FIFTH ANNUAL VOICE OF HEALING CONVENTION (For Details See Page 4)

DECEMBER 8, 9, 10, 11, CHICAGO, ILLINOIS — PLAN TO ATTEND!

WORLD WIDE PRAYER CRUSADE

AFTER A TIME OF FASTING and prayer and waiting on God, we at THE VOICE OF HEALING have felt led in the Spirit to call the Christians of all nations to united prayer.

One shall chase a thousand and two shall put ten thousand to flight." The time has come when believers of all groups who believe in the power of prayer should unite their faith and prayers in mighty intercession to God for world-wide revival that will bring Jesus back to this earth.

RUSSIA HAS THE HYDROGEN BOMB

On August 20, 1953, there came the verification by the scientists of America that Russia has perfected and exploded a hydrogen bomb. Russia's Premier Malenkov had indeed made such an announcement previously, but it was discounted in nearly all quarters. The corroboration of his statement on August 20 is the most foreboding announcement that has yet reached the peoples of the world. Here at last is a weapon, one thousand times more deadly than the atomic bomb, that will completely destroy the largest city of the world, thus fulfilling the words of Jesus that "except those days should be shortened, there should no flesh be saved." (Matt. 24:22) America, too, has the hydrogen bomb, but, because her cities and industries are so concentrated, she is far more vulnerable than Russia. It is indeed time for America to pray. There is not a moment to lose.

TIME FOR THE PEOPLE OF GOD TO PRAY FOR EACH OTHER

Daily there comes to our office a vast number of prayer requests from people who desperately need help from God. We pray daily for these requests, but we realize that, because of the world crisis, we must mobilize all the people of God to pray, and do it at once. Religious organizations who may call their own people to prayer are not in a position to call all believers to united prayer. THE VOICE OF HEALING, whose evangelists represent many groups, finds that this responsibility falls upon it.

We must have, first of all, a band of people who will pray for each other. Jesus prayed first for those who believed in Him—John 17:9, "I pray not for the world, but for them which thou hast given me; for they are thine." This does not mean that Jesus never prayed for the world, for He told His disciples to pray for their enemies and indeed, at Calvary, Jesus prayed for His persecutors—"Father, forgive them; for they know not what they do." (Luke 23:34)

The important thing is that Jesus first of all prayed for His disciples, those who believed on Him, and for them who would believe "through their word" (verse 20), which includes us. The Church will realize the fullness of Divine healing when

BACK TO THIS EARTH!**

its members pray for each other. "Confess your faults one to another, and pray one for another, that ye may be healed." (James 5:16)

Those who need healing as well as those who have been healed should become members of this world-wide prayer band, that each may secure the benefits of the united definite prayer of the Church.

WORLD EVANGELIZATION NOW

We are in a race against time! Jesus said, as we have already mentioned, that if Divine intervention were not to come, "no flesh should be saved." God is raising up men for this hour but, except the whole Church prays unitedly, the plan of God cannot be fulfilled. God has intended that the people pray.

How shall we pray that world evangelization may be accomplished? First, let us intercede for the men on the field who are reaching millions of people, both in this country and in foreign lands. Never before in history have so few reached so many. But the evangelists need the prayers of the whole Church. Satan, angered at the success of this ministry of deliverance, has gone forth with great wrath to hinder and obstruct these revivals.

PRAY FOR NATIVE EVANGELISM

Moreover, we must pray for the plan of native evangelism, which has been introduced in this magazine. White missionaries are rapidly being forced out of many fields. At one blow China, representing one-fourth of the world's population, has been closed to Christianity. Native missionaries, who cannot be deported, must be sent out at once in great numbers to make Christianity in their lands indigenous.

PRAY FOR RELIGIOUS LITERATURE PROGRAM

To get this message of deliverance to the ministers, missionaries, and the people of God over the world, THE VOICE OF HEALING MAGAZINE has been raised up, and with it a literature program and a national broadcast. These means have been mightily used of God in the past to alert millions of people to this great move of God. But the work must be greatly accelerated. We must have the prayers of all of God's people at once.

We at THE VOICE OF HEALING have

been praying for hundreds and thousands of people, but now we believe, because of the magnitude of the task which is increasing daily, we must have the united prayers of all of God's people.

We must mention that this prayer plan includes the prayers for the local pastors and the local church. We must strengthen the hands of the local ministers. This plan of united prayer envisages the coming of a mighty visitation of God's blessing upon all of God's ministers and a strengthening of the message of deliverance in the local church.

WILL YOU UNITE WITH US FOR WORLD-WIDE REVIVAL?

Do you need the united prayers of God's people on your life and your family? Do you yourself need deliverance from disease or affliction? Will you join us in a united prayer effort that will pray the blessing of God down on the world, and prepare the way for Christ's coming? On page three is an application blank. Fill it out and you will be sent a certificate showing that you are one of this great prayer band. On the back of this certificate is printed the prayer program for evangelization of the world.

SPECIAL BOOK TO BE GIVEN MEMBERS OF THE PRAYER BAND

We have just prepared a small booklet which contains some 25 or more prophecies given in the Spirit of God for these times. It is entitled PROPHECIES FOR THE CHURCH AT THE END TIME. We have felt that these remarkable prophecies are too sacred to put on sale in the ordinary manner. Nor is this booklet for any, except those who will pray. It will not be sold from our office. Its purpose is to inspire the people of God to pray as never before. The prophecies in it have been given by the gift of prophecy, and those who read them will note their inspiration by their own internal evidence. The complete absence of sectarianism of these prophecies identifies them as the voice of God calling to His entire Church.

It costs considerably to publish this booklet. It is, however, free to you. We shall gratefully accept gifts for the furtherance of this ministry of world-evangelization—through the sending out of the messages of deliverance by radio broadcast and free literature. We hope that many shall be able to do this, but, whether you are able or not, we shall send you without cost, the booklet PROPHECIES OF THE END TIME, if you will join us in this world-wide prayer crusade.

It is our purpose to make available from time to time to this prayer band other special messages, given in the Spirit of prophecy, which are addressed particularly to God's choicest saints—the people who pray.

The Radio in the Plan of WORLD-WIDE REVIVAL Crusade

PLAN TO REACH THE NATION BY MEANS OF RADIO

LINKED with the project of the WORLD-WIDE REVIVAL CRUSADE is the plan to reach the nation by means of radio. Just what is the object of this new program? The answers are given below:

1. It will supplement THE VOICE OF HEALING Magazine in publicizing the news of the great revivals which are spreading through the world.

2. It will bring the voices of the world's leading evangelists directly into your home.

3. It will reach the homes of many who live outside the cities and who, therefore, cannot conveniently attend the revival in the cities.

4. It will enable our readers and listeners to have a closer touch with the activities of THE VOICE OF HEALING,

so that they can more fully participate in the crusade for WORLD-WIDE REVIVAL.

5. Its message of faith will help you to receive deliverance from your sickness or affliction. ABOVE ALL, IT WILL CARRY THE MESSAGE OF DELIVERANCE FROM SIN THROUGH JESUS CHRIST, OUR SAVIOUR!

HOW YOU CAN HELP!

1. If there is a Voice of Healing program already on the air in your city, keep us informed how it is being received. Perhaps the hour it is released in your area can be improved. It is not always possible to get the best time immediately. We are also anxious to learn the range that the program has at each outlet.

2. Inform your friends of the program, and the hour, by a telephone call just before program time.

3. Give to the Radio and Literature Fund!

4. Pray for us—THE VOICE OF HEALING—that we shall accomplish the great task before us. Pray that this Salvation-Healing revival will spread to every nation of the globe! Your prayers, letters, and gifts, will make it possible to continue these programs on the air! Write to us regularly!

5. Why not sponsor or assist in sponsoring a program in your area? In view of the part THE VOICE OF HEALING has played in the past, in this WORLD-WIDE REVIVAL CRUSADE, you can have confidence that your gifts will bring a return to you in eternity, which is beyond estimate. DR. STOWELL'S AMAZING EXPERIMENT!

The Testimony of Dr. N. Jerome Stowell

Adapted For Publication By Thomas R. Nickel

THIS STORY TELLS how a startling experiment helped lead a Scientist, engaged in top-secret work, to turn from Atheism to Christ.

Dr. N. Jerome Stowell only a few weeks ago was a Scientist and an Atheist. Now he is a Full Gospel Christian declaring the wonderful truths of the Almighty God he discovered by scientific instrumentation!

Here is one of the most amazing scientific discoveries of all times and a conversion surely as great as that of Saul of Tarsus! Dr. N. Jerome Stowell was a scientist working on terrible devices for the destruction of mankind. His previous experiments made him concerned in regards to his relation to God. His wife took a trip to Oklahoma, and in his loneliness he prayed to God that He would make Himself manifest. Doctor Stowell knelt for prayer with Don Throne and had a born again experience. He attended the Los Angeles Breakfast-Broadcast of the Full Gospel Business Men's Fellowship and began seeking the Baptism of the Holy Ghost which he received two weeks later at a Holy Ghost Rally. His wife felt she did not fit into this picture, but the immensity and reality of her husband's experience gradually became so apparent to her that she too sought and received her Baptism, being under the Power of God two and a half hours. Doctor Stowell has given up his work and is busily engaged witnessing as to the goodness and greatness of God.

I WAS ALMOST a devout atheist. I didn't believe that God was any more than a conglomeration of everyone's mind put together and the good that was there—that was God as far as I was concerned. As for the real, all-powerful God existing and loving us all, with power over everything, I didn't believe that!

EACH PERSON'S WAVE-LENGTH DIFFERS

Then one day I had an experience that really set me thinking. I was in a large pathological laboratory and we were attempting to find the wavelength of the brain. We found more than just a wavelength of the brain: we found a channel of wavelengths, and that channel has so much room in it that the different wavelengths of each individual brain is farther separated in identity than the fingerprints on each individual's hand. This is a point we should remember: God can actually

DR. STOWELL was converted just before the *Hayes-Lindsay Salvation-Healing* campaign began in Long Beach, California. He attended the campaign and gave his remarkable testimony there. Later Evangelist Alton Hayes baptized him in water. Brother Demas Shakarian gave permission for this article to be published in *THE VOICE OF HEALING*, simultaneously with publication in *"THE FULL GOSPEL BUSINESS MEN'S VOICE."*

keep in Heaven a record of our thoughts as individuals just as the FBI can keep a record of our fingerprints in Washington, D. C.

A CHRISTIAN'S DYING THOUGHTS WERE RECORDED

We wanted to make an experiment to discover what took place in the brain at the moment of transition from life to death. We chose a lady whose family had sent her to a mental institution, but who had been discharged. The doctors could find nothing wrong with her other than the fact that she had cancer of the brain. This affected the balance of her body only. As far as her alertness of mind was concerned, and every other way, she was exceptionally brilliant. But we knew that she was on the verge of death and she was informed in this research hospital that she was going to die.

We arranged a tiny pickup in her room to ascertain what would take place in the transition of her brain from life to death. We also put a very small microphone, about the size of a quarter, in the room so that we could hear what she said if she had anything to say.

WOMAN'S PRAYERS ASTOUNDS FIVE SCIENTISTS

Five of us hardened scientists—perhaps I was the hardest and most atheistic of the group—were in an adjoining room

with our instruments prepared to register and record what transpired. Our device had a needle pointing to 0 in the center of a scale. To the right the scale was calibrated to 500 points positive. To the left the scale was calibrated to 500 points negative. We previously had registered on this identical instrument the power used by a fifty kilowatt broadcast station in sending a message around the world. The needle registered 9 points on the positive side.

As the last moments of this woman's life arrived, she began to pray and to praise the Lord. She asked the Lord God to be merciful unto those who had despitely used her. Then she reaffirmed her faith in God, telling Him she knew He was the only power and that He was the living power. She told God He always had been and always would be. She praised God and thanked Him for His power and for her knowledge of His reality. She told Him how much she loved Him!

We scientists had been so engrossed with this woman's prayer that we had forgotten our experiment. We looked at each other and saw tears streaming down scientific faces. I had not shed tears since I was a child.

RECORDING NEEDLE REGISTERED 500 POSITIVE AS GOD WAS PRAISED

Suddenly we heard a clicking sound on our forgotten instrument. We looked and the needle was registering a positive 500 desperately trying to go higher, only to bounce against the 500 positive post in its attempt!

By actual instrumentation we had recorded that the brain of a woman alone and dying in communication with God had registered more than 55 times the power used by a fifty kilowatt broadcast station in sending a message around the world.

UNGODLY MAN'S THOUGHTS REGISTERED 500 NEGATIVE

After this, we decided to try a case very unlike the first one. We chose a man lying in the research hospital, stricken with a deadly social disease. His brain had become atrophied to the very point of death. He was practically a maniac.

(Continued on Page 7)

"WOE UNTO THEE, BETHSAIDA!"—REVEREND JACK MOORE and YOUNG BROWN walk on the road from Bethsaida to Capernaum. In Jesus' time, great cities flourished on this plain by the Sea of Galilee. Because they rejected the healing revivals, these cities came under the curse. Scarcely a trace of these prosperous cities remains.

PICTURED TO THE RIGHT is the actual site of Bethsaida today. (See Matthew 11:20-24)

Jerusalem—Past, Present and Future!

COME WITH ME TO THE CITY! After long hours of waiting on Customs officials at the borders of Syria and Trans-Jordan, we cross the most famous of all rivers, the Jordan. Shortly we are in Jericho. Close by are the ruins of the Jericho of Joshua's time. To the south lies the fabulously rich Dead Sea, called Salt Sea in the Bible. Geographically, we are standing on the lowest spot of earth. Jesus passed through here; nearby He lifted Bartimaeus, blind and begging, to sight and salvation. This typifies the whole race, once as low spiritually as we could get, blind to eternal values and very poor, for on this very road we had been robbed, wounded and left half dead until Mercy sent the Good Samaritan to lift up our heads and bind our wounds, taking us into His care.

Away to the west we see high mountains, almost 4,000 feet above us. We catch a glimpse of a number of spiraling towers. "What could these be?" we asked the native guide.

"Jerusalem," he answered.

JERUSALEM—THE CITY OF THE GREAT KING

Oh, could it be! Jerusalem, the city of the Great King! Our hearts beat faster in anticipating the city of the Bible. Up and up we drive over the Jericho Road to the city of David, Solomon, Isaiah, Jeremiah, Ezekiel—a vast city even when Rome was founded. No other city on earth can boast of such prominence; for almost four thousand years chosen of the Lord, though rejected for an age. No other city has had its name so often recorded in sacred writ.

We have reached Bethany, near to the Mount of Olives. Here indeed we are well nigh overcome with the memories of the stupendous events that transpired

By

Rev. Jack T. Moore

here. Then our attention is drawn to the wretched poverty and misery of the present Moslem inhabitants, stretching forth their hands, crying "BACHSHEESH!"

We are filled with mingled feelings of pity and indignation at the melancholy conditions of the native population here and through the Moslem countries. Our thoughts turn back to the most sacred events of all history. Very close by our Saviour bade them farewell for a time; from here He ascended up and was received out of their sight to someday return in like manner to this very spot. From here He sent them back to receive the Holy Ghost, fulfilling the Feast of Pentecost that had been kept here for long centuries, turning the Synagogue of the nation into the church of mankind.

