentecostal mission. The pastor, who does not understand English, gave me a number of TVH magazines. This gave me an opportunity to read to him and others the great news of the revivals and miracles. Soon the names of great servants of the Lord were known to many.

I organized a little band called "The Christian Revival Prayer League." The Lord was with us and Port Limon saw the beginning of a revival. One day I found myself on my back with a heart attack. Brother Stanley McPherson came and prayed for me and I was healed.

I was praying and the Lord blessed me with His promise. The pastor's wife brought her sick child and it was healed. Others came and were healed. That night we had the greatest crowd in the chapel. I plan to leave soon for the United States.

TVH PROVES BLESSING TO PRISONERS

DEAR BROTHER:

One of your Magazines, THE VOICE OF HEALING, July 1953 issue, was given to me here in the Texas Prison and I surely received a blessing from it. The Days of Miracles are not over!

I have been studying the Holy Word for the last two years and have been blessed. The time has gone by lots easier during the last two years. I am in for a life term, but the Lord God has had mercy upon me and has given me rest for my soul. I surely believe the Bible everything in it!

THE CYCLONE

IN THE LIGHT OF BIBLE PROPHECY

By
Gordon Lindsay

Flint, Mich.

Waco, Tex.

Cleveland, O.

IN RECENT MONTHS there has been a phenomenal increase in destructive tornadoes which have taken the lives of hundreds of people, destroyed hundreds of millions of dollars worth of property, and brought terror and tragedy to whole communities. The big question is now being raised as to what is the cause of this unusual rise in the incidence of these storms. *Is there a prophetic significance in these great disturbances of the earth's atmosphere?* We believe that there is an answer to these questions. In this article we shall take note of certain facts revealed by the Scriptures which we believe throw some light on this matter.

THIS YEAR'S DEATHS FROM CYCLONES NUMEROUS

With the exception of the year 1925, more people have died this year from cyclones than in any year in history; and we have yet to go through the autumn season! The destructive tornado has so far affected no less than 30 states. So great has been the destruction in Texas, Ohio, and Michigan, that some of their large cities have been declared disaster areas.

At Waco, Texas, only a short distance from THE VOICE OF HEALING office, a cyclone leveled buildings as high as six stories. *This was the first time in history a tornado had struck the center of the business district of a large city.*

Two years ago, while our offices were yet in Shreveport, Louisiana, a tornado of great intensity passed a mile or two south of our location. Because the section traversed was just outside the thickly settled area, loss of life was not so great. Certainly the storm passed too close for comfort. One can only imagine the horror that comes to those who have been caught in the path of these whirling horrors. *Perhaps the greatest damage which occurred this year was in Flint, Michigan, where the path of the tornado left a destruction worse than war. Here the storm cut a destructive swath 1,000 feet wide and five miles long!*

THE WHIRLING HORROR STRIKES TERROR!

I know something of the terror of the cyclone. Some years ago in Central Texas, on a spring afternoon, we looked up at the sky and suddenly recognized,

in the distance, the whirling horror, a tornado. The rolling clouds were to the Southwest—just the direction from which a cyclone comes. At that moment the advance wind struck and *we saw large objects being torn from their moorings and go flying past us at terrific speed.* I was just a lad at that time and I, as well as my companions, were not a little frightened. Instinctively we jumped into our car and headed down the highway away from the direction of the whirling clouds. Behind us, in the distance, a building blew down. Despite our speed, debris was flying past us on either side. Road signs had blown loose and were flying through the air. As we drove on, gradually the ominous roar of the storm faded; but the cyclone moving on erratically left death and destruction over a wide area. We were unharmed, but we shall never forget the experience of those few moments.

HAVE THE ATOMIC TESTS CAUSED CYCLONES?

What is the cause of these disasters which have increased this year to such unprecedented numbers? The fact is that some of the nation's top scientists, though

loathe to discuss it in public, *have intimated that there is a definite connection between the atomic bomb tests and the unprecedented wave of tornadoes that have swept the nation.* Drew Pearson whose daily articles are syndicated in hundreds of newspapers, quotes a top scientist as saying:

**CAN AN ATOMIC EXPLOSION
CAUSE AN EXPLOSION IN
OUR ATMOSPHERE?**

"Admittedly, the forces that make up our weather are vastly greater than the power of the atomic blasts. But really the important question is rather 'Can an atomic explosion trigger an explosion in our atmosphere?' We all know that a few handfuls of silver iodide properly vaporized can bring down thousands of tons of rainfall. The silver iodide simply 'triggers' the action. For years, scientists have performed experiments with the Wilson Cloud Chamber—which is a glass chamber containing clear, moist air. And when we inject a few charged particles into the chamber, such as electrons, the moist air rapidly condenses into drops of water. The key fact in this experiment is that the particles are charged particles.

"Following an atom blast the air becomes full of dust particles—not just ordinary dust, but radioactive or charged dust. It's practically the same kind of charged 'dust' we use to trigger the reaction in the Wilson Cloud Chamber. When the conditions are right, a very small trigger of charged dust particles can produce a huge reaction, out of all proportions to the size of the trigger."

**WHAT EFFECT HAS "CHARGED"
RADIO-ACTIVE DUST?**

"Take the case of the Eastman Kodak Co., for example," explained the physicist. "They're located in Rochester, N. Y.—almost 3,000 miles away from the atom test grounds. Despite the distance, Eastman can detect radiation from an A-blast on their photographic film in Rochester. In fact, Eastman authorities are warned in advance of each explosion so they can safeguard their film from the radioactive dust shot in the air 3000 miles away. Remember, this is charged dust, and if it can float to Rochester, it can also float to Worcester, Mass., or Flint, Mich., or Cleveland, Ohio, where they've just had tornadoes.

"I'm not saying flatly that there's a connection between the atom explosions and the tornadoes. I certainly think there's enough evidence to make us want to examine the whole subject. Remember, a small trigger can set off a mighty big explosion. And those floating particles of radioactive dust may be just the trigger that old man weather needs to send him on a rampage."

If there is a connection between atomic explosions and the disastrous effects we

are witnessing, we should not be surprised, for man, in unlocking the power of the atom, is playing with one of the very secrets of the universe.

**SATANIC POWER—ANOTHER FACTOR
WHICH CONTROLS WEATHER!**

But there is another factor involved in the weather, which the Bible clearly reveals and which we cannot ignore—that is Satanic power. In Ephesians 2:2, Satan is spoken of as "the prince of the power of the air!" His power is not unlimited yet, under certain conditions, it is considerable. The Bible reveals that, at certain times, it is within the Devil's power to create destructive storms.

**Have You Read
The World Today
In Prophecy?**

By Gordon Lindsay

(See Page 31)

We find that true of the case in the story of Job. This godly man lived under Divine protection. God had built a hedge around him so that Job was protected from the diabolical hatred of Satan. The devil wandered around that hedge of protection from day to day, but he was unable to breach the wall that God had set up. For reasons which we cannot in detail discuss here, God permitted that protection to be removed for a season. We might add this much, however, Job partly explained the disaster that came upon him in the statement he made in

Job 3:25—"For the thing which I greatly feared is come upon me, and that which I was afraid of is come unto me."

Fear is an open door for the enemy to enter. *Fear will break down every protection that God has set up against the enemy.* You can't have faith when you have fear. *Faith is necessary if you are to appropriate the promise of God.*

**SATAN DESTROYED JOB'S CHILDREN,
PROPERTY WITH A CYCLONE!**

Satan, taking advantage of his opportunity, sought to destroy Job and all that he had. The patriarch's children on a certain day were engaged in drinking wine in their elder brother's house. Suddenly *"there came a great wind from the wilderness, and smote the four corners of the house, and it fell upon the young men."* (Job 1:19) The description apparently is that of a cyclone, striking in a rotary motion the four corners of the building, where they were drinking. The fall of the structure upon the young men quickly snuffed out their lives.

There is numerous mention of wind-storms in the Bible. *Some are spoken of as whirlwinds of destructive power.* When

Satan has control of a whirlwind, he uses it to destroy and to kill.