THE GARDEN OF GETHSEMANE

From here Jesus looked over the city of Jerusalem and wept, saying "How oft would I have gathered you under my wings, but ye would not." A few hundred yards east we passed the site of Lazarus' tomb. Here again the Man of Sorrows wept. Between us and the city lies the Garden of Gethsemane where Jesus prayed in such agony His sweat was as great drops of blood falling to the ground; such love and pity could come from none less than the heart of the Divine Father of the race. On this very spot a thousand years before passed Israel's mightiest earthly king, David—weeping, barefoot and head covered, rejected, denied. What more could we expect for David's offspring and Lord?

From the Mount of Olives we gaze across the valley of the Kedron and Gar-

den of Gethsemane. We see the once Beautiful Gate where a few days after Pentecost A. D. 30, the first miracle was performed in the Saviour's name. The gate is blocked with stone; nevertheless this has become a Gate of Hope for all cripples to this present hour, for this hour all things are possible to him that believeth. Just inside the wall stands the Mosque of Omar, on the site of Solomon's Temple, where for a thousand years, from Solomon to A.D. 70, their national religious life centered.

Jesus walked one day into this Temple and they heard Him say, "Destroy it and in three days I will raise it up again." "But this spake He of the temple of His body." The central fact of all Christian revelation is that God was in Christ reconciled unto Himself. Now in the Temple of His humanity, we have redemption even the forgiveness of our sins, being reconciled to God by Him. Humanity and deity meet in the person of the Son of God. We discover God in Christ, for in Him all fullness dwelt; on the other hand God sees us in Christ and we are accepted in the Beloved. He said He was greater than the Temple and Solomon also.

In a day or so we will return to this blessed Mt. Olivet, but now we journey to our place of lodging as the evening shadows are fast falling about the Holy City.

MOUNT CALVARY—GOLGOTHA'S HILL

Today we go to Calvary, the most sacred spot in all the earth. A brief walk north of the Damascus gate, not far from the Grotto of Jeremiah where the prophet, according to tradition, is said to have written his Lamentations. It is near the highway to Damascus and encircled by rock caverns and tombs, a skull-shaped rocky elevation outside of the walls of the city. The foulest crime ever committed in earth was done here. Man proved his total depravity and worthlessness when he killed the Lord of Glory. He could sink no lower. Yet God is able to make the wrath of man to praise Him. The bloody dew that fell from His brow

and wounds speaks pardon and peace and life to a dying world. How oft have the echoes from the swinging hammers that nailed Him there thundered upon the hearts of sinners and awakened them from the slumber of death.

We must go, thanking our heavenly Lord for Calvary. From this little spot has gone forth a mighty stream of life and hope upon the whole human race for time and eternity. Nearby we visit the Garden tomb, hewn out of solid rock where Jesus rested in death through the Sabbath to arise early on the first day of the week and was seen by His disciples on several occasions, even by 500 at one time. Over half of these were yet alive when Paul wrote I Corinthians 15.

JERUSALEM . . . PRESENT

Today the city is hopelessly divided. Through its heart runs a no-man's land. Armed men patrol the borders. Is it the time of Jacob's trouble? After long centuries of wandering amid the nations, the Jew is restored to his land, only to find Ishmael and Esau challenging his right to all the land and city. Is not this the beginning of the world's greatest drama?

Peter, in the third chapter of Acts, speaks of the heavens receiving Jesus until the restitution of Israel to its homeland. Jesus Himself, had said Jerusalem would be trodden down of the Gentiles until the times of the Gentiles be fulfilled. Paul wrote to Thessalonica not to be troubled, for the "day of the Lord" would come as a thief in the night, but it was not then at hand. *Rev. 16:15—"Behold, I come as a thief. Blessed is he that watcheth."* His coming again is very eminent; much nearer than most people are aware of.

JERUSALEM—FUTURE

What happened in Jerusalem, A. D. 70, could be a classic example of what may soon come on a world scale. The Roman scourge of Jerusalem stands unparalleled in human history. Their sin required this judgment, for Moses had said that every soul which refused to hear this Prophet should be cut off, for God had told Moses: *"I'll put my words in Him, also my name." "The words I speak," said Jesus, "are not mine; they are the words of my Father."* . . . thus identifying Himself as that Prophet Moses spoke about.

As we draw near to the end of Gentile world power, we ask, what is their prime sin? The answer comes back, *"refusing the words of that Prophet."*

Look at Jerusalem under the siege by Titus for nine months. Inside, division and fighting among themselves; outside the Roman Army . . . no escape . . . over the city a horror of darkness. Finally the Great City is buried and for days great pillars of smoke linger in the air, fulfilling one phase of the prophecy of blood fire and pillars of smoke.

"LOOK UP; LIFT UP YOUR HEADS!"

Luke 21:24 speaks of the times of the Gentiles being fulfilled, of distress of nations with perplexity. These same words were used to describe the Greek Theatres when they were on fire and there was no way out, the exit doors locked!

Are we about to witness the horrors of the destruction of Jerusalem on a world-wide scale? If so, woe is us that we were ever born to come to this terribly fatal hour. To His own He said, *"Look up; lift up your heads!"* Why?

"YOUR REDEMPTION DRAWETH NIGH!"

Evangelist Samuel B. de Klerk

GRANTS PASS, OREGON, SCENE OF MIRACULOUS BLESSINGS AS EVANGELIST DE KLERK MINISTERS

*By Norene C. Nichols, Associate Pastor
Assembly of God Church
Grants Pass, Oregon*

ONCE AGAIN the Revival Center Tabernacle in Grants Pass, Oregon, has rung with the shouts and praises of victory and triumph. Evangelist Samuel B. de Klerk, who has just come to this country from Johannesburg, South Africa, was with us in two weeks of meetings, August 9-23.

His ministry is one that will long be remembered with fondest and most blessed memories. With a spirit so very tender and compassionate did he minister nightly to the sick and afflicted. With a calm yet powerful assurance did he lay hands upon the needy ones, and healings followed.

Besides his ministry to the sick ones, Brother de Klerk preaches the Word without fear or favor of anyone. Also, his unusual ministry of song, in which he makes the song come alive, is a source not only of enjoyment but of blessing and encouragement.

Many reports of healing have already been publicly given during Brother de Klerk's meetings with us, to say nothing of those that have not been publicly given.

One man who had had his arm injured, while at work, and was under the care of a doctor, was wonderfully and gloriously healed, and the doctor released him to return to his work again.

A child with a crossed eye, who always put her clothes on backward due to this, was delivered and—at once—she began putting her clothes on right. The mother of this child also was healed of a tumor, and it passed from her body.

Another lady was instantly healed of gall bladder trouble, and now she eats whatever she wants to with no ill effects.

A stiff hand, back trouble, internal troubles, chronic headaches and all sorts of disorders were healed in these meetings. Praise the Lord!

An unusual thing happened one night during the meetings when three children, in one family, were marvelously filled with the Holy Spirit, and burst forth in other languages praising the Lord.

This South African Evangelist, Samuel B. de Klerk, is surely one of the Lord, and his ministry is unusual and outstanding.

DR. STOWELL'S AMAZING EXPERIMENT

(Continued from Page 5)

After we had set up our instruments, we arranged for one of the nurses to antagonize the man. Through her wiles she attracted his interest in her and then suddenly told him she didn't want to have anything more to do with him. He began to verbally abuse her and the needle began to register on the negative side. Then *he cursed her and took the name of God in vain. The needle suddenly clicked back and forth against the 500 negative post!*

By actual instrumentation, we had registered what happened in the brain when that brain broke one of God's Ten Commandments. *"Thou shalt not take the name of the Lord thy God in vain."*

SCIENCE MEASURED THE POWER OF GOD AND THE POWER OF SATAN

We had established by instrumentation the positive power of God and the negative power of the Adversary. We had found that beneficial truth is positive and that non-beneficial things, covered by the *"thou shalt nots"* of the Ten Commandments, are negative in varying degrees.

If we scientists can record these things: I believe with all my heart that the Lord God can keep a record of our thoughts! He has more power than we have and is a better record keeper than any of us on this earth.

GOD'S TRUTH EMANATES POWER

As a scientist I don't believe the halo painted around Jesus' head is merely an artist's conception. I believe with all my heart that it is emanating power, it is magnetic and electromotive power that was actually with Him because in all ways He was with God in His truth!

This power is promised to us. We are promised that if we think His thoughts and keep His commandments, the faithful will be caught up to meet Jesus when He returns.

God has given us many great and wonderful things. The greatest and most wonderful of these is His only begotten Son, Jesus Christ, Who was crucified on the Cross, who gave His life and blood that we might have everlasting life, that we might be cleansed from our sins and be healed of our diseases. Just before Jesus ascended to Heaven He said, *"But ye shall receive power, after that the Holy Ghost is come upon you."* (Acts 1:8) Previously He commanded His followers to tarry until they be endued with power and had promised to pray the Father Who would send another Comforter, the Holy Ghost, even the Spirit of Truth.

GOD'S PRESENCE GIVES POWER

It is this Presence of God in us that gives us power, the extent of which we have no conception as to its magnitude!

I am a scientist who loves the Lord God with all my heart, mind, might and soul. I want you to pray for me that I will always be faithful, that I will always be humble, that I will always magnify His truth, that I will always think and say and do the things a positive God wants me to think and say and do, and that I will think and say and do nothing according to the wishes of a negative Adversary, who kept me blinded and bound so many years!

[Further reports and information concerning this GREAT MISSIONARY CRUSADE will be carried monthly under this heading—OSBORN—"WORLD MISSIONS" CRUSADE!]

AS REVIVAL CONTINUES TO SPREAD across the world, a change in missionary thinking is rapidly developing. Reports of slow progress and endless struggle to win a few souls are being replaced by shouts of victory as one after another tells of the masses hearing the Gospel in some great open-air campaign; of multitudes of the heathen accepting Christ as "this Gospel of the Kingdom" is being proclaimed with evidence.

Why is all this? Because the harvest is ripe! The Gospel seed faithfully sown by missionaries and workers of past generations is at last springing forth in an abundant harvest and, at the same time, God is raising up, and sending forth an army of reapers who are proclaiming the Gospel with signs, wonders and miracles following their ministries. Nothing short of the miraculous ministry of Christ has ever, or will ever convince the heathen.

NATIVE PREACHERS ARE CATCHING THE VISION

In all of these great sweeping revivals, in foreign countries, scores of native preachers are catching the vision that the only way to see their people won to Christ is through the miraculous ministry of Christ today. They are hiding themselves in prayer and in fasting, and God is raising them up with new vision and sending them forth to help reap the harvest of their generation.

Realizing the tremendous advantages the native preacher has, being accustomed to his own people, their living conditions, their language, their food, etc., we know that the secret to world evangelization rests almost entirely with them. The hundred of thousands of villages and small towns will never be reached by the missionary or foreign evangelist, but a precedent can be established and vision created by those who are willing to go, and not only will a city be swept by revival, but the native brethren will carry the flame on and on to every remote area in that country, if they can be helped by a small assistance. In fact many of them will press forward without outside help (and they should do so), but it is in the interest of assisting the native preachers in reaching the **unevangelized tribes and areas** with the message, that we have been setting before the American people, this summer, a simple plan of systematic giving for the support of such—not to support native pastors but to assist native missionaries, in opening up new areas, just as we sup-

NATIVE MISSIONARIES ARE BEING PRAYERFULLY AND CAREFULLY CHOSEN

Thus far, we have only presented this plan three or four nights in three different campaigns, and without the slightest exertion of pressure, some \$35,000.00 has been promised for the forth coming year. By giving systematically (a small amount each month), it makes it possible for us to continue our foreign campaigns while the people at home continue supporting the native pioneer missionaries in many other countries of the world.

Progress has been slow during these first few months, because of the time involved in foreign correspondence, clearly setting before the missionary supervisors the plan concerned. Missionaries are exercising extreme caution in choosing natives who are trust-worthy and capable of opening up new areas and, because of sad experiences in the past, a great amount of ground-work is being done to assure both the mission boards and the missionary field supervisors of complete cooperation with them.

Plans are being worked out for the Foreign Missionary Secretaries of the Full Gospel organizations to handle the applications from their own fields, decide on the amounts to be given each native, and then our only action will be to determine whether, or not, the ministry of each native applicant, recommended for assistance, agrees with the principal purpose for which this plan has been instituted, i.e., to get the Gospel to areas where it has not yet been preached.

WE MUST GO FORWARD FIRMLY, STEADILY AND WITH PATIENCE

Great patience must be exercised in carrying out any effort of this proportion. Opposition which arises must be dealt with. This work is the very nearest thing to the heart of God, to strive at reaching the un-evangelized areas of the world with the blessed news of Christ. It therefore is bound to be a direct advance against Satan's kingdom, and must doubtless be bitterly opposed by those without Christ's vision. But, as in anything which really counts, we must take each step firmly and steadily; exercise the patience necessary in dealing with our many adversaries, and let nothing turn us aside from our objective, because it is written,

"This Gospel of the Kingdom shall be preached in all the world for a witness to all nations; and then shall the end come" (Matt. 24:14).

Applications are beginning to reach our office in Tulsa from various countries, and it is our hope that very soon, now, capable native missionaries will be launching forth into new areas, reaching new tribes, thus taking another vital step forward to prepare the way for our Lord's imminent return.

"I Received My Healing Through TVH Ministry"

IT WAS through the faith building ministry of the Voice of Healing that I learned how to receive healing for my body. Bro. T. L. Osborne's messages were especially enlightening.

For about a year I had a sugar allergy. It was necessary to drink large quantities

of grapefruit juice to somewhat control it. It caused excessive swelling, forming a head like a boil on various parts of my face, especially around my eyes. It was very painful. This happened about every two weeks.

When I fully realized that my healing was already purchased by Christ, and my

deliverance depended on my accepting it, I claimed my healing. Instead of drinking grapefruit juice, I ate some candy. Jesus Christ delivered me from this affliction, as I stood on His promise in His Word. *That was three and one half years ago and I am still healed!*

Recently I was also delivered from a severe case of sinus trouble. I have learned that when Satan sends symptoms of afflictions, to rebuke him, and claim my healing through the merits of Jesus.

Student in Bible Institute Converted Reading TVH

DEAR TVH EDITORS:

THE VOICE OF HEALING has been a blessing to us and many others. One of those who was converted through TVH while in the Hospital, has now enrolled as a student in the Assembly of God Bible Institute in Nigeria here and, for this and all others who have been blessed, we thank you and give the glory to Jesus Christ.

Yours in Him,

The Personal Testimony and Healing of **DR. EMMETT A. McNABB**

“**A**LL HOPE ABANDON, ye who enter here” — that quotation from Dante's *Inferno* is, in essence, what the Specialist told me. “Definitely you have arthritis,” he said, “and you have it to a very uncomfortable degree. As far as I know there is no cure for it as Medical Science actually does not know what causes arthritis. My advice is to prepare to endure the pain and to face whatever crippling effects that may develop.” The doctor did not intend to be unkind. On the contrary, he was very sympathetic for he added “I can understand how you feel. For thirty years I, too, have suffered indescribably with arthritis and you can see the results.” The doctor showed me his right leg—stiff, drawn, misshapen. “As a doctor,” he concluded, “all I can say is—grin and bear it!”