When God moves in the whirlwind, it is to bless and to heal. This was the case with Job. *"Then the Lord answered Job out of the whirlwind."* (Job 38:1) *The very thing that had brought tragedy and sorrow to Job by the hand of Satan, resulting in the loss of his children, now brought the voice of the living God to the sorrowing patriarch.* After showing Job the greatness of His power and reproving him for his lack of faith, He healed Job, restored his prosperity, and gave him twice as much as he had before. Though God may permit these terrible disasters to come to humanity, He, Himself, is not responsible for the disaster. It was Satan who brought both sickness and the cyclone to Job. Satan takes the advantage because man, through sin, carelessness, or fear, breaks down the hedge of Divine protection.

**THE COMMAND OF CHRIST
CALMS THE ELEMENTS**

Another illustration of the difference between whether God or Satan is in control of the weather is seen in the story of Elijah. When the prophet was at Mount Horeb, he heard the blast of a terrible windstorm that *"rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind."* (I Kings 19:11) (Only a cyclone could break rocks.) Then after the Scripture makes it clear that *God was not in this destructive wind, there came a "still small voice."* God was in the *"still small voice!"* The Lord had protected Elijah from the windstorm. *Later God did come to Elijah in a whirlwind, but it was not to take his life, but to take him into heaven so that he should not see death!* (II Kings 2:11)

Satan, no respecter of persons, once sought to destroy the life of Jesus and His disciples through a storm at sea. That Satan was the instigator of this storm is evident since it is unthinkable that God would have sought to have destroyed Christ and His disciples. The devil, however, overreached himself this time. No ship was ever built that would sink while Jesus was in it! *Christ arose from His sleep in the hinder part of the boat, and "rebuked" the wind,* thus indicating that an intelligent, though diabolical power had caused the storm. *Immediately the wind ceased!* (Mark 4:39)

**DESTRUCTION IN THE ELEMENTS
A SIGN OF THE END-TIME**

As the age draws to a close, the destructive forces of the wind are prophetically anticipated. Daniel symbolizes the destruction of the great Gentile powers at the end of the age through the "Smiting Stone" and the "wind" which carries away the debris. (Dan. 2:35) Christ declared that *one of the signs of the end-*

Osborn ^{THE} WORLD MISSIONS *Crusade* ~ Evangelizing With The Natives ~

THE WORK OF getting the Gospel to new tribes, areas, villages, and people is the work nearest the heart of God. It is what Jesus died for. It is our supreme task. It is helping to carry out Christ's last orders.

In all His plan of salvation, God has had the whole world in mind; not just the few educated and civilized peoples who are capable of intelligent understanding. The Gospel is for the whole world. "God so loved the WORLD," said Jesus. Later He taught, "The field is the WORLD." And before He went back to heaven, He commissioned all His disciples, "Go ye into all the WORLD!"

OVER TWO BILLION SOULS HAVE NEVER HEARD THE GOSPEL STORY!

IF "God so loved the world"; IF He commanded, "Go ye into all the world"; IF He "was not willing that any should perish"; IF He pleaded that we preach the Gospel to "every creature"; IF He asks, "How shall they hear without a preacher?"; IF He said, "The fields are white already unto harvest"; IF He directs us to pray the Lord of the harvest to "send forth labourers"; IF there are over 2 billion souls today who have never heard the Gospel once, and IF you want God's best for your life, then world evangelism is bound to be your supreme task. HAVE YOU ASKED HIM REGARDING YOUR RESPONSIBILITY?

A missionary well said, "I have but one candle of light to burn, and I would rather burn it out where men are dying in darkness, than in a land that is flooded with light."

Did you know that only 9% of the population of the world speak English? (Ninety-one per cent speak some other language.) Yet, did you realize that 94% of all ordained ministers are preaching to the small 9% of the people while only 6% of all ordained ministers are preaching to the massive 91%? And did you know that 96% of all the money given by Christians is used among the 9% while ONLY 4% IS USED AMONG THE 91%.

Is that fair? Can men of God read that and do nothing about it? Can people claim to be full of the Holy Ghost and not give themselves to do something to change these facts?

If 10 men were carrying a log—nine of them on the little end and one on the heavy end—and YOU WANTED TO HELP, on which end would you lift?

THE GREAT HARVEST IS RIPE.

Suppose two fields of golden grain are about to be lost in the storm. In one field, 94 reapers are at work; in the other, only six are labouring. YOU WANT TO HELP. To which field would you hasten to help?

James Gilmour of Mongolia was certainly right when he concluded: "To me the question was not, Why go? but, Why not go? Even on the ground of common sense I seemed called to be a missionary. Be-

cause, is the Kingdom not a great harvest field? Then I thought, it is only reasonable to seek to work where the work is most abundant and the workers are fewest."

J. L. Ewen declares: "As long as there are millions destitute of the Word of God and knowledge of Jesus Christ, it will be impossible for me to devote my time and energy to those who have both."

CHRIST COMMANDED US TO GO TO THEM.

We talk about Christ's second coming; these billions have never heard of His first coming. We talk about receiving a second blessing; these billions have never heard of a first blessing. We talk about a re-filling; these have never been offered a first filling.

I declare, it just is not fair. Jesus died for these billions, the same as He died for us. God loves them. Christ commanded us to go to them. His blood was shed for their souls. They are ignorant because we have failed them. They are heathen because we have neglected them. They are starving because we have not shared with them the Bread of Life like others shared it with us.

In the last generation, 750 million souls went into eternity who never heard a single time about Christ and His love. And since that generation, ¼ million souls have been born daily. The population has thus increased 44 million every year. Today there are 400 million more souls unevangelized than in the last generation. Does that mean that one billion, 150 million souls of this OUR GENERATION shall die without a single opportunity to hear of, and to accept Christ while we fatten ourselves on the Word of Life, receive innumerable "re-fillings" of the blessed Holy Spirit, fold our arms and warm our modernist pentecostal pews, and sing "I'm all packed up for my journey, I'm going to make heaven my home?" Are you content to fly away to your eternal abode of bliss, leaving one billion, 150 million precious men and women behind, OF YOUR OWN GENERATION, who never heard such a place was prepared?

Undoubtedly the missionary was right who said, "The greatest waste in the Christian church is the Christian lives in it."

PREJUDICE AND INDIFFERENCE ARE OUR GREATEST FOES.

The greatest foes of missions are prejudice and indifference; IGNORANCE is the mother of them both. I pray that these

stated facts shall wipe out your ignorance of them, thus dealing a death blow to their enemies, prejudice and indifference.

But Samuel Zwemer wisely warned, "Emotion is no substitute for action," and Dr. Oswald J. Smith adds, "YOU must go, or send a substitute." Neither you nor the heathen know how great their need is. Only God knows and He said, "Go ye."

Did you ever stop to reason: If Jesus had done the same for me as I have done for the heathen, what would my condition be today? If Jesus had not desired all the heathen to be saved, He would not have come. If you do not, you will not go. But if you changed places with the heathen, would you believe them converted if they had your spirit and conduct?

Keith Falconer of Arabia said: "While vast continents still lie shrouded in midnight darkness, and hundreds of millions still suffer the horrors of heathenism, the burden of proof rests upon you to show that the circumstances in which God has placed you were meant by Him to keep you out of the foreign fields." In other words, as another has asked, "Have you the Master's permission to stay home?"

EXCERPTS FROM LETTERS OF THOSE ABROAD PRESENT A CHALLENGE TO US.

We began immediately contacting various missionaries with respect to capable and proven native preachers under their supervision who are ready to go with the message into unreached areas.

Below are a few excerpts from the letters of men abroad who are giving their all to take Christ to the world. They all express the same staggering challenge.

FROM PANAMA: "We surely appreciate your burden for lost souls and your vision for the lost and dying on the mission fields. We believe fully that God will accomplish great things through the national workers on the various fields. We are amazed at what God does here before our eyes and all over this field. I hereby submit eight national workers who are devout, genuine, active workers, who are held back from full-time ministry solely because of lack of support. They are anointed workers with signs following their lives."