As a comparatively young minister I had gritted my teeth and borne my affliction with dignity, thinking that there was a cure somewhere, but now I realized the utter hopelessness of my condition. The crippling effects of the disease were obvious to everyone and I was more and more being accepted as an invalid.

During these awful years, although I was sincere and earnest as a pastor, it never once occurred to me to seek the healing power of God. I tried almost every known medical therapy and treatment. I spent much time and money going to places with their hot climates and sunny beaches hoping to get some relief. *I never thought that God would be concerned about the healing of my body.* All my theological training had taught me that miracles “are not for today.” As an educated minister I condescendingly pitied those who believed that God would perform any miracles in this day and age.

It is noteworthy that during these years I had a secret yearning—deep and intense—for a more intimate knowledge of God. I began to question within my heart why that I (along with most city pastors) was not preaching the whole Bible. Is the Bible inspired of God or isn't it? Is not believing **only part** and preaching **only part** of the Bible diluting it so that none of it is of effect? Is Jesus *the “same yesterday, and today, and forever?”* I began to feel that mental honesty demanded that I declare the **WHOLE** counsel of God or none of it. Too much preaching, I concluded, was a hodge-podge of good advice, psychology, snappy illustrations, and sprinklings of sentimental dribble.

HERE IS THE STORY of the healing of a former Christian Church minister, who suffered from arthritis in advanced stages and who was delivered, after listening to a message on healing faith over the radio from Angelus Temple, Los Angeles. — Reported by Howard Rusthoi.

Dr. McNabb

“I WAS TAUGHT THAT ‘miracles are not for today’ and I never thought that God would be concerned about the healing of my body.

“The only comfort the doctor could give me was — ‘All I can say is — grin and bear it;’ but God — in His infinite mercy — reached down and HEALED ME COMPLETELY, FILLED ME WITH THE HOLY SPIRIT, AND CHOSE ME TO PROCLAIM HIS GLORIOUS FULL GOSPEL!

“I learned, by my own experience, that ‘Jesus Christ is the same yesterday, and today, and for ever.’ (Hebrews 13:8)”

DR. EMMETT A. McNABB

Heart-sick, soul-weary, and suffering with the ever-creeping arthritis I resigned the pastorate to which I had been called for life and I began to travel with no particular destination in mind.

One Sunday night in January ('53) while in Los Angeles, California, I listened intently to a sermon on the theme, “Have faith in God.” My desperation and extremity had humbled me and I was willing to listen to a message of faith even though it came from those whom I had formerly called deluded extremists and emotional fanatics. After the service, in the privacy of my room, I thought at length concerning the message I had heard on faith. I kept asking myself, are all things **really** possible to one who has faith? Is Jesus the same today as He was yesterday? I began to pray and to seek God with my whole heart. It was then that I made a complete and full surrender to God. *I promised God that if I were given my health that I would preach the whole Bible—the full gospel—and that I would be a living testimony to His great power.* A surge of faith came upon me and I poured out my heart in a simple prayer—“You can heal me **now**, Lord Jesus. I know that you can. Lord Jesus, heal me now of arthritis!”

Within seconds my leg began to straighten to its full length, for the first time in three years; the strained, taut muscles relaxed, and all the tortuous pain left my entire body. *From that moment I have not had one pain or iota of evidence of arthritis in my body!*

My complete healing is an obvious and indisputable fact to all my friends. They all admit that it happened but a few, admitting that it was miraculous, hesitate to give God the glory. They remind me that modern theology, professors of religion, schools, ministers, and churches teach that there is no such thing as miracles of healing today—of God performing a miracle of healing upon the body of any one in this age. So It can't happen!

But (they admit) it **HAS** happened!

From the minute I was healed I knew that I was a man marked for God. A few days later the Lord brought me into a beautiful relationship with Himself in filling me with His Holy Spirit! My spiritual eyes have been opened and His power and presence now in my life and ministry bespeak His graciousness.

As I stand in the pulpits of the various churches—preaching the **whole Bible—the full gospel**—I am conscious that it took a miracle to put me in the position where God would heal me and call me into a compelling full gospel ministry.

Startling Incidents and

"A VOICE" WARNED ENGINEER— "BRIDGE IS GONE!"

A CERTAIN MR. TRUMAN, engineer on the Erie railroad, a man who believed in prayer and who committed his train into the hands of God each time before he left the station, some years ago was making his regular run on that line. It was an inky black night and he was traveling along at a speed of about seventy miles an hour. *Suddenly he heard a voice which seemed to come from behind him, saying, "The bridge is gone."*

He turned around to see who it was speaking to him, but could see no one except his fireman who was on the other side of the cab. Turning to the fireman, he told him what he had heard.

The fireman laughed and said, "What's the matter old-timer, are you losing your nerve?"

As the engine came to the bend near the bridge, Mr. Truman stopped the train. The conductor hurried forward and remonstrated with the engineer saying, "Come on, come on, we're way late now."

Nevertheless, the engineer insisted that they walk around the bend and check the bridge. When they did, lo, to their great surprise, THEY FOUND THAT THE BRIDGE HAD BEEN BURNED OUT! Only Mr. Truman's decision to heed the warning he had received had saved the train and the lives of the passengers.

* * * *

[The writer, who sends us this account, states that he heard Mr. Truman relate this incident at the Pacific Garden Mission in Chicago, and says that, when Mr. Truman finished the story, he took a letter from his pocket, which was from the president of the Erie Railroad, thanking him for his carefulness.]

PASTOR SUMRALL'S PRAYER DELIVERS GIRL FROM DEMONS

CLARITA VILLANUEVA, age 18, became the most talked about person in the Philippines recently when two invisible demons began to bite her. Clarita was an inmate of the Manila city jail, and the mayor, prison officials and doctors were frightened by what was going on in her cell. They tried in vain to help her.

The terrifying story was publicized far and wide. It appeared in American newspapers. A glorious sequel to the story has come to us from Lester Sumrall, pastor of the Assemblies of God evangelistic center in Manila. He reports that he personally saw the teeth marks which the demons made in the girl's flesh. Brother Sumrall writes:

"After reading newspaper reports for several days and listening to radio broadcasts of doctors, psychiatrists, etc. trying

in vain to help, I volunteered my services to the mayor of Manila to go and pray for her. I fasted and prayed two days, then went to the jail twice and prayed with her. *God delivered the girl!* She is now in Welfareville, a school for juveniles. The story of her deliverance took the front page of the daily papers."

The mayor and city officials were so grateful for the girl's deliverance that at Brother Sumrall's request they revoked the tax for his building permit. The permit would have cost \$750.00 but the city fathers passed a special ordinance to exempt the new evangelistic center.

JONAH 1:17 — "Now the Lord had prepared a great fish to swallow up Jonah."

MAN SWALLOWED BY FISH

MANY HAVE BEEN THE DOUBTS EXPRESSED by modern skeptics over the authenticity of the story of Jonah being swallowed by a fish. Recently, however, an article has appeared in "REAL" magazine which gives an authenticated account of a man being swallowed by a fish and who afterward lived to tell the story:

"A trawler was passing through the English channel, when suddenly there was sounded an alarm, 'Man overboard!' dories were hastily lowered to the water in an effort to locate the missing sailor. Suddenly the boatswain, commanding the first dory, gestured frantically. Some distance away across the choppy waters was the hapless seaman, floundering about, but still afloat.

"The men started for him, then stopped, horror-stricken. Before their eyes emerged a gigantic sea monster from the surface of the water. It snatched the splashing sailor into its maw, and then disappeared silently below the water.

"Word was passed through the trawler fleet, and all ships started in search of the big fish. At the end of 48 hours of grim patrolling the monster was sighted, and harpooners went into action. The hide of the fish proved to be too tough, however, for the harpoons glanced off its side. A one-pound deck gun was swung into action and scored a direct hit. The fish's tail slapped angrily and then was still.

"A trawler immediately towed the shark (for that was what it was) to land, where it was planned to open the fish and give the sailor a decent burial. To the astonishment of the assembled mourners, when the seaman was rescued from the shark, he showed signs of life. He was immediately rushed to the hospital. Physicians worked over him and he was found to be uninjured, except for shock and attendant weakness. In a short time he fully recovered, although he could remember little or nothing about his experience.

"He was placed on exhibition in a London Museum, and was billed as 'The Twentieth Century Jonah.' There he told his strange story several times a day. His appearance had changed, for his skin was mottled by yellowish-brown patches, and every hair on his body had disappeared. After a time the sailor retired to live in a remote English village, apparently having suffered no harm from his 48-hour sojourn in the belly of the fish.

"The incident was accepted by many as a verification of the authenticity of the story of Jonah."

Amazing Answers to Prayer

WHEN LINCOLN TALKED TO GOD

A VISITOR to the White House during the days of the Civil War said: "I had been spending three weeks in the White House with Mr. Lincoln, as his guest. One night—it was just after the battle of Bull Run—I was restless and could not sleep. It was coming near to the dawn of the day, when I heard low tones proceeding from a private room where the President slept. The door was partly open.

"Instinctively I walked in, and there I saw a sight which I shall never forget. It was the President, kneeling before an open Bible. The light was turned low in the room. His back was toward me. I shall never forget his tones, so piteous and so sorrowful:

"O Thou God, that heard Solomon in the night when he prayed and cried for wisdom, hear me! I cannot guide the affairs of this nation, without Thy help. I am poor and weak and sinful. O God, Thou didst hear Solomon when he cried for wisdom—hear me and save this nation."

God heard, and He answered him then and there. Will He not answer today: "Call upon me in the day of trouble, and I will answer thee," said the Lord. God answers prayer.—*Christian Beacon*.

PRAYER SAVES FROM FALLING WIRE

IN THE WINTER of 1925 I received a telegram to try to get to Port de Grave (about five miles from Bay Roberts) for a meeting with the company of saints there on Sunday. On Sunday morning a Northeast storm, with freezing rain, was on but, like John Wesley, I would like to make it and, in his journals, we read that God often miraculously got him there on time.

I purposed in my heart to believe God to get me to my destination likewise. I got a man to take me along on what we call a slide with a piece of board to sit on. The storm increased as we went along and, about a mile from the town, on the highland called Bare Head Hills the storm was at its height. The telegraph poles were coated with a heavy coat of ice and the wires were like large cables.

Suddenly, as I sheltered behind the driver, I felt an urge to pray. As I began, my English was gone and I prayed as the spirit gave utterance. The few words were very sweet. Just at that moment a heavy wire broke to the windward of us and came down to the ground with a loud bang. My driver cried out "If that had hit the horse, it would have killed her." When we got down to the valley I told him that I was praying just as the wire broke, that could have killed both of us as well as the horse.

The next morning it was made more real to me, when we heard that nine telegraph poles came down just behind

us at the same time. We could have been killed. I praised God for taking me through.

FINANCIAL NEED SUPPLIED THROUGH PRAYER

WE HAD BEEN PRAYING for several weeks about a financial need, and it seemed we could get no answer from the Lord.

On the morning of the 13th of April, 1953, I prayed and waited upon the Lord. I prayed again and again. The third time I called upon Him, and waited before the Lord, I heard from Heaven.

A scripture was impressed upon my mind. I turned to it, Numbers 13:1, "And the Lord spake . . . (unto Moses) saying." I was amazed for I knew that verse was incomplete in itself. So I prayed again and asked Him what He wanted to tell me. This time I waited in a spirit of expectancy. Again a scripture was impressed upon my mind. It was Numbers 33:3.

From that verse, these words fastened upon my mind as barnacles on a ship, "... on the fifteenth day . . . on the morrow after." This was on the thirteenth day, and after looking at the calendar, I reasoned, the fourteenth was tomorrow, and the fifteenth the morrow after. I believed the Lord!

Upon arriving home, I told my wife. We began to await anxiously and expectantly the fifteenth day.

On the morning of the fifteenth, I went to the post office, and lo, in the mail was a check which relieved the strain that was upon us! We rejoiced more over the reception of the check, however, because it came in answer to the WORD OF THE LORD. Praise His Name!

CHRISTIANS SPARED FROM MURDEROUS, SAVAGE MOB AFTER PRAYER

IT WAS LATE AT NIGHT. A stealthy knock was heard at the door of Mrs. Neighbor's home on the tropic isle of Java. A small half-naked Javanese man had come with tidings.

"Nonja," he whispered hoarsely, "the head men are meeting at the mosque. They are plotting to destroy as many Christians as possible around here. You and your family are to be killed if they can find you.

"Listen! They will beat the drums at the mosque at a certain hour. That is the signal for all the people to assemble there to start on their murdering spree. Nonja,

you have been kind to my family, so I have come to warn you. Please hide. All of you!"

As quietly as he had come, the Javanese friend slipped out into the humid heat of the tropic darkness and was gone.

But what was Mrs. Neighbor to do? Here they were, a family of four women and one boy. The men of the home had been taken away by the Japanese who had captured the island of Java in that fateful year of 1942.

Mrs. Neighbor had fled from Singapore to Java to be with her mother. Surely Java would never fall. But it had fallen.

When the Japanese took over, they befriended the non-Christian majority, giving them many privileges. This encouraged them to take advantage of the situation. Now was their time to wipe out all the Christians in the area!

What could four women and one boy do? Run? No. Flight was impossible. They did not dare request protection from the police or higher authorities. All were unsympathetic. The only recourse was prayer. But how to pray? "Oh, God! Protect us. Hide us." They gathered in the living room trying to pray. But their ears were waiting for the fatal drum beat—the drum beat of death! Oh, if only God would intervene!

And then, in the distance, they heard the dreaded sound of drums. In a short time a horde of men would be coming their way, armed with knives and bamboo spears. They would be bent on one thing, to kill all Christians.

They prayed again, "Oh God, tell us how to pray!" Clutching at their hearts for fear, they prayed and watched from the window. Would the storming mob come on the road that led past their home?

Suddenly they remembered Elisha's prayer: "Lord, smite this people, I pray Thee, with blindness." They cried out afresh to God, "Blind their eyes. Don't let them see this place."

Suddenly, they looked out! The mad throngs were coming down the road right toward the house. The hearts of this helpless Christian group seemed to stop beating. The murderers, brandishing spears and yelling as only a mad mob can yell, were coming right on. Now they were going by. They did not even glance in the direction of the house!

Breathlessly, Mrs. Neighbor and the others waited until the last man had passed out of sight. Then, their prayers gave place to praise. What a time of shouting they had, thanking God for His goodness and mercy to them. Four women and a boy had proved that God was able. He could take care of His own without the help of man.

The people did not riot again. The Japanese authorities took adequate steps to prevent further disturbances.

DOWN the YEARS!