FROM GUATEMALA: "This work of 'evangelizing with the natives' is truly a great work and one that will prosper much in getting the Gospel to EVERY CREATURE and to EVERY NATION. The sooner this work is done, the sooner our Lord will return."

FROM EL SALVADOR: "Your precious letter thrills us, Praise God for His provisions. We have been making bricks for the last six years trying to make ends meet, and help the workers that cannot work and support their families at the same time. The following 10 names are some of these whom I have great confidence in, and who can do a great work. Count on us to do all we can to help reach the unevangelized multitudes."

FROM SOUTHERN RHODESIA, AFRICA: "I was so thrilled to read of your vision in sending out Native preachers to speed up the work of world evangelization. We have some splendid men in our district. How many can you actually take on from our field? I am told there is a place, only a day's journey from us, where there are many villages without one witness, and they live as they did hundreds of years ago. We must do MORE."

MASS EVANGELISM - WATCH OUT!

By

Robert P. Shuler

Editor of THE METHODIST CHALLENGE

(A challenging article for those engaged in present day mass revival effort)

ACROSS THE CENTURIES, God has raised up men and movements who have caused the sinful masses to stop, look, listen and repent. These men and movements have never fitted the arrangements of the church leaders of their generations. Nor have they ever permitted conspiring, self-appointed over-lords, ambitious for power, to exploit them. They have been God's men and God's movements. Such an up-surge of God-chosen evangelists and evangelism marks this day.

CONSPIRING LEADERS HAVE ALWAYS TRIED TO RESTRAIN GOD'S POWER

Conspiring leaders tried to organize Luther and fit him into their program. They failed and therefore Protestantism succeeded. Even in the church of the first century, there were exploiters of that which the Holy Ghost had begun at Pentecost. The history of the first ten centuries of Christianity points to several ambitious leaders who attempted to take over God's undertakings.

WESLEY, MOODY, AND OTHERS FOUGHT THIS RESTRICTION

Wesley met this thing face to face. Once Wesley was almost persuaded to modify his movement and message to suit the organized arrangements of his times. But he broke loose and went on preaching sin and salvation, depravity and a faith that saves, the fact of hell and that redemption was blood bought. As a result, sin-

ners fell on their faces, conviction was deep and pungent, a sense of lostness was terrible and Christ became in England and America the Redeemer and Saviour of the people.

D. L. Moody fought through his whole life against regimentation and the confining restrictions of various organizations that sought to tie him to their ambitious programs.

Finney was always aware of the necessity of declaring his freedom under God to preach a saving gospel to sinful men. Even the church that had sent him out sought to shackle him and confine his efforts.

Sam Jones finally declared open war against the Bishops of Methodism and broke loose completely from all organized effort to guide and direct his ministry.

Billy Sunday was a free lance, if not a rebel, from the start.

And now, once again, God is visiting His people. Mass evangelism has become popular everywhere. Cities and hamlets are searching for tents, halls, theaters, stadiums and open air pavilions where the people may gather by thousands to hear the gospel. As in other times, chosen men have appeared and God is crowning their efforts. The people are on their knees confessing their sins. Tears are flowing. There is deep conviction. Repentance has come back to Zion, such as the Good Book declares should be and must be.

SUBSTITUTES SUGGESTED

And, as in all times past, the substitutes are now being suggested and the effort to regiment and channel God's movements are to right and left. We hear of simultaneous campaigns of ingathering, of visitation organizations and of all kinds of corollary methods and efforts, all seeking to either substitute for or to channel this mighty Holy Ghost movement that is swelling across America. Men are rising up with their own schemes to assist God with His. This is not new! It is as old as history!