IT IS 25 MILES FROM JERUSALEM to Jericho. It is all downhill, which is why the Scriptures say, "A certain man went DOWN to Jericho," for if you go from Jerusalem to Jericho you certainly go DOWN—you descend 3,000 feet in 25 miles. You can almost travel the whole distance on a free engine. The road curves a great deal and is among hills, because of which, even these days, it lends itself to highway robbery. It is quite easy to understand many being beaten and robbed on this road, not only in the year 53 but also the year 1953.

The only building you pass on the way is the Good Samaritan's Inn, on the left-hand side of the road. The Dead Sea is 1200 feet below sea level, and you see a sign in three languages at sea level. The Dead Sea is 26 per cent salt compared with ordinary sea water, which is about 4½ per cent salt. That means it is about a quarter solid. It is impossible to sink in the Dead Sea. A non-swimmer would never drown there—you just can't go under.

THE CHILDREN OF ISRAEL VIEWED THE PROMISED LAND—BEFORE THEY ENTERED IT

As you look across the Dead Sea, you can see the Mountains of Moab. You can see the place where Sodom and Gomorrah once stood, and where Lot's wife was turned into a pillar of salt. You can see Mount Pisgah where Moses stood and viewed the Promised Land.

God showed the Children of Israel the Promised Land before He took them into it. He does the same to-day. The Promised Land speaks in type of all the spiritual experiences God has for us these days. God promised them the Land—He also has given us "exceeding great and precious promises." There were Giants that sought to hinder them—there are giants that would seek to hinder us. It was faith that took them in—it is faith that will take us in. It was not the strength of their own right arm, but the promises of God that gave them the victory.

Personal, intimate experiences from life, of God's dealings, and the glorious aspects ahead.

We have come quite a distance. Many giants have been fought and victories have been won. Ammonites, Amorites and Moabites have fallen before us and we are glad. We can look back at victories won and experiences enjoyed—we can look forward to victories yet to win. Perhaps a few personal past experiences as well as future hopes and ambitions might help.

THE PROMISED LAND LOOKED WONDERFUL BUT THE GIANTS LOOKED TOO "BIG"

Thirty years ago the writer read *John 3:16*. He caught a glimpse of truth and hope sprang up in his breast; when he read of the possibility of "having everlasting life" and "never perishing." The promised land looked wonderful, but the giants in the way looked too big and formidable—it all seemed too good to be true, and he wondered if such an experience was for him. It all seemed far beyond him, and he wondered.

And yet, believe it or not, that land was possessed and that victory was won, and, to-day without a doubt, the writer stands on the other side of the battleground, and knows of a very surety that he "has everlasting life and will never perish." That is wonderful and he is glad.

CITIES OF THE PROMISED LAND WERE TAKEN ONE BY ONE

Two years later the writer came across another experience, which also seemed far beyond him and too good to be true. He read in *Acts 2:4* of what happened on the Day of Pentecost. He was told that this experience was for to-day, and wondered. He was told it was for him, and he wondered still more. It seemed far too wonderful to think that he would ever receive an experience like the "Early Disciples" received on the Day of Pentecost, and that he would speak in a language that he had never learned.

Well on May 1, 1925, the seeming impossible happened, and to-day he is also on the other side of that battleground. Like the Children of Israel of old, he saw both experiences, including the giants, before he entered into them.

More recently, while in New Zealand, the writer read another Scripture and saw further land to be possessed. He read *Galatians 5:24*—

"And they that are Christ's have crucified the flesh with the affections and lusts."

"Why," he thought, "the flesh, with its affections and lusts is where all the trouble is, and victory here is victory indeed." It was possible to have other

experiences and still be in need of this one—possible to have conquered Ammonites, Moabites and still need victory over Jebusites.

VICTORY COMES BY BELIEVING—NOT THROUGH STRUGGLING OR FIGHTING

Victory to-day comes exactly as it came of old. It was not by struggling or fighting but believing. He remembered the message of *Hebrews 4*, where we are encouraged to rest after a perfect work of redemption, as God rested after a perfect work of creation.

He remembered how he had fought. He remembered how he had struggled. He remembered how he had prayed. He remembered how he had fasted and how he had confessed. He remembered how he had wept over his inward wrongness, longing for inward purity, and yet after years of Christian experience he was no nearer inward cleanness and soundness, and he wondered. Had he been seeking victory the wrong way.

Absolute cleanness, perfection in the truest sense, inward moral soundness and all that goes with it, complete victory over the "*flesh with its affections and lusts*" in actual day by day experience, were all promised in this verse. It was a sight of the promised land before entering in, and was no more seemingly hopeless and impossible than the other two experiences.

GOD'S WORD IS MORE RELIABLE THAN FEELINGS

And then he remembered that the Scripture was positive: "*They that are Christ's HAVE crucified the flesh with its affections and lusts.*" It does not say that they SHOULD, they COULD or they OUGHT TO, but believe it or not IT SAYS "*THEY HAVE.*" And hope sprang into his heart as he remembered that God's Word was ALWAYS TRUE. If God says "*HAVE*" well "*HAVE IT IS.*" How wonderful are the "*HAVES*" the "*HATHS*" and the "*HAVE NOTS*" OF GOD'S WORD.

God's word is more reliable than what we feel. It is more reliable than what we see, and more dependable than what we know or understand. What we feel may be wrong. What we think may be wrong, and what we understand may be wrong, but God's Word is NEVER wrong. Man's word may be right, but God's Word is ALWAYS right.

And so he was faced with the alternative of whether he would believe what God said, or whether he would believe what he thought, felt and understood. He eventually decided to believe God's Word regardless of everything else, and what a victory this brought and what a panorama of truth opened up before him.

"ALL THINGS ARE YOURS"—THROUGH CHRIST!

This brought such a flood of Scriptures before him. He read *Romans 8:2*, "*For the law of the spirit of life in Christ Jesus HATH made me free from the law of sin and death.*" and he decided that this was truly so, and "*HATH*" means "*HATH.*" He read *Ephesians 1:3*, "*Blessed be the God and Father of our Lord Jesus Christ, who HATH blessed us with ALL spiritual blessings in Heavenly Places.*"

He had known these Scriptures by heart for years, but had never really believed them. He decided that we pray about many things that God says are ours already! His joy knew no bounds as he read, "*All things are yours, and ye are Christs and Christ is God's,*" and he right then and there, decided that all things were his and he was Christ's and Christ was God's, and he acted upon it.

He decided that we were GIANTS ASLEEP, and were going around like paupers with signed checks in our pockets. He decided that God knew who we were, and the Devil knew who we were, but WE DIDN'T KNOW WHO WE WERE. He decided that the only place to find out who we were, was in God's Word. He then looked to see what the Word of God said about us, and remembered that we could not go by what others thought of us, for the Apostle Paul said, "*It is a small matter to be judged of you or of man's judgment,*" and neither could we go by what we thought of ourselves, for the same Apostle said, "*I judge not myself.*" Therefore, he had learned that the only place to find out who and what we are was in God's Word, and that He said some truly amazing things. It is time we believe it, for failure to realize our standing in Christ is the true cause of all Christian's weakness to-day.

Have you read—
WHY CHRISTIANS ARE SICK
By Gordon Lindsay

(See Page 31)

"YE ARE COMPLETE IN HIM"

When he read "*Ye are complete in Him*" he could not express the joy that filled his heart, and when he read, "*And if children, then heirs; HEIRS OF GOD AND JOINT HEIRS WITH CHRIST*" the joy of it was an experience like the Baptism of the Holy Spirit all over again, and well could he understand why the Disciples looked and acted like drunken men on the Day of Pentecost. He was ashamed to think that he had gone so long in his weakness and insufficiency and had failed to see what the Scriptures speak of as the "*inheritance of the saints in light*" (*Colossians 1:12*). Surely Christ's riches were "*unsearchable*" and it was time that we knew "*the things that are freely given to us of God*" (*1 Cor. 2:12*).

Our greatest need to-day is for "revelation" and illumination" and the answer to the Apostle Paul's prayer, "*that the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him.*" (*Ephesians 1:17*).

YOU CAN HAVE A LIFE OF COMPLETE VICTORY

Yes, that which was impossible had come to pass. By the grace and power of God, this giant also had been laid low, and this tribe vanquished. Another battle had been fought and another victory had been won. We have a different message now, a positive message—we know where we are and what we have, and have been lifted above a life that is always "walking on egg shells."

Maybe this is still a future experience for you dear reader, or maybe you have come through this also and have possessed the land.

THERE IS HEALING FOR YOU!

Maybe "*With His stripes ye are healed*" is another giant that is still in front of you. Maybe it seems very wonderful, but so very impossible, as there are so many giants. Well: all the writer needs to say is that it is no more impossible than the three above experiences were to him. Maybe there is something else he should say, and that is that God's Word is true—it is truer than your ache; it is truer than your pain; it is truer than your cancer; it is truer than your growth; and it is truer than your symptoms. Your ache could be wrong; your pain could be wrong; your tumor could be wrong; your growth could be wrong and your symptoms could be wrong. BUT LISTEN WHILE HE SUGGESTS TO YOU. QUIETLY, POSITIVELY AND SO VERY DEFINITELY, GOD'S WORD IS NEVER WRONG. AND IS MUCH MORE WORTHY OF OUR TRUST AND CONFIDENCE than the other things that we so often so readily believe.

The last tribe beaten in Canaan, was the tribe of the Jebusites. One by one the others fell before the Children of Israel, and one by one spiritual giants are also falling before God's children to-day. The Jebusites were encamped around Jerusalem, and fought valiantly and courageously and would just not give in, but at last they were routed and put to confusion.

"GREATER WORKS SHALL YE DO"—WAS ONE OF CHRIST'S LAST PROMISES

In closing let the writer say that there is one more spiritual experience that he hopes doesn't frighten you "because the giants of that land are big." It doesn't frighten him, and he has to confess that as he looks at it, it is no more impossible of fulfilment than *John 3:16*, *Acts 2:4* and *Galatians 5:24* were in the years gone by. When you have seen other giants laid low and victories won, and land possessed, that have been shown you before you entered in, you have confidence that the God who has brought you thus far, will take you right on.

Here it is—*John 14:12*:

"*Verily, Verily I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.*"

THOSE WHO BELIEVE—ENTER IN!

It means exactly what it says. The whole promise hinges on our "*believing in Him.*" Nothing is promised to unbelief, but everything to faith. A man told a congregation how God healed his sick horse, just like John Wesley also testified. Perhaps you don't believe God heals sick horses—well, if your horse gets sick, it will have to die, that's all. We get what we believe for. God is as big as we make Him. Out of a thousand Christians who believe that God can, only one out of that thousand believes God "*can and will through me.*" They are the Joshuas and the Calebs, THEY ARE THE ONES WHO ENTER IN. WHAT WILL OUR CHOICE BE?

MY LIFE

a Miracle of God!

By

Evangelist Russell B. Park

THIS STORY is not written to edify man, myself or others. The glory is to God (I Cor. 10:31) without whom we would all be miserable failures.

*"Without Him, I could do nothing,
Without Him, I WOULD SURELY
FAIL!
Without Him, I would only be drifting,
Like a ship without a sail."*

AT FOUR—BONE INFECTION STRUCK

When I was four years of age the dread disease of osteomyelitis, a bone infection similar to tuberculosis of the bone, struck my body in my leg just above the left knee.

What could have been a tragedy was a blessing to my life, and that of my parents, as well as to a host of our friends and relatives—for in nearly five years of being an invalid, they all saw the mighty hand of God work through the atonement of His Son on Calvary. Within a few hours after I was stricken I was in San Antonio's Santa Rosa Hospital and shortly thereafter three inches of the bone above my left knee was removed. From this time until I was nearly ten years of age I never knew what it was to play with other children or have a normal life.

DIVINE HEALING UNKNOWN TO US— FATHER SPENT FORTUNE SEEKING MEDICAL AID FOR ME—TO NO AVAIL

Divine healing was scarcely known of in those dark days. My Mother was raised in a Baptist home. Some of her folk were Christians, but knew nothing of the power of God to deliver a sick body from the clutches of the demon of death. In a few short years my Father had spent all that he had and could borrow. Nine of the country's best doctors matched their skill against this dread disease. *Finality was written upon their faces one morning as they told my parents that I could never walk again and that they despaired of my life.* Their verdict was that three more inches of bone had to be removed from my leg as an only hope for my survival. These men further stated that they were quite fearful that my physical

Rev. Russell Park

condition could not withstand another major operation as my weight, at the age of eight, was exactly the same as when I was four.

During this time I had suffered thirteen incisions and my leg was swollen to twice its normal size. Poison ran throughout my body and my appetite was gone. Modern methods of giving nourishment and food were unknown. The suffering within what was left of my body was indescribable. My physical appearance was unbearable, for those who loved me, to look upon. I know it must have been terrible for my parents to think for a lifetime they would have a helpless cripple, should I live. *To the natural eye the situation was hopeless.* The Red Sea place in their life had come.

RAYMOND T. RICHEY—CAME TO SAN ANTONIO

In this four year interval of suffering in my life, a Holy Ghost anointed, God sent, revival fire was being kindled in the heart of a great man of God. God was speaking to him and giving him power to take the message of Divine deliverance to this nation and reaffirm the possibilities of Apostolic power for people of our generation. That man was Raymond T. Richey. I believe it was sometime in 1926, when I was at my lowest ebb, that Brother Richey came to our city.

San Antonio's leading gathering place, Beethoven Hall, was secured for Brother Richey's Healing Campaign.

GRANDMOTHER HEALED OF PARALYSIS

One night my father was persuaded to go. He went through curiosity. He left convinced for a blind Mexican court reporter, known personally to him and most of the city, was instantly healed in the audience while listening to Brother Richey preach. In the prayer line a lady known to my Father to have been deaf for years was healed. He went and spoke to this lady whom he had years before delivered groceries to, as a boy. His skepticism faded and faith took hold. My Grandmother, who had been totally paralyzed for nine years, was taken by my Father to the meeting, and was instantly touched and healed by the power of God.

I was taken and was prayed for by Brother Richey. Nothing happened at that moment, for God was trying to work out something in the lives of my parents. What they received there was to remain an integral part of their lives to this day.

MOTHER DEDICATED ME WHOLLY TO GOD

God was dealing with my Father's heart. He had not yet accepted Christ. As the Richey meeting closed, the horrible verdict of the doctors, which I have previously mentioned, was given. When night came on the day of the doctor's message of despair, my Mother, inspired by the message of deliverance, knelt by my bedside and kept an all night vigil in prayer interceding before God for my deliverance. During this prayer she dedicated me 100 percent to God to be His, from that time of my life to the end, however long or short it may be. She believed God accepted her offer and consecration. Because she believed, God did just that! As grey dawn faded beneath the early morning sun her fears faded with the shadows for, when she felt of my frail body, my fever was cooled for the first time in over four years and I lay in a pool of perspiration. Victory was sweet—for the first words I spoke were, "Mother I'm hungry."

GOD PERFORMED A MIRACLE ON MY BODY

The miracle took place. Day after day, for nine days, little slivers of bone worked out of my leg. When the nine days were over and they came to roll me down the hall to X-ray for the operation that was to remove three more inches of bone, it was noticed my condition was improved. The X-ray showed there was no bone (that nine days before was there) lying loose which had to be removed. God had worked a miracle. He had removed the diseased bone.

The greater miracle lies in the fact that the same God who removed the diseased bone also grew more bone in that leg! The leg on which I was never to walk grew in one year to strength. Though it had lost four years of growth, *within one year it was as long and as large as the other!* Today it is just as firm and solid and on a foot that was once swiveled and withered I wear, filled out, the same size shoe and there is not the slightest trace of a limp. The miracle is complete and stands now, after nearly twenty-one years, as a memorial to the miraculous power of an ever loving, undying God.

THROUGH MY HEALING, FATHER WAS CONVERTED

This miracle convinced my Father and, a few months later, at a Full Gospel altar, he gave His life to Christ. Since that time, his home has been a second home for preachers and many an all night prayer meeting for the saints has been conducted in the living room. Here, in this Christian atmosphere of a practical Full Gospel home, I was raised to believe in and practice Divine healing.

THOUGH BACKSLIDDEN GOD SPOKE TO ME AUDIBLY AND CALLED ME TO SERVE HIM

The year I was graduated from high school I grew cold in my experience. I became engaged in activities which took my time of prayer and study and, in a few months, I was in a backslidden state.

Let me pause here to say that, knowing I was out of God's will, I began to pray for a blessing from God. Dear reader, no one, knowingly out of God's will, can expect a blessing from His hands. I took a job in a department store which kept me busy and away from home. I was still sincerely studying and praying to God for guidance.

One morning about 3:00 A. M. I was awakened from my sleep. I heard an audible voice. I suddenly sat upright in bed. I became wide awake and there was a brilliant light in the corner of my room in front of me. I sat paralyzed with fear, knowing I was receiving a visit from a heavenly creature. I saw no one, but the light was clearly visible and a second and third time I heard the voice, as clearly as if someone had spoken. It said—

"Get thee up, arise and depart from this land to a land which the Lord thy God shall show thee."

MISGUIDED COUNSEL CAUSED FURTHER TRANSGRESSION

I slept no more that night. I knew it was God dealing with me. I spoke to a minister friend about this and immediately was told to forget the matter, lest I be led astray by a strange "spirit." I believe this minister was sincere. I believe he thought he was advising me correctly by telling me to return to my job and ward off such visitations. I was only 19 at the time and he felt I was too young and that my education and further experience was paramount to my zeal to carry the Gospel. However sincere he might have been, it was wrong for me to follow his advice rather than God's. When God speaks—we need not seek advice from others but seek His face and read His Word for our answer.

To the young minister let me say, if you know a real spiritual, Pentecostal minister, who is in contact with God, his advice may be of great help to you. Such a one would never advise you as this misguided, though sincere, man did. I heeded this advice and, as a result, the Spirit of God left me. I became a transgressor to my sorrow.

BECAME A SUCCESSFUL BUSINESS MAN

The next years of my life were spent in the business world and in politics, in the city of my birth and in other major cities of our nation. Deeper in sin I went, forgetting God and my home training as much as I could. I was constantly in misery and learned of a surety: *"the way of the transgressor is hard."* I became successful in every activity. Satan allowed me to prosper for he was determined that I should not enter the ministry to which God had, as a child, called me. Despite my success, my life was a failure and my hours alone were misery for I could not forget God's call. My parents were heartbroken because their only boy, who was dedicated to God, was a rebel against God.

During this time I became successful in a position with one of the nation's leading transportation firms. My early twenties found me gaining recognition from the President, General Manager and some of the Board of Directors. It was not my knowledge so much as that Satan was allowing me to climb that I might never enter into God's call for my life.

PROMOTION OFFERED—BUT GOD REMINDED ME I WAS CALLED TO SERVE HIM

I shall never forget the day when one of the directors informed me that he

would move me shortly to a western city as Assistant to the Superintendent of Transportation, but to tell no one, including my immediate superiors, as some of them had long desired such a position.

I went to my hotel room that night elated. As I opened the door and entered my happiness ended for, on the desk, I saw my Bible, which I always kept. It reminded me then of my call to the ministry, which I had temporarily forgotten. A letter from home also awaited me; it was one of my Father's infrequent letters. He knew I was away from God. It was filled with love and advice to come home and enter a business with him. Even though I made considerable money it never did me much good. When God calls one, his prosperity is false if he tries to forget that call.

One day in 1946 I left my position of esteem, not knowing why, and returned to my father's farm to open a business in the resort, hill country. While working on a building for that business, a tent revival came to our community. One night as the minister, Rev. Barnes, extended the call for sinners, God spoke to my heart. He told me it was my last call.

RETURNED TO GOD—FILLED WITH HOLY SPIRIT

I knew this was my time. I was drawn of God and went on my knees publicly in humility before God and He delivered me from sin. A few nights later I was baptized with the Holy Ghost, while praying for a brother for healing.

I forgot my business plans. I returned to my Bible and praying that I had left off before. Christ became my consuming passion. My associates became strangers. A few days later I preached my first message and have never stopped since.

GOD BROUGHT MY WIFE TO ME

In August of 1947, at an old fashioned Camp Meeting, I met a girl who was, like I, attending the services. I asked a fellow who knew her to introduce us and, as he did so, I promptly asked if I might take her to the service that night. She accepted and, as she walked away to her tent, I knew she was the one for me; therefore, I said, "God I thank you because that girl is going to be my wife."

Five months later we were married.

I BECAME A PASTOR

We pastored two churches in the intervening years. We were both sincere but quite unacquainted with the problems of a pastor and the requirements of a minister. I preached healing but I realize now that I was preaching healing dogmatically, only as a doctrine and not as a reality. I thought this ministry was for a few ministers only. Oh! brother ministers, read your Bible! God wants all who are called of Him to have and preach this ministry. (Mark 16:14-20).

GAYLE JACKSON CAME TO SAN ANTONIO, PREACHING AND—THROUGH HIM—GOD PERFORMED THE MIRACULOUS

One day after nearly a year of working and preaching here and there, very inactive in the ministry, my Father came in and told my wife and me that he and Mother had been to a revival in our city of San Antonio. It was in a large tent and thousands were coming. The campaign was in cooperation with a number of different Full Gospel Churches. None was of my particular denomination, as we had

no church there. My parents were highly enthusiastic in their praise of the evangelist who they said was named Gayle Jackson. They said that they had never heard such anointed and authoritative preaching. Hundreds were being saved. Miracles were not rare, they were plentiful. I told them that this man must be wrong. He was not of my belief or doctrine. I thought they were being foolishly misled. I refused to go. They prayed for me and a few nights later I told my wife we would go just one night and see.

AGAIN, GOD HEALED ME!

Christ was in the pulpit that night. I never saw Gayle Jackson. He preached Christ and I visualized the Lord only. Doctrines dear to me were not mentioned. I knew the Lord was there but, under the conviction of my fruitless life, I rebelled. I said nothing, but I very much disliked the man who preached the revival. I wanted to stay away from that tent; I did not want to see people go forward for salvation, yet I could not stay away. Night after night I returned. One night I, too, left my seat and went to pray. I shed many tears before God that night. Thereafter I entered into the spirit of the meeting. I began to study my Bible; not to prove my doctrine, but to watch Christ as He became alive in the scriptures. I was to learn that some of my doctrines were not sound in scriptural light.

One night Bro. Jackson prayed for me and I was healed of heart trouble, bronchial asthma and I took off my bifocal glasses. My eyes were healed by the power of God. He healed me of my afflictions. This evangelist I did not like was a friend to all. He became one to me. A sweeter character I had never met. His kindness in dealing with me caused my prejudices, which had separated me from others in the Full Gospel, to fade away. God had sent the answer to my prayers and tears of the years before. No doubt some were touched in that campaign, and lost their experience, but God sent that revival to San Antonio for me.

GOD GAVE ME A MINISTRY OF DELIVERANCE

I left my job, and waited on God in prayer and fasting for a ministry of deliverance. I was called but I never knew just the purpose of that call until I fasted and prayed before God in sincerity.

My life is now purposeful. I have seen hundreds come to Christ, in the past two years, and miracles now are an every night occurrence in my meetings. I take no glory to myself. I could not. To do so would be to loose that which God has given me. I *"remember the pit from which I came."* I recall years of useless ministry. I know I had nothing until God came into my life. I know I cannot even be instrumental in seeing a soul saved or a body healed without the Spirit of the Lord. Without the anointing of the Holy Spirit I am no preacher. I have learned that the body of Christ is composed of ALL Christians. My life, once a failure and full of remorse, is now happy and full of purpose.

"THE VOICE OF HEALING" has had a wonderful part in helping me see the body of Christ in its fullness. The sacrificial efforts of "THE VOICE OF HEALING" staff have helped me take my message to the unreached. I am their debtor. May God continue to bless their sincerity and may we, who's ministry they report, keep it above reproach.

ROCKFORD, ILLINOIS, WITNESSES OUTSTANDING PANORAMA OF THE MIRACULOUS, IN THE FACE OF UNUSUAL OPPOSITION

A graphic story of THE MIRACLE WORKING POWER OF GOD triumphing over opposition from the powers of Satan, is told in the clippings and testimonies which appear on these pages.—The A.A. Allen Campaign!

Ministerial Group Slates Inquiry of Miracle Claims

Rockford Ministerial association and county law enforcement officers plan to meet today to launch an inquiry into "revival meetings" being conducted by Evangelist A. A. Allen in a tent at 11th st. and Sandy Hollow rd.

The Rev. Clarence H. Anderzon, pastor of Tabor Lutheran church and president of the ministerial association, Monday called the special association meeting for 11 a.m. today in the Y.M.C.A. to inquire into Allen's "miracle claims."

The Rev. Mr. Anderzon conferred Monday with Sheriff Kirk S. King and State's Attorney Robert Canfield. Today's meeting of the ministerial association was called at the suggestion of the county law enforcement officers. Sheriff King said that he plans to investigate revival meetings conducted by Allen in other communities after receiving a number of complaints about the meetings which have been held here for the last two weeks.

Two Rockford pastors, listed as sponsors of the revival meetings,

will be asked to attend today's meeting. They are the Rev. E. L. Stalons, pastor of First Assembly of God church, 804 2nd ave., and the Rev. Philip Johnson, pastor of Rock church, 2802 11th st. Sheriff King said he plans to have a representative attend the meeting.

THIS NOTICE APPEARED on a back page of the "ROCKFORD MORNING STAR," Tues., July 21. The sponsoring pastors mentioned in the notice were invited by phone to "attend," but were not informed of the purpose of the session. Allen was not contacted, nor any attempt made to gain first hand information regarding the so-called "miracle claims."

Nevertheless, this notice was called to their attention, and both local pastors and a representative of the Allen party were present at the session. Although some leaders of the Association, as well as the County Sheriff, who was present, declared "anyone would know such things are impossible," a controlling majority of the thirty members of the Association present at the session refused to go on record as denying the possibility of healing and miracles today. They also refused to concur in any action which inferred an attempt to curtail religious liberty. Quoted below (2) is the official statement of the Ministerial Association, formulated during the session, and approved by vote.

Pastors Recognize Right To Promote Cause

After the Tuesday morning meeting of the ministerial association, the Rev. Mr. Anderzon issued the following statement:

"We recognize the religious liberties of the Assembly of God and Rock churches to promote the cause of Jesus Christ as they choose, and that the meetings are being sponsored by these two churches and not directly by the whole Rockford Ministerial association."

SOME INDIVIDUALS would not give up that easy. To the right is a portion of an item from the front page of the "MORNING STAR" Wednesday. (This action was taken by some officers of the Association, in disregard of the expressed will of the majority.)

Plan Decision Today in Probe Of "Miracles"

Officers of the Rockford Ministerial association plan to meet today to consider possible legal action in connection with the appearance of a 9-year-old boy at revival meetings being conducted by A. A. Allen in a tent on Sandy Hollow rd.

Some of the association members Tuesday night attended a late-hour revival meeting at which 9-year-old Ronald Coyne, described as a boy who "sees perfectly without an eyeball," appeared.

Assistant State's Attorney William R. Nash, after a conference with the Rev. Anderzon and the Rev. Carl Smucker Tuesday night, prepared a warrant charging "unlawful exhibition of a lad under 14" in a manner dangerous to the boy's "health and welfare." Nash will meet with officers of the ministerial association today to determine whether the warrant will be signed.

PLAN NO ACTION AGAINST ALLEN

Revival Continues

Rockford's Ministerial association Wednesday dropped the problem of the A. A. Allen revival program back into the lap of the office of the Winnebago county state's attorney's office.

The Rev. Clarence H. Anderzon, pastor of Tabor Lutheran church and association president, said the group had "dropped" the case and that "if anything is to be done it will be by the state's attorney's office."

Nash had indicated, at that time, that the state's attorney's office would not sign a warrant on its own against the boy's mother or Allen.

"We are not an investigating agency," Nash said, "and no one here has actually seen any violation."

DOCTOR CONFIRMS CANCER GONE

I HAD A CANCER on my right cheek for two years. It continued to grow and get worse. When Rev. Allen came to Rock-

ford, I was receiving treatment from my doctor.

Brother Allen prayed for me and cursed the cancer. Within about three days, the cancer was gone and my face was completely smooth

where the cancer had been!

I returned to the doctor afterward for examination, telling him my cancer was gone now, as I'd been healed. The doctor examined my face and declared that it was so.

DELIVERED FROM TOBACCO INSTANTLY!

["Began use of tobacco at 3 years on Doctor's orders"]

A S A BABY and small child, I was restless, fretful, and failed to gain weight. When I was three, the doctors advised my mother to allow me to use tobacco, declaring that a craving for nicotine, was the cause of my trouble.

Therefore, at the age of three, I began the use of tobacco by the doctor's order. I chewed it. When I was ten, I stopped chewing, and switched to smoking it. Many times I desired to stop the use of tobacco,

but every time I would attempt to do without it my entire body cried out for it. My weight would drop dangerously, and I was compelled to take it up again. I was horribly bound by this thing, until Brother Allen started his great Campaign, here in Rockford. BUT HERE, GOD SET ME FREE!

I have been gloriously free for two full weeks. No craving for tobacco has ever returned. My weight has remained normal. Praise God, at last I am free!

ON CRUTCHES 7 YEARS HEALED INSTANTLY

BECAUSE OF ARTHRITIS, I've been unable to walk without crutches for more than seven years. Could barely walk with crutches. I had not even been able to use my arms—couldn't even comb my hair.

When Brother Allen prayed for me, I felt my joints straighten. I arose immediately and walked alone. I found I could raise both arms straight above my head.

EAR DRUM—REMOVED BY SURGERY—RESTORED!

FOR TWENTY YEARS, I could not hear from my left ear. Even as a small child. I had frequent ear infections, accompanied by severe pain and discharge from the ear. Ten years ago, while serving as a member of the Women's S.S. in Germany,

a surgeon removed my left ear drum, hoping to stop the infection. Even after that, my ear continued to be infected, having a very odorous discharge.

Since coming to America as a war bride, my ear had been treated frequently with penicillin. Last March, the doctor said unless there was an immediate change for the better, more of the bone must be removed from behind the ear.