We sincerely hope those who seek to follow the voice of God will not be diverted from the undoubted direction in which the Holy Spirit is going today. *The horrible condition of the world cannot be successfully met by salesmanship and personal conferences, even in the hands of pious men. THIS DAY CALLS FOR THE THUNDERING OF THE PROPHET; The pastor in his church cannot do it. He is not doing it. He never has done it.*

THE WORLD MUST REPENT

The world must be shaken and convulsed with penitential grief because of sin, and that is not done by little campaigns! This is done by a movement, and GOD IS IN CHARGE OF THAT KIND OF THING RIGHT NOW!

We little ambitious planners had best stay out of His way!

THE CYCLONE IN THE LIGHT OF BIBLE PROPHECY

By Gordon Lindsay

(Continued from Page 23)

time was "the sea and the waves roaring." (Luke 21:25) Convulsions of the ocean are generally caused by hurricane forces unleashed on its surface. Such was the storm which brought about the disaster in the Low Countries.

In Jeremiah 25:32, 33, the Lord, speaking of His judgment on the nations, declares—

"Behold, evil shall go forth from nation to nation, and a great whirlwind shall be raised up from the coasts of the earth.

"And the slain of the Lord shall be at that day from one end of the earth to the other end of the earth."

Are these terrible tornadoes indication that we are now coming into the time spoken of by the prophet?

Again, Isaiah 66:15, 16, declares that at the endtime the Lord shall come in judgment with His chariots like a whirlwind! By this and by fire and by His sword will He plead with all flesh. Alas, for those that are caught in the judgment! The next few verses show that it

will come upon all nations—upon all people who are not ready, and have neglected the call of the Gospel.

WE LOOK FOR A NEW HEAVEN AND A NEW EARTH—A PERFECT EARTH!

To those who have repented, is given the promise of "the new heavens and the new earth," which shall remain forever. (II Peter 3:13)

The promise of the "new earth" recalls the judgment that has come upon the present earth. In the Garden of Eden, storms never occurred. Earth's weather was perfect! There were no rainstorms, for the earth was watered by a mist arising at night. At the fall of Adam, however, a curse came on the earth. Later in the days of the Flood the climate was radically altered. The fountains of the deep were opened, and it is believed by many that, at that time, the tilt of the earth's axis was increased. This apparently is indicated in the Psalms where it says,

"All the foundations of the earth

are out of course." (Psa. 82:5)

The extreme tilt of the earth's axis causes the rapid change of the seasons. This is the true cause of the cyclones and the hurricanes (although atomic explosions may have accelerated them). The warm air of the south rushing northward meets the cold dry air of the north. The two bodies of air do not mix, but they convulsively roll one around the other, producing the rotary effect of the tornado.

CHRIST IS OUR HIDING PLACE FROM "THE WIND" OF DESTRUCTION!

The prophet Isaiah gives us a promise of protection from the storm! He says, "And 'A Man' shall be as an hiding place from the wind, and a covert from the tempest; as rivers of water in a dry place, as the shadow of a great rock in a weary land." (Isaiah 32:2)

Who is that Man? That Man is Christ, the One Who delivered the disciples from the tempest on the Sea of Galilee! Friends, accept that hiding place now. Fail to heed the call of God to the safety of that hiding place and judgment will be sure to strike—for elsewhere is no protection; there is no place to hide!

RELIGIOUS ANTAGONISM

"THE Association to Combat Conversion" is the name of an organization recently formed in Israel which held a mass meeting in a large synagogue of Jerusalem to foster its objectives, according to a report appearing in "The Jews in the News." Religious leaders in the Jewish State issued public statements which have aroused considerable comment. The Chief Rabbinate in Jerusalem has published an appeal against Christian missions in Israel. The appeal, signed by the two chief rabbis, was addressed to all rabbis and religious functionaries, who were requested to fight against missionary activities. The appeal began with these words: "Four hundred apostles of Satan, missionaries, among them baptized Jews, traitors to their own heritage, have descended upon our country like a swarm of locusts." Jesus, speaking of His followers in the last days, said: "Ye shall be hated . . . for my name's sake." (Matt. 10:22) The present attitude toward Christians in Israel seems to be a fulfillment of this prophesy.