Then the Allen revival came to Rockford. I went through the healing line. Next day, I found I could hear from this ear perfectly, and the discharge from the ear is entirely stopped!

WHEEL CHAIR VICTIM GIVES ALLEN FREE RIDE!

MRS. MOLLIE LEATHERS, Loves Park, Ill., had been confined to her wheel chair eight months. SHE AROSE FROM HER CHAIR INSTANTLY, AFTER PRAYER. Attended revival night after night, WALKING WITHOUT CANE OR CRUTCH, and gave joyful testimony of what God had done for her.

Evangelist, Miracles, No Longer Facing Threat Of Prosecution

Investigation of sensational healings attributed to evangelistic sessions conducted by the Rev. A. A. Allen at Sandy Hollow road and 11th street has failed to indicate that any law has been violated, according to Assistant State's Attorney William R. Nash. The evangelist has made no effort to claim credit for "miracles" and healings reported from the services, but points out that they are a proof of the power of prayer, Attorney Nash points out.

Conference on the evangelistic meeting set up by the Rockford Ministerial association apparently served chiefly to attract attention to the tent services—attendances of more than 2,000 persons nightly are reported, with the sessions to continue through July 26.

"RELIGIOUS FREEDOM"

That there might be any question of law violation is "unthinkable," according to the Rev. E. L. Stalons, pastor of the First Assembly of God church, 8024 2nd avenue, whose church, along with the Rock Church, 2802 11th street, of which the Rev. Philip Johnson is pastor, is sponsoring the services.

"It is purely a matter of religious freedom," the Rev. Stalons stated, "We have the word of God behind us and have given the ministerial association chapter and verse."

Assistant State's Attorney Nash prepared a warrant, after a conference with the Rev. Clarence Anderzon and the Rev. Carl Smucker charging "unlawful exhibition" of a 9-year-old boy who appeared at the services, reputedly able to read with one eye which has a "plastic eyeball."

Although the attorney spent four hours in his office Tuesday night and was available Wednesday, the warrant was not signed.

The Rev. Smucker is also said to have attended the services and to have found no grounds for complaint.

A unidentified woman called Sheriff Kirk S. King Wednesday to pay a personal tribute to the power of prayer at the Rev. Allen's meetings. She said that a chronic ear infection has been healed during the services here.

THE CYCLONE

IN THE LIGHT OF BIBLE PROPHECY

By

IN RECENT MONTHS there has been a phenomenal increase in destructive tornadoes which have taken the lives of hundreds of people, destroyed hundreds of millions of dollars worth of property, and brought terror and tragedy to whole communities. The big question is now being raised as to what is the cause of this unusual rise in the incidence of these storms. *Is there a prophetic significance in these great disturbances of the earth's atmosphere?* We believe that there is an answer to these questions. In this article we shall take note of certain facts revealed by the Scriptures which we believe throw some light on this matter.

THIS YEAR'S DEATHS FROM CYCLONES NUMEROUS

With the exception of the year 1925, more people have died this year from cyclones than in any year in history; and we have yet to go through the autumn season! The destructive tornado has so far affected no less than 30 states. So great has been the destruction in Texas, Ohio, and Michigan, that some of their large cities have been declared disaster areas.

At Waco, Texas, only a short distance from THE VOICE OF HEALING office, a cyclone leveled buildings as high as six stories. *This was the first time in history a tornado had struck the center of the business district of a large city.*

Two years ago, while our offices were yet in Shreveport, Louisiana, a tornado of great intensity passed a mile or two south of our location. Because the section traversed was just outside the thickly settled area, loss of life was not so great. Certainly the storm passed too close for comfort. One can only imagine the horror that comes to those who have been caught in the path of these whirling horrors. *Perhaps the greatest damage which occurred this year was in Flint, Michigan, where the path of the tornado left a destruction worse than war. Here the storm cut a destructive swath 1,000 feet wide and five miles long!*

THE WHIRLING HORROR STRIKES TERROR!

I know something of the terror of the cyclone. Some years ago in Central Texas, on a spring afternoon, we looked up at the sky and suddenly recognized,

in the distance, the whirling horror, a tornado. The rolling clouds were to the Southwest—just the direction from which a cyclone comes. At that moment the advance wind struck and *we saw large objects being torn from their moorings and go flying past us at terrific speed.* I was just a lad at that time and I, as well as my companions, were not a little frightened. Instinctively we jumped into our car and headed down the highway away from the direction of the whirling clouds. Behind us, in the distance, a building blew down. Despite our speed, debris was flying past us on either side. Road signs had blown loose and were flying through the air. As we drove on, gradually the ominous roar of the storm faded; but the cyclone moving on erratically left death and destruction over a wide area. We were unharmed, but we shall never forget the experience of those few moments.

HAVE THE ATOMIC TESTS CAUSED CYCLONES?

What is the cause of these disasters which have increased this year to such unprecedented numbers? The fact is that some of the nation's top scientists, though

bless and willing and anxious to save mankind from their sins and physical sicknesses.

At the 2:30 afternoon hour, Rev. A. C. Valdez, Sr., conducted daily Divine Healing Instruction services, which were attended by large crowds of those who needed healing for their bodies and others—well in body—but wishing to drink deep from the fountain of spiritual knowledge which flows so freely from this man of God. His messages which were delivered with great power and anointing proved an outstanding highlight of the Campaign.

Every evening Rev. A. C. Valdez, Jr., spoke to the assembled multitudes which on more than one occasion packed the huge auditorium of beautiful Angelus Temple to the dome, filling over 5000 seats of eager, expectant hearers. Coupled with this was the vast listening audience of Radio Station K.F.S.G., third oldest Radio Station in Los Angeles which is owned and operated by the Echo Park Evangelistic Association (legal name of Angelus Temple). Estimated by the management of the Radio Station based on letters received, this audience totals around 200,000 listeners in cities throughout Southern California, and many letters are being received at the present time telling of the blessings and healings as these thousands dared to believe God and step out on faith when urged to do so by the Valdez team.

FULL GOSPEL BUSINESS MEN'S FELLOWSHIP A GREAT BLESSING

From the beginning the Campaign had an inter-denominational aspect and co-pastors McPherson and Teaford heartily welcomed the score of ministers from various Pentecostal bodies who came to lend their support in making the campaign one of outstanding memory and results. Especially lending their weight and assistance in attendance and service was the Full Gospel Business Men's Fellowship of Southern California with the International President Demas Shakarian, who is known throughout the Pentecostal world for his consecration and leadership in bringing Full-Gospel groups into fellowship, taking a prominent part in the services. Representative ministers from the Assemblies of God, Pentecostal Church of God, Open Bible Standard, Church of God, Pentecost and others were found nightly in the services and on the platform to rejoice together in the mighty outpouring of His grace.

Among the many special nights designated, several will long be remembered. Outstanding among these were three of the Sunday night services—the first of which featured the testimony of God's gift of healing to Rev. A. C. Valdez, Jr. Packed to the dome, the Temple audience was like a majestic organ which broke forth in cascades of praise and sobbing, rejoicing and holy laughter, and then hushed into deepest awe and wonder as they heard the very deepest revelations from the soul and heart of a consecrated minister who heard the Voice of God and beheld the bestowment of a mighty Gift

from the Spirit upon his life and ministry. On the following Sunday evening Rev. Valdez again ministered in mighty power as he spoke about the revelations which God has given to him of the forthcoming judgments upon the peoples of the earth. Sound and Scriptural, the message bore the witness of the Spirit and truly those who attended these services will never again be the same.

TESTIMONY GIVEN BY NOTED NUCLEAR SCIENTIST—SAVED AND FILLED WITH HOLY SPIRIT

The last Sunday night of the Campaign saw the Temple crowded out at an early hour with late comers standing. *Featured on this evening's service* with Rev. Valdez, Jr. was the noted nuclear scientist of America, Dr. N. J. Stowell, who was converted from atheism as recently as June 12, 1953 and has since received the Baptism of the Holy Spirit and received mighty revelations from God and a call into the glorious service of the King! Recognized as an authority in the field of atomic energy, Dr. Stowell gave his testimony and also answered as many technical questions regarding the hydrogen bomb as he was permitted to do in the scope of National Security. This portion of the service was not broadcast due to security reasons and proved to be an effective foil for the message of the evening by Rev. Valdez, Jr., entitled "When Will The Hell Bomb Be Dropped?" At the close of this message, hundreds again streamed to the altars to make their calling and election sure. As the penitents streamed forth from all floors of the Temple, the space provided for

seekers was entirely too small and the aisles, choir lofts and platform were pressed into service to accommodate all who desired to "hide in the Rock of Ages."

SIGNS, WONDERS AND MIRACLES PRESENT EACH NIGHT

At the close of the altar call each night the Healing Lines were formed and time after time, night after night, the power of God's Divine Health and Healing Virtue was poured forth through the manifestation of the Gift given to Rev. Valdez, Jr. Miracles of every description were performed. *The blind saw the wonder of light for the first time, the deaf heard the joyful tones of human voice and blessing, the dumb spoke in beginning sentences, unaccustomed to the magnitude of it all. Goiters disappeared before the very eyes of the audience, cancers melted away and those paralyzed in limb and body were made every whit whole.* One lady who had suffered from a collapsed lung was completely delivered and found nightly in the Temple praising and magnifying God. At various times a great healing wave would sweep over the Temple and scores were healed in the audience without seeking special prayer from the platform. Testimonies are pouring into the office of Angelus Temple of what God has wrought in body and soul.

The complete results of the Campaign will never be recorded on this earth, but all joined in the hearty invitation for the soon return of this consecrated father and son team to again bring to Angelus Temple and the Los Angeles area another great campaign of God's blessing.

A VIEW OF ONE OF THE ALTAR CALLS is shown here. Penitents were so numerous the space provided the seekers was entirely too small and the aisles, choir lofts and platform were used.

ATTENDANCE AT HAYES-LINDSAY REVIVAL AT CHECOTAH, OKLAHOMA EQUALS TOTAL POPULATION OF CITY

THROGS WITNESS THE MIRACULOUS IN CHECOTAH, HAYES-LINDSAY REVIVAL

*By Rev. V. E. Taylor, Pastor,
Pentecostal Holiness Church,
Checotah, Oklahoma*

I CAME TO THIS PASTORATE the last of July and immediately learned the church was preparing for a Salvation-Healing Campaign with Brothers Gordon Lindsay and Alton Hayes, in cooperation with the Assembly of God Church.

The people were eager for the revival and we went to work preparing for it.

Brother Cagel's church and mine will long be blessed from the results of this revival, as well as the whole city of Checotah.

During this meeting, we witnessed such outstanding miracles as: the blind receiving sight, the deaf hearing, the dumb being enabled to speak, by the mighty power of God! Cancers disappeared and passed from the bodies of those who were prayed for!

A lady, who had been blind for 38 years, received her sight and is now going about telling her friends of the wonderful power and love of God!

One lady, who had been deaf since she was 7 years old, received her hearing!

Our hearts were thrilled by the presence and power of God, as we witnessed

THE CITY OF CHECOTAH, OKLAHOMA, has a population of slightly over 2,000. It was estimated by local pastors that attendance on some nights, including the many on the outside, equalled that number.

His manifestation of the Gifts of Discernment, Knowledge and Divine Wisdom through Brother Alton Hayes. It was such great joy to hear him tell one in the healing line his condition, hear the person confirm what God had revealed to him, then—a few nights later—hear that person witness how he had been healed of the affliction, through the power of God.

Many testified, before the meeting closed, that they had passed tumors and cancers after he prayed for them. Many came in wheel chairs and walking on crutches who were enabled to go home without needing either. **COMPLETELY HEALED BY THE POWER OF GOD!**

Most important of all, was the great number saved, as the penitents thronged the prayer rooms each night.

NUMEROUS REVIVALS BRANCH OFF FROM LINDSAY-HAYES CAMPAIGN IN CHECOTAH

*By W. E. Cagle, Pastor,
Assembly of God Church
Checotah, Oklahoma*

WE WERE PRIVILEGED to have Evangelists Gordon Lindsay and Alton Hayes conduct a great Salvation-Healing Campaign in the Checotah, Oklahoma, Union Tabernacle, during the month of August, with

signs, wonders and miracles accompanying. This revival verified the book written by Evangelist Lindsay — "Bible Days Are Here Again."

From the opening night, the attendance averaged over one thousand, beside the great numbers on the outside of the building who were crowding the windows and doors to hear and see THE CHRIST being exalted through salvation of souls, and miracles.

Evangelist Lindsay, Editor of THE VOICE OF HEALING, published in Dallas, Texas, and author of many religious books on the fullness of the Spirit and light on the scriptures, which have been a help to thousands, did much of the preaching. His inspiring and timely messages proved such a great blessing to all the people.

Truly God has raised up Brother Alton Hayes, only 24 years old, and manifested through him marvelous gifts of Healing, Discernment, Miracles, Knowledge and Divine Wisdom. (I Corinthians 12:8-10). These gifts of Discernment, Knowledge and Wisdom, have been put into action in an unusual manner, during the last few years, to the great amazement and astonishment of the people. Many at first refused to believe, not being familiar with the Bible and knowing it as one of God's promises, but were convinced after a closer view and seeing this man of God tell each person in the prayer line, the status of his (or her) health without any knowledge of the person, his affliction, or a prayer card. Such diseases as cancer, ulcers, heart trouble, arthritis and many others were revealed to Him by God's power. Each person was asked if his revelation was true. They would confirm it was and, in most cases, testi-

monies came in of complete deliverance. Pastors from all over the State attended and all said they were returning home with a greater vision of God's power and, we have heard of several revivals which have already started from this campaign.

John Wesley, the great Methodist Evangelist, once said—"Get on fire for God and the people will come out to see you burn." We saw that happen here.

We thank God for the numbers saved, healed and filled with the Holy Spirit in this meeting.

BLIND 38 YEARS—NOW SEES!

I HAVE BEEN BLIND for 38 years, and was led about from place to place.

Brother Alton Hayes came to Checotah, Okla., on August 17, and prayed for my eyes. *As he laid his hand on my head, I felt the power of God go through my body, it felt like a surge of fire go all over me!* I KNEW INSTANTLY THAT I WAS HEALED.

Brother Hayes then took a song book and asked me to read to him from the book. I could read everything he held before me.

I am now going about giving my testimony of what God has done for me. He can do the same for you. Praise the Lord! I am so happy, I want to tell everybody what He has done for me!

DELIVERED FROM STOMACH TROUBLE, TOBACCO HABIT

I ATTENDED the Hayes-Lindsay Salvation-Divine Healing Revival in Long Beach, California.

I was backslidden and needed healing and deliverance for many things. I had been smoking about 35 years, had a bad cough for nearly 17 years, and also had stomach trouble.

When I entered the healing line, to be delivered from my bad habits, my sinful condition was brought before

me. I went to the altar, confessed and repented of my sins, and the Lord took me back. *He delivered me from my smoking and my cough, and the next night He healed me of my stomach trouble!*

I now feel like a new man. Praise the Lord!

FOR THE PAST SIX WEEKS Long Beach has experienced the greatest revival in her history. Evangelist Alton L. Hayes and Gordon Lindsay, Editor of THE VOICE OF HEALING, were both mightily used of God to bring the Gospel of deliverance to this city.

Although the great tent cathedral has been taken down, the glory which overshadowed every service still remains. The revival goes on in the hearts of God's people.

Night after night the great crowds increased, many coming from great distances, some flying in by plane from other states to receive their healing. It was almost as though we were living in the days of the Apostles, God, moving among His people, healing all manner of sickness and disease.

The highlight of every service was the unique gift, which God has given Brother Hayes, that went into operation as he began to pray for the sick. I have never seen a gift of God operate as smoothly and accurately as it does through his yielded life. *One after another he discerned the illnesses and diseases of the people as they came before him, God giving him a vision of each individual and what their affliction was. There were many who came through the healing line who were not right with God. When Brother Hayes discerned their condition, he sometimes told them what their sin was, and asked them if they were willing to give it up and consecrate their lives to God. Many confessed their sins and were saved, as a result of what Brother Hayes told them.*

Time and space would fail if we attempted to tell of all the miracles that took place in these services.

Some of the most outstanding were:

One lady who had been suffering with tuberculosis for fourteen years was instantly healed.

* * *

Another, who had a collapsed lung, was healed and began to breathe normally.

* * *

Another miracle that stirred the hearts of all who witnessed it was the healing and CREATION OF EYES in the head of an infant which had been born prematurely and without eyes!

* * *

An eighty-one year old man, bent over with arthritis and unable to walk, except with the aid of others, was immediately healed and straightened up. He ran back and forth across the tent, shouting and praising God.

There were 19 people who reported passing cancers, and 12 reports of tumors which melted and passed away after prayer.

* * *

One young man came before Brother Hayes and was told that he had an ulcer. He didn't believe it and went away saying it was a fake. Later he passed the ulcer, believed God, and was saved.

* * *

The humble, broken spirit of Brother Hayes and his faith in God has touched the hearts of thousands who have heard him in these great meetings. *Our Assembly has grown and been blessed. We have received many new members.*

The ministry of Brother Gordon Lindsay was a special blessing to us. As he brought forth the deeper teachings of God's Word, our faith was built to new heights, and many were able to receive their healing because of his ministry. Thousands have been blessed through THE VOICE OF HEALING magazine in this area.

During the last three weeks of the campaign, we were privileged to have with us Rev. and Mrs. Joseph De Grado, who assisted in the services nightly with their anointed singing. Brother De Grado preached in the Sunday afternoon services.

I believe one of the greatest services of the entire campaign was on the last night. It was in the church. Words fail to describe what took place in that service. At the close, many were baptized in water, among them Dr. N. J. Stowell and his wife. *Dr. Stowell, a noted scientist and a confirmed atheist, was led to Christ through an experiment that he and a number of other scientists were making. Now God has called him to preach the Gospel!*

HUSBAND, WIFE, HEALED OF ULCERS, TUMOR AND INFECTED KIDNEYS

On July 8, my wife and I went through the healing line of the Hayes-Lindsay Revival.

The Lord healed me of two small ulcers and heart trouble.

My wife, Violet, was instantly healed of a four (4) pound tumor, of enlarged glands, and infected kidneys! Before we got home, her clothing was three or four inches too large for her.

We now feel wonderful and rejoice in the saving and healing power of our Lord.

FORT SMITH, ARKANSAS, WITNESSES THE MIRACULOUS IN NUNN "BIBLE REVIVAL"

By Rev. Floyd L. Garver, Pastor
New Bethel Assembly of God
Fort Smith, Arkansas

I CAN SAY OF A TRUTH that Christ has done mighty things for us here the last three weeks, through His humble servant, Brother Nunn. From the very first service, God set His approval on the campaign with miracles of healing.

During this meeting we saw the lame walk, goiters disappear, tumors wither away, the blind made to see, inward troubles leave, and many, many other mighty miracles. One dear lady, who had not walked for over 9 years, at the command of Brother Nunn to "rise up and walk" arose and walked before the people with her hands lifted in thanksgiving for what Christ had done for her. After a time, when things quieted, she walked upon the platform, without the aid of anyone, to give her testimony, of how she hadn't walked in 9 years, but now stood as a living testimony of God's power to heal.

Another lady, who had carried a large tumor for 11 years, testified that, as Brother Nunn prayed for the audience as a group, she felt her tumor leave. On close examination, by her and her husband at home, they could not find any sign of her tumor.

One lady, who hadn't heard in one of her ears for 30 years, was instantly healed as the prayer of faith was offered.

A brother was instantly healed of deafness, as he stood in the line to be prayed

"Insomuch that they brought forth the sick into the streets, and laid them on beds and couches, that at the least the shadow of Peter passing by might overshadow some of them.

for. This brought a spontaneous praise from the people.

These are only a few of the many miracles and healings God wrought during this campaign. Brother Nunn has a well balanced and wonderful ministry for the sinner as well as for the sick and afflicted. It was such a joy to see, night after night, many walk the saw-dust trails to accept Jesus Christ as their Saviour!

He was a real blessing to this city and to New Bethel Assembly. I recommend our brother very highly to all my brethren. He has a proven ministry that has blessed the hearts of thousands. We are

NUNN "BIBLE REVIVAL"— A BLESSING TO VAN WERT, IOWA

By Rev. Mildred M. Baker, Pastor,
Assembly of God Church,
Van Wert, Iowa

THE AREA OF VAN WERT, IOWA has felt the mighty impact of two Bible Revivals, with Evangelist David Nunn, Sister Nunn, and party, this summer.

From the very first night, God's presence was evident. Souls responded to the anointed plea of our Evangelist and wept their way to God. Definite healings were witnessed, as God confirmed His Word, and people with hungry hearts sought God in the prayer room.

For the first meeting, he was in our church. We rejoiced to see our new church building packed to capacity and then to see the crowds overflow the building.

Testimonies were given by a great number who were healed of deafness. Their hearing was tested before and after prayer, in the presence of the audience. Some testified that tumors had passed

(Continued on Page 23)

looking forward to the day when he can return for another campaign.

The revival spirit lingers strong in our hearts. Of a truth, "Jesus Christ is the same, yesterday, and today, and forever!" (Hebrews 13:8)

"GO . . . AND TELL JOHN . . . the Blind See, the Lame Walk, the Lepers Are Cleansed, the Deaf Hear, the Dead Are Raised, To the Poor the Gospel Is Preached!" — (Luke 7:22)

from their bodies, after prayer. Others testified of being healed of arthritis, neuritis, heart trouble, hernia, inward disorders, appendicitis, varicose veins, goiter, defective vision, Bright's Disease, sinus trouble and other ailments. *Many were healed in the services without being personally prayed for by Brother Nunn!*

People of many denominations drove for hundreds of miles to be in these great services and the parking area was jammed with cars.

In the first testimony service held under Brother Nunn's new flame-proof tent, over 30 people stood to their feet and praised God for healing them during the meeting previously held in the church!

An outstanding testimony, during the tent meeting, was the healing of a 14 year old girl who had been deaf in her left ear since she was eight and whose right ear was badly infected. After prayer, she could hear whispers spoken into her ear.

Truly these revivals, have been an answer to our prayers, as the signs, wonders and miracles blessed the people, and baffled the unbelief of some. Faith rose high as God's Word was preached and as the sign-gifts operated.

We appreciate Brother Nunn's well-rounded and proven ministry. His honesty and his humble attitude toward God and man are refreshing indeed. Eternity alone will reveal the complete results of these "Bible Revivals."

ARTHRITIC HEART AND RHEUMATIC FEVER GONE

TO WHOM THIS MAY CONCERN:

I WANT TO ADD MY TESTIMONY to many others, telling of what God has done for my eleven year old son, Jerome, during the great revival in Laird Hill, Texas, conducted by Rev. David Nunn.

All of his life, my son has been afflicted with arthritic heart and rheumatic fever. I have had doctor after doctor treat him, but they all told me there was nothing they could do for him, that if he didn't outgrow it, it would finally kill him.

All through school he's had to miss days frequently because of this condition. When he did go to school, he would have to go to the nurse's office to rest during play periods, so he could go back to class.

On September 14, 1952, he had a severe attack of rheumatic fever and Dr. Echols from Kilgore Medical Clinic in Kilgore, Texas, took him out of school and confined him to bed for 30 days. This was

the worst spell he ever had. I thought surely God was going to take him. Dr. Echols told me my only hopes were in God and, if my child lived, it would be through God's divine providence. I missed the first week of Brother Nunn's revival because of his illness.

One day I went to Dr. Echols and he gave me permission to take him out of bed and let Bro. Nunn pray for him, if I would be very careful, because his blood sed. rate was very high and it could cause a sudden heart attack. Brother Nunn prayed for him and God healed him! Within three days, I took him back for a thorough examination, and Electrocardiogram, and had his heart tested. The doctor said he could not find one defect in his heart. He took a blood test and could not find one trace of rheumatic fever. His blood had dropped from 32 down to 6 in three days, which is normal.

Dr. Echols told me to put him back in school and he has been going for two weeks with not one degree of fever or pain. He can run and play, ride his bike, and does what he couldn't do before. Oh, how I thank God for this! It has opened the eyes of my neighbors and caused them to believe in miracles for the first time in their lives.

LEFT EYE BLIND SINCE BIRTH NOTARY AFFIRMS HEALING

I WANT TO THANK GOD for healing my eye, and for His wonderful healing power.

I am 14 years old and have been blind in my left eye since birth. At the age of two my left eye crossed. Six years later I was prayed for and God's power straightened my eye, but it was still weak, and I suffered from severe headaches.

One night, in our revival, Brother Nunn placed his hands on my forehead and prayed for my eye. Before he prayed for me, I could not see him. After he prayed for me, I was able to see not only Brother Nunn, but the people and the lights in the tent.

I had been to four doctors and they told me an operation would not help because I was blind from birth. Therefore, I am so thankful to God for healing me and for a godly man like Brother Nunn.

The Word of Knowledge

What Is It?

By W. V. Grant

From his book—"SPIRITUAL GIFTS and How to Receive Them"

Available at TVH (See Page 31)

THE WORD OF KNOWLEDGE is not education, which is mere natural knowledge. Education can be acquired by a man who has never had the Spirit. This gift has no mixture with the natural.

This gift is not teaching, which is a ministerial gift, and requires study (II Tim. 2:15). A man can be anointed to teach what he has already acquired by mental ability.

It is not psychology, which is a science of the mind. Natural sinners can teach psychology.

It cannot be fortune telling. God's Word condemns fortune telling, which is of the devil. The devil counterfeits God's gift. If a fortune teller knows anything supernaturally about a man, you can be sure it is not the supernatural Spirit of God that gives him the knowledge.

THE WORD OF KNOWLEDGE ENLIGHTENS

I would not serve a God who is not as powerful as the devil. The devil is not more powerful than God. The devil, through fortune tellers, is seeking to tell you something that will worry you to death and break up your home, heart, purse, and future; but God, by the word of knowledge, is trying to build all these things for you.

It is not very often an audible voice, but it was such when God spoke to Samuel (I Sam. 3:4). It is God who speaks to man and not man to man. God speaks to us by the Spirit very often in a still, small voice (I Kings 19:12). It is no more a spoken word than discerning of spirits is a spoken word. The difference is, one deals with spirits and the other does not.

If man speaks the word of knowledge after the Spirit gives it to him, that part would come under the ministerial gift of teaching, exhortation, or such like (Eph. 4).

IT IS NOT THE GIFT OF KNOWLEDGE

This gift is not the "gift of knowledge," but the "gift of the word of knowledge" given by the Spirit. God does not give us all His knowledge, but just a word (part) occasionally; although, the part will be changed into the whole during the perfect age (I Cor. 13:9-10) when we will know as we are now known.

This gift is not guessing, imagination, or the working of the mind. It does not work through your mind any more than does speaking with tongues. God speaks to your spirit without the help of your natural mind or ears. You simply know it, that's all.

THE SPIRITUAL GIFT of the word of knowledge is a supernatural manifestation of the Spirit of God that reveals to man part of God's knowledge.

IT IS NOT A KNOWLEDGE OF GOD'S WORD

It is not a knowledge of God, or of God's Word, that comes by learning, by study, or long experience. For instance, Eli, the priest, had long knowledge of God and His Word through experience; but the child Samuel, who had neither, was given a "Word" direct by the Spirit. Eli had gotten to the place where he had no open vision (I Sam. 3:7, 11-14).

WHAT IT IS

The Spiritual gift of the word of knowledge is certain facts in the mind of God which He sees fit to reveal to a servant supernaturally by His Spirit. It is only a "word," or a portion of God's great storehouse of knowledge.

God speaks in divers manners, such as dreams, visions, revelation, or in audible voice. It is always conveyed supernaturally as any other gift.

This gift can tell the whereabouts, conditions, nature, or thoughts of a person, animal, place, or thing even when it is impossible to learn it in the natural.

It is different from the Spiritual gift of faith in that it lets you know things even when you did not pray for them. The Spiritual gift of faith deals with things "not yet come to pass," else it would not be faith.

It is not a vocal gift, as it makes you to know and not to speak. It is not discerning of spirits, as it has nothing to do with a supernatural spirit.

It helps one to look into the heart, mind, or nature of a man and to know his secrets and intentions.

It has helped people find lost articles, but its main purpose is to find lost souls.

BIBLE EXAMPLES

While Peter was lying flat on his back on the house top, the Spirit of God told him three men were seeking him (Acts 10:19). Had Peter gone to school one hundred years he could not have gained such knowledge. The all-knowing God gave part of His knowledge to Peter by the Spirit.

The Spirit of God told Samuel that Saul's asses had already been found, and let him know all that was in Saul's heart (I Sam. 9:19-20).

A voice from God told Elijah that God

had seven thousand who had not bowed their knees to Baal (I Kings 19:18). A spiritual revelation!

THE WORD OF KNOWLEDGE COMES AFTER ALL NATURAL KNOWLEDGE HAS FAILED

The Lord told Samuel that Saul had hid himself behind the stuff (I Sam. 10:22). This was after all natural knowledge failed.

The Spirit made John to know the condition of the churches. (Revelation, chapters one, two, and three.)

The Spirit told Elisha the location of the Syrian Camp (II Kings 9:6), something the Intelligence Division of the army did not know.

By a word of knowledge God told Ananias that Saul was at a certain place praying (Acts 9:11).

God made Paul to know, even when the captain did not know, that the voyage was very dangerous and would be of much hurt and damage (Acts 27:10).

The Spirit made Paul to know that he must go to Rome (Acts 23:11). He needed another gift to let him know when and how he must go. We will study that gift in the next chapter.

IT IS A SUPERNATURAL REVELATION OF GOD

Jesus knew that a certain woman was then living with a man without being married to him, and had had five husbands before she "took up" with him (John 4:18). He also knew the condition of Nathanael's heart and life, and what he had been doing (John 1:47-48).

In a night vision the Spirit gave unto Daniel what the king had dreamed (Dan. 2:19); but he yet needed the manifestation of another gift to know the meaning of the dream and what the king should do, and how he should do it.

"Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him."

BUT GOD HATH REVEALED THEM TO US BY HIS SPIRIT. (I Cor. 2:8-10).