ADVANCEMENT IN ISRAEL

The first of two giant turbines, each with a capacity of 50,000 kilowatts, has been installed at the Reading Electric Plant in Tel Aviv and is producing electricity. This increases the output of electricity in the country by 40 per cent. Sales of electric power have risen from 329,205,000 kilowatt hours in 1949 to 668,591,000 in 1952. When the second generator is installed later this year, the country will have a total capacity output sufficient for both industrial and domestic consumption at the present stage of Israel's development.

Exports from Israel in the first three months of this year totaled 22 million dollars, as against 17.9 million dollars in the same period last year, according to "The Jerusalem Post."

Israel has experienced its most successful year in the export of citrus products overseas. During the 1952-53 export season 5,300,000 cases were shipped abroad. Eighteen countries, most of them in Europe, purchased citrus products from Israel. Among these countries were Denmark, Finland, Norway, Holland, Belgium, France and Great Britain. Shipments last year totaled 3,700,000 cases, so the increase this year represents a 50 per cent rise in exports.

The building up of Zion is a definite sign of the soon coming of Christ. "When the Lord shall build up Zion, he shall appear in his glory." (Psalm 102:16).

CREATION GROANETH

Above normal temperatures continued in the drought-stricken Southwest during July. Statewide farming came to a virtual standstill because of the drought in Texas. The situation was so serious that Gov. Allan Shivers proclaimed a day of prayer for rain. Cattlemen particularly were hard hit by the dry spell. Stock and ranges were going to ruin in what officials say was the worst Texas drought in history. President Eisenhower formally designated 152 counties in Texas and 40 in Oklahoma as disaster areas. In Colorado, a grasshopper invasion menaced more than 1,000,000 acres of ranch and farm lands.

Southern Japan had to dig out from wreckage of floods in which police listed 427 persons dead, 699 missing and 823 injured. More than 1,083,000 others fled to high ground from homes washed away or inundated by the rampaging waters caused by 27 inches of rainfall in five days. Unofficial estimates placed the casualties at more than 2,500.

Reports of this nature, coming from many parts of the world, week after week only serve to emphasize the proph-

ecy in the 8th chapter of Romans, "the whole creation groaneth and travaileth . . . waiting for the . . . redemption." This is a clear picture of how unusual happenings will take place even in "creation" in the last days as the "day of redemption" (Christ's appearing) draws nigh.

EPIDEMICS

Indian officials in Calcutta have reported that approximately 200 persons are dying weekly in a cholera epidemic raging in the city. An epidemic of typhoid fever has been raging in Sweden. Many have died, and more than 6,000 persons were hospitalized in serious condition. Such epidemics of various diseases and pestilences will no doubt increase in many parts of the world as we get nearer to the hour of Christ's appearance for His waiting Bride. The 24th chapter of Matthew speaks of these things for the last days.

ATOMIC AGE

Hanson Baldwin, military analyst of the New York Times, wrote concerning this atomic age: "The official estimate of a federal agency that the Soviet Union now had the capability of causing more than 11,000,000 casualties in the United States by an atomic attack upon our cities, attracted little attention. There was no extraordinary exodus from New York; there was no weeping in the streets in Washington, no public prayer in Detroit. . . ." How truly this emphasizes the "business as usual" attitude today, as prophesied by Jesus in Matthew 24:38.

BONDAGE OF DICTATORSHIP

The Russian worker is making less to day than he did when free enterprise—such as it was there—was ended in the Soviet. This is the conclusion of an analysis of the real earnings of a Russian worker in terms of food purchasing power as made by the U. S. Department of Labor Bureau of Labor Statistics, and reported in the AFL News-Reporter.

The analysis shows that the average Russian worker has to work 45 per cent longer in 1953 than in 1928 to buy the same weekly supply of seven important foods: bread, potatoes, beef, butter, eggs, milk, and sugar. The Soviet worker, it is also shown, has to work 67 per cent longer to buy a pound of bread, 43 per cent longer for a pound of beef, 244 per cent longer to buy a quart of milk. This is only a small indication of how things will be when antichrist is revealed and controls mankind. The present dictator trend is preparing the way for the subjugation of the masses (Read Revelation 13:16, 17).