Marvelous revelation gifts!

IS GIVEN TO GOD'S SERVANTS TO ASSIST OTHERS

God is concerned about every detail of our lives; even the hairs of our heads are numbered. If we cannot be in connection with the Spirit in the little things, we cannot be in connection in the larger things (Luke 16:10-11).

God showed me in a dream that three preachers in another state were in danger. I wrote all three of them. Two of them told me in letters of appreciation that the warning was just in time to keep them from serious trouble. The third preacher was soon taken to a nervous

nospital in a straight jacket. When he was released, he apologized to me for ignoring my letter of warning.

One night the Lord showed me that a preacher in another state was in trouble with his church. I wrote and told him. He wrote back saying that everything was going fine and his church was all right. A few weeks later I noticed in the paper that he suddenly resigned and moved to a church in another state. When I saw him he confessed that the church split. If he had listened and believed, he could have been saved the embarrassment.

WARNS GOD'S SERVANTS AND SAINTS OF IMPENDING DISASTER

Many times while pastoring churches, the Spirit would make me to know in dreams, visions, or otherwise, that certain members were in trouble or going through severe trials. I would get to them just in time to help them. An ounce of prevention is better than a pound of cure. A stitch in time saves nine. I would root out the weeds in time to save the crop.

In Goldonna, Louisiana, while in the parsonage, the Spirit made me to know that Brother and Sister B. were in trouble. Running to my room, falling across the bed, I prayed through until I touched God. Then I got into my car and drove to their place. The same time God had warned me to pray, their house was on fire, Brother B. being gone. (They had already had one burn-out before then, losing all they had). Sister B. had stopped the fire just in time.

That was a word of knowledge before I went to my bed to pray about it.

REVEALS TO GOD'S SERVANTS THOSE NEEDING SPIRITUAL HELP

In a vision one night the Spirit of God showed me a man who had been delivered from cigarettes and had later gone back to smoking. The next night I started a revival in Nashville, Arkansas. During

the services I arose and said, "There is a man here who was prayed for and delivered from a habit. He has gone back to using it; the craving has returned. He is bound again. If he will come forward, God will deliver him again." He immediately arose and came to the front, telling how he had gone to a revival many miles away, was delivered and, after several months, tried a cigarette to see how it would taste. He had been bound since. That night he was delivered again, filled with the Holy Ghost, and is still going on with God, working in the church.

Of course, that was a word of knowledge given to me before I went to Nashville. Being delivered was another gift in manifestation which we will study later.

In a dream one night I saw a woman, who had been afflicted for many years crying for help. I started the next night in a revival several miles away. There I met this same woman. It was a word of knowledge, given by the Spirit. Her deliverance is another story.

SUPERNATURALLY DIRECTS AND GUIDES GOD'S SERVANTS AND SAINTS

Many times after a revival has gone on for five or six weeks, the Spirit has spoken to my spirit, "The revival is over." Other people could not understand why I was closing the meeting, as scores were being filled with the Holy Ghost in a single day. I still needed another gift manifested to show me how to close and

deal gracefully, leaving a good taste. We will study it in the next chapter.

While I was in Tyler, Texas, the Spirit made me to know that my son, who was with his mother in Ardmore, Oklahoma, was in danger. I wrote my wife giving her advice what to do before I received the long distance call telling me the news.

REVEALS THOUGHTS AND INTENTS OF PEOPLE FOR THEIR BENEFIT

I walked back into the audience, as I was giving an invitation for people to come to the altar, looked a lady in the eyes and said, "You used to have the Holy Ghost; come sit on the front seat and you will have it again in five minutes." It happened as I said. She made a good worker.

I found out later that she was a singer in a night club, in a backslidden state, at that time. God only showed me she used to have the Holy Ghost and she had faith to be delivered in five minutes. He did not show me where she worked. He gave me, by His Spirit, a word of His all knowledge.

Another night God spoke to my spirit in a still voice and made me to know that a man was on a high cliff ready to fall, to be forever lost. I sent him word. He was saved, filled with the Holy Ghost, and is now a deacon and superintendent.

[NOTE: (Please notice that I lay no claim to these gifts above any other member of Christ's body; but I relate just a few of my experiences, when God saw fit to manifest the gifts, which He has given to the Church (I Cor. 12:28), through one of his least of all servants. I do it as an illustration showing you the working of each gift, and not of myself.)

Oh, that every pastor, evangelist, teacher, mother, dad, and every Christian would realize the need of such a gift being manifested through their lives.

TVH lists all information available concerning meeting schedules. If we show only one date regarding a campaign, that is the beginning date—most campaigns run at least two weeks, or longer. Further information concerning date and location should be secured by writing local pastors, or evangelists listed in our directory. NOTICE! TVH cannot assume the full responsibility of directing people to these campaigns. Sometimes a meeting is cancelled or postponed, after our magazine has gone to press.

SIGNS—MIRACLES—WONDERS

IN THE CAMPAIGNS OF TVH EVANGELISTS

EVANG. B. D. BENNETT

Evangelist Bennett & Velma Warriner

SPRAINED ANKLE INSTANTLY HEALED AFTER PRAYER

I DO THANK GOD for His Wonderful healing power! While Evangelist B. D. Bennett was conducting a Salvation-Divine Healing Campaign in the Assembly of God Church in Imperial Beach, California, I had the misfortune of turning my ankle and tearing the ligaments loose. Within a few minutes the ankle

was so swollen you could not see the ankle bone. The pain was almost unbearable. Toward evening the ankle turned black and I was unable to bear my weight upon it.

My husband borrowed a set of crutches for me to use to get to church, where Brother Bennett and the Pastor, Sister Eva Bailey, prayed for me. A few minutes later after they had prayed, *Brother Bennett took me by the hand and commanded me to rise, in the name of Jesus Christ! I AROSE AND WALKED, AND WAS MADE EVERY WHIT WHOLE.*

Because of this miracle a Sailor, who was in the audience, came to the altar and gave his heart to the Lord.

I played the piano for the service that night and carried my crutches home with not a sign of the affliction. I thank God that, through this miracle, a soul found Christ!

Velma Warriner
Palm City, Calif.

**Verification by Pastor Eva Bailey,
Palm City, California**

We have been blessed with a three week revival with Evangelist B. D. Bennett. The Spirit of the Lord moved in our midst to save, heal and fill with the Holy Ghost.

The healing of Velma Warriner was the outstanding miracle of this meeting.

DELIVERED OF CHRONIC T.B. THROUGH PRAYER

LAST YEAR, 1952, I was under doctor's treatment for an aggravated chest complaint, which no treatment seemed to touch. It got worse through the winter months, and the doctor advised me to visit the Chest Clinic. This I did in the first week of September. An X-ray was taken; the result was bad.

Ten days later I was sent for again and another X-ray was taken. This time the verdict was *Chronic Tuberculosis* and I was pronounced a hopeless case. The Di-

rector of the Clinic told me there was no hope whatever. He could not begin to treat me because my age was against me (67 years); my complaint was too long-standing. However, he said, *"If you are alive at Christmas—we will take another X-ray."*

During October, 1952, Rev. A. C. Valdez, Jr. opened his campaign in Brisbane, Australia. I went to these services on the invitation of a friend who attends Glad Tidings Tabernacle, was prayed for, and I thank God that, from last October (1952) to this present day, I have not seen a doctor nor taken one dose of medicine!

I enclose a Medical Certificate obtained to prove my present condition.

Yours sincerely,
Mrs. Minnie MacLeod

10th. February, 1953.

Dear Mrs MacLeod,

The X-ray which you had taken on 9th. February, 1953, shows that the shadows seen in October, 1952, have all been cleared.

I would suggest a further X-ray in six (6) months as a further check and you will be notified in due course of your appointment.

Yours faithfully,

E.M. RATHOUSE, M.B., Ch.B.

for Director of Tuberculosis.

Mrs Minnie W. MacLeod.

[THE ABOVE TESTIMONY WAS SENT IN TO US BY REV. EREND F. LLOYD-SMITH, Pastor, Glad Tidings Tabernacle, Barry Parade — The Valley, Brisbane Australia. He states: "I am sending you the enclosed testimony from a Sister who was prayed for in Brother Valdez Jr.'s Campaign, when he was here in Brisbane. I thought you would like to publish it in THE VOICE OF HEALING."]

EVANG. CLIFTON ERICKSON

RHEUMATIC FEVER GONE!

DEAR BROTHER ERICKSON:

On April 23, 1951, I was stricken with virus flu which ran into rheumatic fever. I spent over 12 weeks in bed, 47 days of that time in the hospital.

On July 31, 1952, our pastor, Rev. Brannan, took me to Brother Erickson's campaign in Eureka Springs, Ark. I was so ill I had to lay on a cot during the service. Brother Erickson prayed for me and *I have been perfectly healed* since. I gained back all the weight I had lost within one week after being prayed for. Praise God for my deliverance!

Yours in Christ,
Ivalyn Sapp

EVANG. STANLEY KAROL

HUSBAND AND WIFE HEALED OF HERNIA

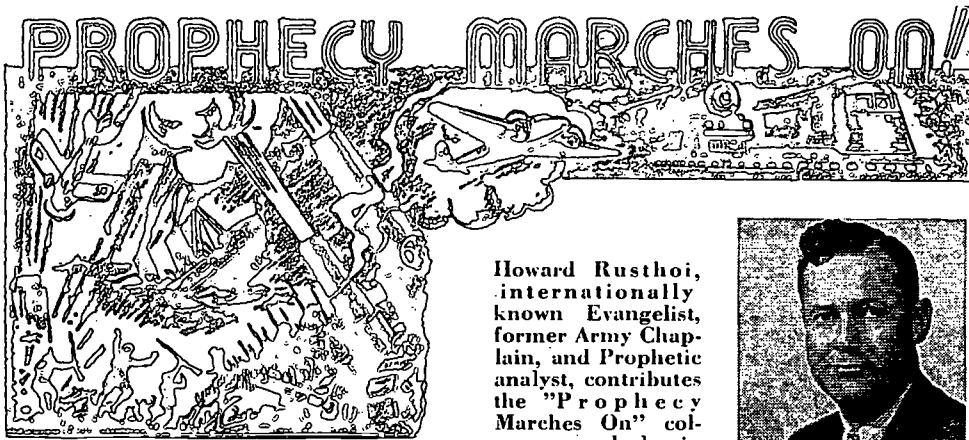

Dear Rev. Karol:

A testimony of what Jesus has done for us; Praise His Name!

At the Downers Grove, Illinois, meetings I was prayed for for sinus trouble, hernia, (which I'd had for 17 years and wore a belt for), and also tumors. I have never worn the belt since I was prayed for. The sinus is much better, and the backache which bothered me so that I could hardly lie in bed, has left me entirely.

My husband was healed of hernia also, for which we Praise His Holy Name!

Mrs. E. L. Waddell

TRAFFIC CASUALTIES

LAST YEAR resulted in the worst traffic toll in history with 37,600 deaths and 2,090,000 injuries, according to insurance company figures. Speed was the principal cause of accidents accounting for 609,410 casualties. Three out of four accidents involved passenger cars traveling in clear weather on dry roads. Nine out of ten vehicles in accidents were in apparently good condition before they crashed. This shocking report gives the 1952 story briefly but reveals the trend of the day—speed and carelessness. What a striking fulfillment of *Nahum 2:3, 4*, a prophecy for the last days:

"The chariots (autos) shall be with flaming torches (bright headlights) in the day of his preparation...the chariots shall rage (be driven carelessly) in the streets, they shall jostle one against another (collide) in the broad ways; they shall seem like torches, they shall run like the lightnings (excessive speed)."

ELECTRIC BRAIN

Complex engineering and scientific problems, which often take scores of experts months to solve, can be finalized in seconds by a new electronic "brain" that has recently been demonstrated. The machine, known officially as a Decimal Digital Differential Analyzer, is the first unit of its type to be manufactured in the United States, according to R. E. Sprague, vice-president of the Computer Research Corporation, builder of the analyzer.

Unlike other electrical computing devices, the decimal digital analyzer has

practically no limits to its accuracy. Company engineers declared the machine has a maximum accuracy of one part in 1,000,000. It can perform 10,000 additions per second. The analyzer has been designed chiefly to solve complicated differential equations, which is a mathematical way to express the relationship between variables in physical situations.

Housed in a cabinet 38x72x90 inches called the "brain box," the device literally "eats" differential equations through a series of electrical impulses. The results are returned automatically to an electrical typewriter, or they can be revealed graphically in chart form. Cost of the analyzer is \$57,500. The "increase of knowledge" in the last days is given as a sign of the second coming of Christ (*Daniel 12:4*).

UNITED STATES OF EUROPE

Foreign ministers of six continental nations met in Baden Baden, Germany, in August, to examine the project for creating a United States of Europe, and tentatively decided to drive toward a final agreement on a constitution in September. Ministers of France, West Germany, Italy, Belgium, The Netherlands and Luxembourg took a hard look at the 116 article draft constitution to weld their 150,000,000 people into a confederation. There are many problems to be solved but the trend in Europe today is definitely in the direction of bringing about an alliance of nations within the boundary of the old Roman Empire, to be under the control of one political head or body, as prophesied in *Daniel 7* and *Revelation 13*.

AIR TRAVEL OUTLOOK

Jet-powered planes that will carry 100 passengers across the country in five hours, reduce air fares to less than present bus fares, and even replace the family automobile, were forecast recently at the annual Stanford University business conference by Hall L. Hibbard, engineering vice-president of Lockheed Aircraft Corp., Burbank, Calif. He said the first of these planes will be in operation in 1958, and will travel without vibration at 600 miles an hour. He forecast other types of planes for the future, including a 450-mile-an-hour turbo-prop, and a 5-passenger ducted-fan model which should supplant many a family car because of operational ease and vertical rise and descent. This increase in inventive knowledge is also a fulfillment of *Daniel 12:4*.

EARTHQUAKES

As this is being written news continues to come in concerning the devastating earthquake in Greece. At the present time three Ionian Sea island cities of ancient Greek memory have been wiped out by a series of quakes which are still continuing day and night. Three whole islands have been rocked and devastated. The cities of Argostolios, 10,000 population, and Zakynthos, 11,315, and Samis, 15,000, have been destroyed. Witnesses reaching the mainland told of house-sized boulders crushing buildings as though they had been matchboxes and describing pathetic scenes of parents searching in the rubble for missing children. It is believed that more than 1000 dead and 120,000 homeless comprise the toll at the time of this writing. An increasing number of earthquakes, and of increasing intensity, throughout the world will continue until the appearance of Christ, and then the greatest earthquake of all time will take place shortly afterward. The prophecy concerning earthquakes in the last days is found in *Matthew 24:7*.

POLITICAL UNREST

An estimated 4,000,000 Frenchmen, including some workers in private industries, defied the government in a general strike that threatened to explode into violence, according to reports at the time of this writing. Strike fever continues to mount as everyone seems to be getting into the act. The strike is intended to express disapproval of government plans to lop off excess help and boost the retirement age. Such unrest is revealed as a sign of the last days. See *Luke 21:25, 26*.
